ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Osceola County Section 8 program will begin its fifth year of administration by the Osceola County Board of County Commissioners on October 1, 2004. This office provides voucher administration to almost 800 portable families. This number continues to grow each month by an average of 37 families per month. This number is four times the number of portables that were being received each month as of October 1, 2000. In addition to the portable vouchers being administered, Osceola County administers 193 of our own vouchers.

The Housing Office has hired a third Housing Specialist to help handle the ever-growing number of participants. The Accounting Technician was promoted to Accounting Supervisor and the Accounting Technician position was also filled. This is allowing the Accounting Supervisor to work on the outstanding receivables due to Osceola County by the initiating Housing Authorities around the country. Constant follow-up is necessary to ensure that payments begin quickly after lease up of the portable participants. A Fraud Investigator has been hired and has quickly received numerous referrals for investigations due to unreported income, unreported household members, criminal activity and failure to meet family obligations. The Investigator has also been trained in HQS and performs as backup to Housing Inspector.

Housing staff continues to work toward obtaining a standard performer rating on our yearly SEMAP certification and believe that all the necessary policies and procedures are in place to accomplish this goal.
