The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Required Attachment: H: Resident Advisory Board Comments

When the Resident advisory board met in August and reviewed the plans the housing authority had they had the following comments:

Instead of retiling some apartments and getting new furnaces for some apartments they would like to see the continuation of the wash room additions.

They also would like to see the drainage problem be addressed.

The Housing Authority did consider their request. But at this time we feel due to the REAC inspections that the floor and equipment is a higher priority than the luxury of an addition of a washroom to the apartments. We do plan of resuming construction of the washrooms as soon as the required and necessary repairs are done to bring our housing authority up to first rate. We are also planning to look into the drainage problem.
