ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The Housing Authority of the City of Chanute, Kansas has prepared this Annual PHA Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

The purpose of the Annual Plan is to provide a framework for local accountability and an easily identifiable source by which public housing residents, participants in the tenant-based assistance program and other members of the public may locate basic PHA policies, rules and requirements related to the operations, programs and services of the agency.

The Mission Statement and the Goals and Objectives were based on information contained in our jurisdiction's Consolidated Plan and will assure that our residents will receive the best customer service.

Excellent customer service and fulfillment of the Mission Statement and Goals and Objectives is ensured by implementation of a series of policies that are on display with this Plan. The Admissions and Occupancy Policy and Section 8 Administrative Plan are the two primary policies on display. These important documents cover the public housing tenant selection and assignment plan, outreach services, PHA's responsibility to Section 8 owners/landlords, grievance procedures, etc.

The most important challenges to be met by the Housing Authority of the City of Chanute during FY 2004 include:

- ④ *Reduce drug and alcohol abuse through the operations and/or Capital Fund Program as funds permit;;*
- ④ *Preserve and improve the public housing stock through the Capital Funds activities;*
- ④ *Increase the supply of assisted and affordable housing;*
- ④ *Increase homeownership opportunities;*
- ④ *Involve the public housing residents and the Section 8 participants through the Annual Plan Resident Advisory Board **and Resident Councils.***
- ④ *Train staff and commissioners to fully understand and take advantage of opportunities in the new law and regulations to better serve our residents and the community; and*
- ④ *Identify, develop and leverage services to enable low-income families to become self-sufficient.*

In closing, this Annual PHA Plan exemplifies the commitment of the Housing Authority of the City of Chanute to meet the housing needs of the full range of low-income residents. The

Housing Authority of the City of Chanute, in partnership with agencies from all levels of government, the business community, non-profit community groups, and residents will use this plan as a road map to reach the “higher quality of life” destination for the City of Chanute and Neosho County.

Representative Family Housing

Comment1: Some type of canopy over doorways – 2BR units.

PHA Response: Will be considered in future funding but believe there is more pressing issues that need to be addressed first due to age of facility.

Comment 2: Fencing of yards.

PHA Response: PHA does allow families to fence their yard with approval from PHA on type of fencing that will be used.

Comment 4: Ceiling Fans.

PHA Response: Ceiling fans are allowed by PHA with resident utilizing an existing light fixture and certifying that licensed electrician performed installation. All units have central A/C and we believe this is an individual preference.

Rhonda Lane Council

Comment 1: Clean the sewage from the pond.

PHA Response: PHA will monitor the situation and will ask City to check. Should there be a problem it would be coming from adjoining property owner and cost for any corrective action should be theirs.

Comment 2: Trellis for our porches.

PHA Response: This could be enhancement for the residents but believe there are more pressing issues for the capital funding due to the age of the projects.

Comment 3: Outside contract to clean our streets in winter from snow and ice.

PHA Response: Will consider at time of snows for contracting. Any cost will be handled through general budgets.

Comment 4: Benches around the pond.

PHA Response: This could be enhancement for the residents but believe there are more pressing issues for the capital funding due to the age of the projects

Comment 5: Re-landscaping the new addition.

PHA Response: Due to lack of maintenance personnel time, we will look at contracting with a landscaper for better maintenance of shrubs. Feel the landscaping is fine, just needs to be maintained a little better.

Comment 6: Flower boxes.

PHA Response: This could be enhancement for the residents but believe there are more pressing issues for the capital funding due to the age of the projects

Comment 7: Complete roof over picnic tables.

PHA Response: This could be enhancement for the residents but believe there are more pressing issues for the capital funding due to the age of the projects

Comment 8: New kitchen stoves with self cleaning ovens and two racks and a bottom drawer to put pans, etc. in.

PHA Response: New amenities to these appliances will be considered as purchases of the appliances are replaced on as needed basis. CFP funds are planned on an additional basis.

Comment 9: New refrigerators

PHA Response: New amenities to these appliances will be considered as purchases of the appliances are replaced on as needed basis. CFP funds are planned on an additional basis.

Comment 10: New kitchen faucets.

PHA Response: Kitchen faucets will be replaced as needed through general fund.

Comment 11: Water filters in kitchen/faucet.

PHA Response: With the various filter systems available we feel this is an individual decision and relatively inexpensive for the residents to purchase or attach their faucets as desired.

Comment 12: All emergency pulls to have a light or a buzzer to alert tenant that it has been pulled.

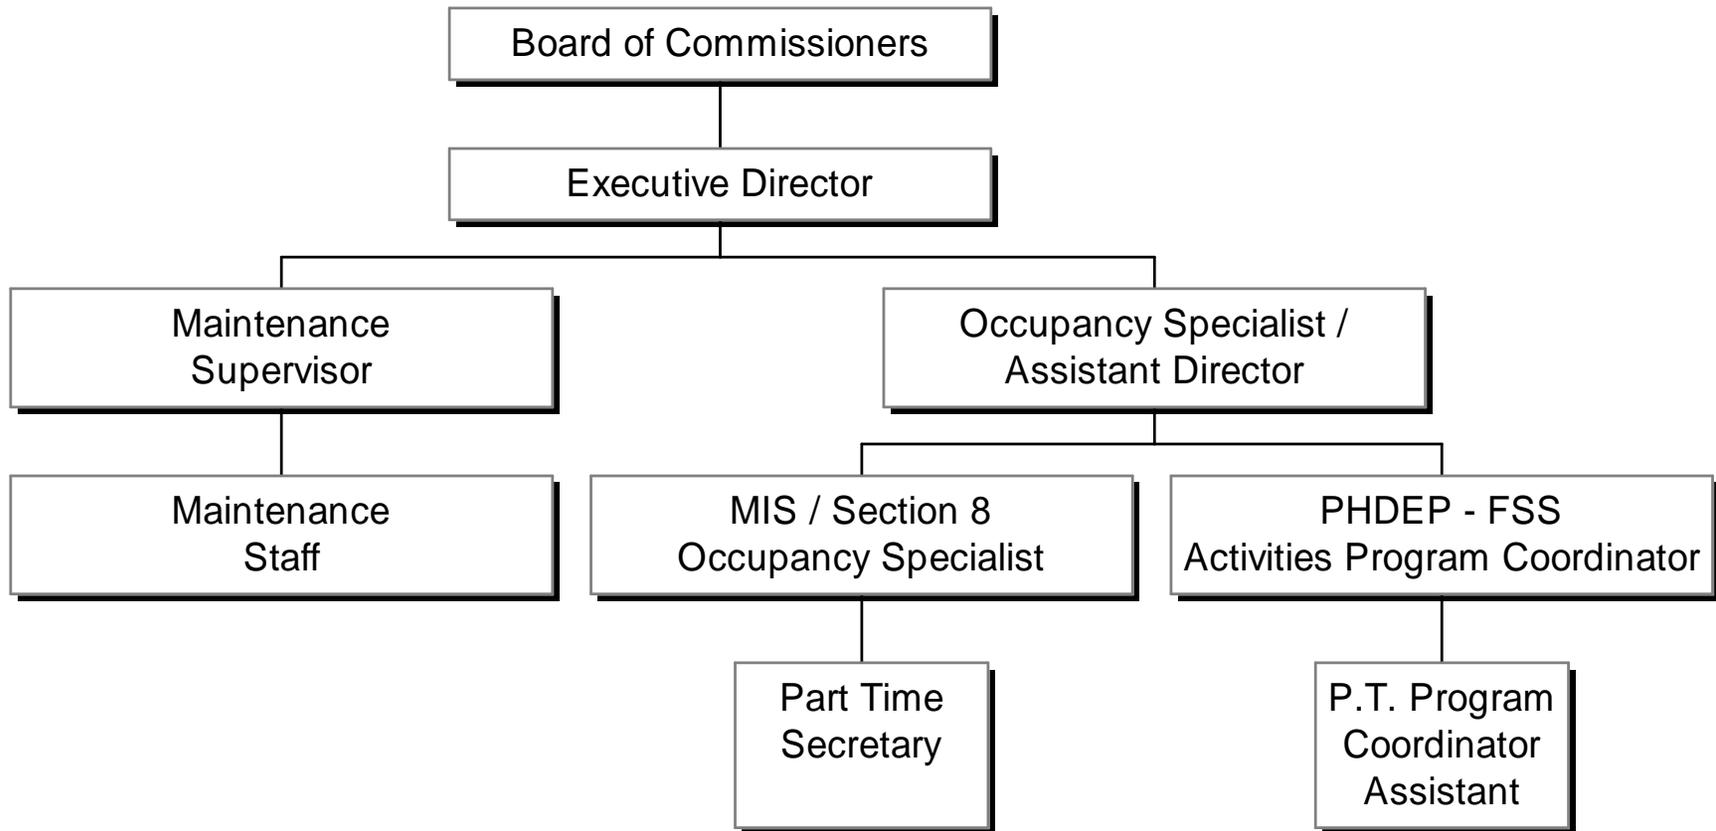

PHA Response: Buzzer does sound outside and light goes on. Do not feel cost is warranted.

Comment 13: All doors to be free from cracks that would let snakes in.

PHA Response: New storm doors are being installed with 2002 CFP funds.

**PET OWNERSHIP
(FAMILY)
FOR
THE HOUSING AUTHORITY OF THE
CITY OF CHANUTE, KANSAS**

PET OWNERSHIP

OVERVIEW

Section 526 of the Quality Housing and Work Responsibility Act of 1998 added a new Section 31 (“Pet Ownership in Public Housing”) to the United States Housing Act of 1937. Section 31 establishes pet ownership requirements for residents of public housing other than Federally assisted rental housing for the elderly or persons with disabilities. In brief, this section states that: A resident of a dwelling unit in public housing may own one (1) or more common household pets or have such pets present in the dwelling unit. Allowance of pets is subject to reasonable requirements of the PHA. A proposed rule to implement Section 31 was published in the June 23, 1999, Federal Register. On July 10, 2000, a final rule incorporating comments received, was published in the Federal Register. This policy reflects the final rule requirements.

The Housing Authority of the City of Chanutte (hereinafter referred to as PHA) notifies eligible new residents of their right to own pets subject to the PHA’s rules and provides them copies of the PHA’s Pet Ownership Rules. To obtain permission, pet owners must agree to abide by those Rules.

In consulting with residents currently living in the PHA's developments, the PHA will develop appropriate pet ownership rules, include those rules in their Agency Plan and notify all such residents that:

- A. all residents are permitted to own and keep common domesticated household pets, such as a cat, dog, bird, and fish, in their dwelling units, in accordance with PHA pet ownership rules;
- B. the non-refundable nominal pet fee of \$100.00 will be charged and is intended to cover the reasonable operating costs to the development directly attributable to a pet or pets in the unit (i.e., fumigation of a unit). The refundable pet deposit of \$50.00 will be assessed and is intended to cover additional costs not otherwise covered which are directly attributable to the pet’s presence (i.e., damages to the unit, yard (i.e., fumigation of a unit, etc). The refundable deposit may be paid out over a six (6) month period with equal payments made monthly until paid-in-full;
- C. animals that are used to assist the handicapped are excluded from the size, weight and type requirements pertaining to ownership of service animals. Also the security deposits may be waived as a reasonable accommodation. However, they will be required to assure that proper licensing, inoculations, leash restraints, feces removal, etc. in accordance with State or local law are observed;
- D. residents may request a copy of the PHA’s pet ownership rules or proposed amendments to the rules at any time; and,

- E. if the dwelling lease of a resident prohibits pet ownership, the resident may request that the lease be amended to permit pet ownership, in accordance with the PHA's pet ownership rules shown below.
- F. Section 31 does not alter, in any way, the regulations applicable to Federally assisted housing for the elderly and persons with disabilities found at Section 227 of the Housing and Urban-Rural Recovery Act of 1983 and located in 24 CFR part 5, subpart C.
- G. **New Section 960.705 of 24 CFR clarifies that the regulations added in Section 31 do not apply to service animals that assist persons with disabilities. This exclusion applies to both service animals that reside in public housing and service animals that visit PHA developments. Nothing in this rule limits or impairs the rights of persons with disabilities, authorizes PHAs to limit or impair the rights of persons with disabilities, or affects any authority PHAs may have to regulate service animals that assist persons with disabilities.**

HOUSING AUTHORITY OF THE CITY OF CHANUTE

Pet Ownership Rules for Families

1. Common household pet means a domesticated cat, dog, bird, gerbil, hamster, Guinea pig and fish in aquariums. Reptiles of any kind, with the exception of small turtles in a terrarium, as well as mice and rats are prohibited. These definitions do not include any wild animal, bird of prey, dangerous fish or snakes, spiders or other insects, or any farm animals.
2. Each household shall have only one pet (except fish or birds). The limit for birds is two (2).

5. No pet owner shall keep a pet in violation of State or local health or humane laws or ordinances. Any failure of these pet ownership rules to contain other applicable State or local laws or ordinances does not relieve the pet owner of the responsibility for complying with such requirements.
6. The pet owner shall have his or her cat or dog spayed or neutered and shall pay the cost thereof. A veterinarian shall verify that the spaying or neutering has been accomplished.
7. All cats shall be declawed. Proof of compliance shall be furnished to management.
8. The pet owner shall house the pet inside the pet owner's dwelling unit. The pet owner shall keep a cat or a dog on a leash and shall control the animal when it is taken out of the dwelling unit for any purpose. The owner of a bird(s) shall confine them to a cage at all times. No pet owner shall allow his or her pet to be unleashed or loose outside the pet owner's dwelling unit.

12. Resident shall provide the PHA a color photograph of the pet(s).
13. All dogs and cats shall wear a collar at all times. Attached to the collar shall be an ID tag listing the pet owner's name and address.
14. Any resident having a dog or cat shall obtain some type of "scooper" to clean up after the pet outdoors. The resident is responsible for placing all waste in sealed plastic bags and disposing of such material in a trash container.
15. Resident is required to take whatever action necessary to insure that their pet does not bring any fleas or ticks into the building. This may include, but is not limited to, the use of flea collars and flea power. The resident is responsible for the cost of flea/tick extermination.
16. No resident shall keep, raise, train, breed or maintain any pet of any kind at any location, either inside or outside the dwelling unit, for any commercial purpose.
17. No pet owner shall keep a vicious or intimidating pet on the premises. If the pet owner declines, delays or refuses to remove such a pet from the premises, the PHA shall do so, in order to safeguard the health and welfare of other residents.
18. No pet owner shall permit his or her pet to disturb, interfere or diminish the peaceful enjoyment of the pet owner's neighbors or other residents. The terms "disturb, interfere or diminish" shall include but not be limited to barking, howling, biting, scratching, chirping and other activities of a disturbing nature. If the pet owner declines, delays or refuses to remove the pet from the premises, the PHA shall do so.
19. The owner of a cat shall feed the animal at least once per day; provide a litter box inside the dwelling unit; clean the litter box at least every two (2) days; and take the animal to a veterinarian at least once per year. 21. The pet owner shall take the precautions and measures necessary to eliminate pet odors within and around the dwelling unit, and shall maintain the dwelling unit in a sanitary condition at all times, as determined by the PHA.
22. The pet owner shall keep the pet, dwelling unit, and surrounding areas free of fleas, ticks and/or other vermin.
23. No pet owner shall alter the dwelling unit or the surrounding premises to create a space, hole, container or enclosure for any pet.
24. Resident agrees that the PHA shall have the right to remove any pet should the pet become vicious, display symptoms of severe illness or demonstrate other behavior that constitutes an immediate threat to the health or safety of the tenancy as a whole. If the PHA requests that the resident remove the pet from the premises and resident refuses to do so, or if the PHA is unable to contact the resident to make the request, the PHA may take such actions as deemed necessary, e.g. placing the pet in a facility that will provide the pet with care and shelter at the expense of the pet owner for a period not to exceed thirty (30) days. PHA staff shall enter a dwelling unit where a pet has been left untended for twenty-four (24) hours, remove the pet and transfer it to the proper local authorities, subject to any provisions of State or local law or ordinances in this regard. The PHA shall accept no responsibility for the pet under such circumstances.
25. Each pet owner shall pay a non-refundable pet fee of \$100.00 and a refundable pet deposit of \$50.00. A refundable deposit of \$25.00 will be charged for aquariums. The refundable deposit may be paid out over a six (6) month period with equal payments made monthly until paid-in-full. There is no pet deposit for birds, gerbils, hamsters, guinea pigs or turtles. The pet fee/deposit is not part of the rent payable by the pet owner, and is in addition to any other financial obligation generally imposed on residents of the development where the pet owner lives. The PHA shall use the non-refundable pet fee only to pay reasonable expenses directly attributable to the presence of the pet in the development, including, but not limited to the cost of repairs and replacements to, and the fumigation of, the pet owner's dwelling unit. The refundable deposit will be used, if appropriate, to correct damages caused by the presence of the pet.
26. The PHA will refund the unused portion to the resident within thirty (30) days after the pet owner moves from the dwelling unit or no longer owns or keeps a pet in the dwelling unit.
27. All residents are prohibited from feeding, housing or caring for stray animals or birds. Such action shall constitute having a pet without permission of the PHA .
28. Each pet owner shall identify an alternate custodian for his or her pet. If the pet owner is ill or absent from the dwelling unit and unable to care for his or her pet, the alternate custodian shall assume responsibility for the care and keeping of the

pet, including, if necessary, the removal of the pet from PHA premises.

29. Should any pet housed in the PHA's facilities give birth to a litter, the residents shall remove from the premises all of said pets except one as soon as the baby's are able to survive on their own (a maximum of six (6) weeks).

30. Pet Violation Procedures: Resident agrees to comply with the following:

a. If notice is given by management to the resident that maintenance personnel will be entering the unit for the servicing of equipment or other maintenance work, the resident shall be present with the pet or have the pet removed from the unit. This does not apply to caged animals.

b. Pet Rule Violation Meeting: If the pet owner makes a request, within five (5) days of the notice of pet rule violation, for a meeting to discuss the alleged violation, the PHA will establish a mutually agreeable time and place for the meeting within fifteen (15) days from the effective date of service of the notice of pet rule violation. At the pet rule violation meeting, the pet owner and PHA shall discuss any alleged pet rule violation and attempt to correct it. The PHA, may as a result of the meeting, give the pet owner additional time to correct the violation.

c. Notice for Pet Removal: If the PHA determines that the pet owner has failed to correct the pet rule violation within the time permitted by Paragraph b. of this section (including any additional time permitted by the PHA), or if the parties are unable to resolve the problem, the PHA may serve a notice to the pet owner requiring the pet owner to remove the pet. The notice will be in writing and will:

(1) Contain a brief statement of the factual basis for the determination and the pet rule or rules that has been violated.

(2) State that the pet owner must remove the pet within ten (10) days of the effective date of the notice of pet removal (or the meeting, if notice is served at the meeting).

(3) State that failure to remove the pet may result in initiation of the procedures to have the pet removed or terminate the pet owner's lease or both.

The procedure does not apply in cases where the pet in question presents

an immediate threat to the health, safe, of others or if the pet is being treated in an inhumane manner. In such cases paragraph 24 shall apply.

d. Notice of Pet Rule Violation: If the PHA determines on the basis of objective facts, supported by written statements, that a pet owner has violated a rule governing the keeping of pets, the PHA will serve a notice to the owner of pet rule violation. The notice of pet rule violation will be in writing and will:

- (1) Contain a brief statement of the factual basis for the determination and the pet rule or rules alleged to be violated.
- (2) State that the pet owner has ten (10) days from the effective date of service of the notice to correct the violation (including in appropriate circumstances, removal of the pet) or to make a written request for a meeting to discuss the violation.
- (3) State that the pet owner is entitled to be accompanied by another person of his or her choice at the meeting.
- (4) State that the pet owner's failure to correct the violation, to request a meeting, or to appear at a requested meeting may result in initiation of procedures to have the pet removed and/or terminate the pet owner's lease or both.)

31. The resident shall control the pet while maintenance personnel are in the unit performing requested maintenance.
33. Non-emergency work orders will only be completed if the resident is home with the pet, the pet has been caged or the pet has been removed from the unit.
34. The PHA will not be responsible for any pet which gets out of a unit when maintenance employees enter for the purpose of making repairs. The family is responsible for removing the pet when maintenance is scheduled or assuring that a responsible family member is present to control the pet, or have the pet caged.
35. No resident shall keep another individual's pet at any time.
36. The PHA will have removed from the premises, any animal(s) not registered as a pet with the management office.
37. If a resident, including a pet owner, breaches any of the rules set forth above, the PHA may revoke the pet permit and evict the resident or pet owner.

I have read and understand the above pet ownership rules and agree to abide by them.

 17. If notice is given by management to the resident that maintenance personnel will be entering the unit for the servicing of equipment or other maintenance work, the resident shall be present with the pet or have the pet removed from the unit. This does not apply to caged animals.
 - b. Pet Rule Violation Meeting: If the pet owner makes a request, within five (5) days of the notice of pet rule violation, for a meeting to discuss the alleged violation, the PHA will establish a mutually agreeable time and place for the meeting within fifteen (15) days from the effective date of service of the notice of pet rule violation. At the pet rule violation meeting, the pet owner and PHA shall discuss any alleged pet rule violation and attempt to correct it. The PHA, may as a result of the meeting, give the pet owner additional time to correct the violation.
 - c. Notice for Pet Removal: If the PHA determines that the pet owner has failed to correct the pet rule violation within the time permitted by Paragraph b. of this section (including any additional time permitted by the PHA), or if the parties are unable to resolve the problem, the PHA may serve a notice to the pet owner requiring the pet owner to remove the pet.

The notice will be in writing and will:

- (1) Contain a brief statement of the factual basis for the determination and the pet rule or rules that has been violated.
- (2) State that the pet owner must remove the pet within ten (10) days of the effective date of the notice of pet removal (or the meeting, if notice is served at the meeting).
- (3) State that failure to remove the pet may result in initiation of the procedures to have the pet removed or terminate the pet owner's lease or both.

The procedure does not apply in cases where the pet in question presents an immediate threat to the health, safe, of others or if the pet is being treated in an inhumane manner. In such cases paragraph 24 shall apply.

d. Notice of Pet Rule Violation: If the PHA determines on the basis of objective facts, supported by written statements, that a pet owner has violated a rule governing the keeping of pets, the PHA will serve a notice to the owner of pet rule violation. The notice of pet rule violation will be in writing and will:

- (1) Contain a brief statement of the factual basis for the determination and the pet rule or rules alleged to be violated.
- (2) State that the pet owner has ten (10) days from the effective date of service of the notice to correct the violation (including in appropriate circumstances, removal of the pet) or to make a written request for a meeting to discuss the violation.
- (3) State that the pet owner is entitled to be accompanied by another person of his or her choice at the meeting.
- (4) State that the pet owner's failure to correct the violation, to request a meeting, or to appear at a requested meeting may result in initiation of procedures to have the pet removed and/or terminate the pet owner's lease or both.)

30. The resident shall control the pet while maintenance personnel are in the unit performing requested maintenance.
31. Non-emergency work orders will only be completed if the resident is home with the pet, the pet has been caged or the pet has been removed from the unit.

32. The PHA will not be responsible for any pet which gets out of a unit when maintenance employees enter for the purpose of making repairs. The family is responsible for removing the pet when maintenance is scheduled or assuring that a responsible family member is present to control the pet, or have the pet caged.
33. No resident shall keep another individual's pet at any time.
34. The PHA will have removed from the premises, any animal(s) not registered as a pet with the management office.
35. If a resident, including a pet owner, breaches any of the rules set forth above, the PHA may revoke the pet permit and evict the resident or pet owner.

Housing Authority of the City of Chanute
PHA Plan Update for FYB 2004

Statement of Progress

Attachment: ks062j01

The Housing Authority of the City of Chanute has been successful in achieving its mission and goals in the year 2003. Goals are either completed or on target for completion by the end of the year.

Concerning modernization, the PHA has made progress with 2001 CFP being 96% expended and 2002 CFP 43% expended.

Concerning involvement of public housing residents and Section 8 participants, Resident Councils have been formed at both our elderly and disabled/handicapped projects. Our family housing development has begun to gather interest in a Council and will soon establish one. Residents have participated in resident training at the NAHRO convention.

Concerning self-sufficiency and crime and safety, the PHA continued its efforts to reduce crime in the communities through a closer working relationship with the local Police Department. Residents have continued to assist by calling and reporting any crime activity.

Concerning improving the quality of life, the PHA has continued to organize more activities for elderly and has maintained a close working relationship with other local agencies collaborating with them to connect residents with services to promote self-sufficiency.

To ensure compliance with the Public Housing Reform Act of 1998, our PHA has continued to monitor changing rules and regulations in order to maintain every policy updated as needed.

Concerning ensuring equal opportunity outreach efforts have been made by making renewed partnerships with community groups and medical facilities.

COMMUNITY SERVICE POLICY
FOR THE
HOUSING AUTHORITY OF THE CITY OF
CHANUTE, KANSAS**

Adopted by Board of Commissioners

Resolution No.: _____

Date of Adoption: _____

COMMUNITY SERVICE POLICY

Section 512 of the Quality Housing and Work Responsibility Act of 1998, which amends Section 12 of the Housing Act of 1937, established a new requirement for non-exempt residents of public housing to contribute eight (8) hours of community service each month or to participate in a self-sufficiency program for eight (8) hours each month. (24 CFR Subpart F §960.600-609) The Fiscal Year (FY) 2002 HUD/VA Appropriations Act temporarily suspended the community service and self-sufficiency requirement, except for residents of HOPE VI developments. The FY 2003 HUD/VA Appropriations Act reinstated this provision.

The Housing Authority of the City of Chanute (hereinafter referred to as PHA) believes that the community service requirement should not be perceived by the resident to be a punitive or demeaning activity, but rather to be a rewarding activity that will benefit both the resident and the community. Community service offers public housing residents an opportunity to contribute to the communities that support them while gaining work experience.

In order to effectively implement this new requirement, the PHA establishes the following policy.

A. Community Service

The PHA will provide residents, identified as required to participate in community service, a variety of voluntary activities and locations where the activities can be performed. The PHA does not claim these activities to be appropriate for all participating tenants. Each tenant is responsible to determine the appropriateness of the voluntary service within guidelines in this policy. The activities may include, but are not limited to:

- Unpaid services at the PHA to help improve physicals condition, including building clean-ups, neighborhood clean-ups, gardening and landscape work;
- Unpaid office related services in the development or Administrative Office;
- Assisting other residents through the resident organization;
- Unpaid services in local schools, day care centers, hospitals, nursing homes, youth or senior organizations, drug/alcohol treatment centers, recreation centers, etc.;
- Active participation in neighborhood group special projects;
- Assisting in after-school youth programs or literacy programs;

- Unpaid tutoring of elementary or high school age residents;
- Assisting in on-site computer training centers;
- Any other community service which includes the "performance of voluntary work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self-responsibility in the community".

Note: Voluntary political activities are prohibited from being considered to meet the Community Service requirement.

B. Program Administration

The PHA may administer its own community service program in conjunction with the formation of cooperative relationships with other community based entities such as TANF, Social Services Agencies or other organizations which have as their goal, the improvement and advancement of disadvantaged families. The PHA may seek to contract its community service program out to a third-party.

The PHA may directly supervise community service activities and may develop and provide a directory of opportunities from which residents may select. When services are provided through partnering agencies, the PHA will confirm the resident's participation. Should contracting out the community service function be determined to be the most efficient method for the PHA to accomplish this requirement, the PHA will monitor the agency for contract compliance.

The PHA will assure that the service is not labor that would normally be performed by PHA employees responsible for the essential maintenance and property services.

In conjunction with its own or partnership program, the PHA will provide reasonable accommodations for accessibility to persons with disabilities.

C. Self-Sufficiency

The PHA will inform residents that participation in self-sufficiency activities for eight (8) hours each month can satisfy the community service requirement and encourage non-exempt residents to select such activities to satisfy the requirement. It should be noted that an individual may satisfy this requirement through a combination of community service and self-sufficiency activities totaling at least eight (8) hours per month. Such activities can include, but are not limited to:

- Apprenticeships and job readiness training;
- Voluntary substance abuse and mental health counseling and treatment;

- English proficiency classes, GED classes, adult education, college, technical schools or other formal education
- Household management, budget and credit counseling, or employment counseling
- Work placement program required by the TANF program
- Training to assist in operating a small business

The PHA may sponsor its own economic self-sufficiency program or coordinate with local social services, volunteer organizations and TANF agencies.

D. Geographic Location

The intent of this requirement is to have residents provide service to their own communities, either in the PHA's developments or in the broader community in which the PHA operates.

E. Exemptions

The following adult individuals, age 18 or older, of a household may claim an exemption from this requirement if the individual:

- Is age 62 years or older;
- Is blind or disabled (as defined under 216(i)(1) or 1614 of the Social Security Act (42 U.S.C. 416(i)(1); 1382c) and who certify that because of this disability they are unable to comply with the service provisions; or primary caretakers of such individuals;
- Is engaged in work activities (at least 30 hours per week) as defined in section 407(d) of the Social Security Act (42 U.S.C. 607(d)), specified below:
 1. Subsidized employment;
 2. Subsidized private-sector employment;
 3. Subsidized public-sector employment;
 4. Work experience (including work associated with the refurbishing of publicly assisted housing) only if sufficient private sector employment is not available;
 5. On-the-job-training;
 6. Job-search and job-readiness assistance;
 7. Community service programs;
 8. Vocational educational training (not to exceed 12 months with respect to any individual);

9. Job-skills training directly related to employment;
 10. Education directly related to employment in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency;
 11. Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, in the case of a recipient who has not completed secondary school or received such a certificate; and
 12. The provision of childcare services to an individual who is participating in a community service program.
- Meets the requirements for being exempt from having to engage in a work activity under the State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 *et seq.*) or under any other welfare program of the State in which the PHA is located, including a State-administered welfare-to-work program.
 - Is a member of a family receiving TANF assistance, benefits, or service under the State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 *et seq.*); or under any other welfare program of the State in which the PHA is located, including a State administered welfare-to-work program and has not been found by the State or other administering entity to be in non-compliance with such program.

F. Family Obligations

At the time of annual recertification, all public housing household members age eighteen (18) or older must:

- Receive a written description of the community service requirement, information on the process for verifying exemption status and the affect of noncompliance on their tenancy.
- Complete certification forms regarding their exempt or non-exempt status from the community service requirement and submit the executed forms within ten (10) days of their recertification appointment. If a household member claims an exemption from the requirement, he/she must submit written verification of the exemption or provide information for obtaining third-party verification along with their completed exemption form.

At the time of the annual recertification appointment, each non-exempt adult household member must present their completed monthly record and certification form (blank form to be provided by the PHA at time of certification or recertification) of activities performed over the past twelve (12) months.

If a family member is found to be noncompliant, either for failure to provide documentation of community service or for failure to perform community service, he/she and the head of household will sign an agreement with the PHA to make up the deficient hours over the next twelve (12)-month period. The entire household will be allowed to enter into such an agreement only once during the household's entire tenancy with the PHA.

If, during the twelve (12)-month period, a non-exempt person becomes exempt, it is his or her responsibility to report this to the PHA and to provide documentation with ten (10) calendar days of the occurrence. The community service requirement will remain in effect until such time as the exempt status is reported to the PHA and verified.

If, during the twelve (12)-month period, an exempt person becomes non-exempt, it is his or her responsibility to report this to the PHA within ten (10) calendar days of the change in status. He/she will be provided with appropriate forms and information for fulfilling the community service requirement. A household member who fails to report a change from exempt to non-exempt status will be required to enter into an agreement to complete an equivalent of eight (8) hours per month of community service for each month of unreported non-exempt status within ninety (90) days of discovery or the household's lease will be subject to termination.

Each household member must supply the PHA with accurate written information regarding exemption status. Failure to supply such information and/or misrepresentation of information is a serious violation of the terms of the lease and may result in termination of the lease.

G. PHA Obligations

To the greatest extent possible and practicable, the PHA will provide names and contacts at agencies that can provide opportunities for residents to fulfill their community service obligation.

The PHA will provide the household a written description of the community service requirement, the process for claiming status as an exempt person for PHA verification of such status in the notice of annual recertification. The PHA will provide the household with appropriate forms on which to claim exempt or non-exempt status and for tracking the community service hours.

The PHA will make the final determination as to whether or not a household member is exempt and/or is compliance with the community service requirement.

As failure to complete the community service requirement constitutes noncompliance with the terms of the Lease, the family may use the PHA's Grievance Procedures if they disagree with the determination of exemption status or noncompliance.

The PHA will assure that procedures are in place and residents the opportunity to change status with respect to the community service requirement. Such changes include, but are not limited to:

- Going from unemployment to employment;
- Entering a self-sufficiency program;
- Entering a classroom educational program which exceeds eight (8) hours monthly.

All exemptions to the community service requirement will be verified and documented in the resident file. Required verifications may include, but not be limited to:

- Third-party verification of employment, enrollment in a training or education program, welfare to work program or other economic self sufficiency activities;
- Birth certificates to verify age 62 or older; or
- Third-party verification of disabilities preventing performance of community service.

Families who pay flat rents and live in public housing units or families who income was over income limits when they initially occupied such a public housing unit will not receive an automatic exception.

H. Cooperative Relationships with Welfare Agencies

The PHA may initiate cooperative relationships with local service agencies that provide assistance to its families to facilitate information exchange, expansion of community service/self-sufficiency program options and aid in the coordination of those activities.

I. Lease Requirements and Documentation

The PHA's lease has a twelve (12)-month term and is automatically renewable except for non-compliance with the community service requirement. The lease also provides for termination and eviction of the entire household for such non-compliance. The lease provisions will be implemented for current residents at the next regularly scheduled reexamination and for all new residents effective upon occupancy. The PHA will not renew or extend the lease if the household

contains a non-exempt member who has failed to comply with the community service requirement.

Documentation of compliance or non-compliance will be placed in each resident file.

J. Noncompliance

A resident who was delinquent in community service hours under the lease in effect at the time of the suspension will still be obligated to fulfill his/her community service and self-sufficiency requirements for FY 2001, provided that the resident was given notice of noncompliance prior to the expiration of the lease in effect at that time.

A copy of that notice of noncompliance should be included with the written notice to residents about the reinstatement of the community service and self-sufficiency requirement. In order to obtain a lease renewal on the expiration of the current lease, residents must be in compliance both with any delinquent community service requirements and current requirements.

If the PHA determines that a resident who is not an "exempt individual" has not complied with the community service requirement, the PHA will notify the resident:

1. of the noncompliance;
2. that the determination is subject to the PHA's administrative grievance procedure;
3. that unless the resident enters into an agreement under paragraph 4. of this section, the lease of the family of which the non-compliant adult is a member may not be renewed. However, if the noncompliant adult moves from the unit, the lease may be renewed;
4. that before the expiration of the lease term, the PHA must offer the resident an opportunity to cure the noncompliance during the next twelve (12)-month period; such a cure includes a written agreement by the non-compliant adult and the head of household (as applicable) to complete as many additional hours of community service or economic self-sufficiency activity needed to make up the total number of hours required over the twelve (12)-month term of the lease.
