The HHA is currently in the process of bidding for the remodel of 11 units. The Homer Housing Authority is also planning to construct a new Community Building and enlarge reception and administrative Areas. The turnaround of the Housing Authority is already in progress and will only continue to grow in a positive manner with the hiring of a new Executive Director who is willing to work for the community & to meet the needs of low to very-low income families.

As selected Executive Director for the Homer Housing Authority, it is my intent to reestablish this authority's position as a high performing agency. To achieve this goal, many new policies and procedures will have to be implemented and followed on a daily basis. My plan is to manage this authority as if it was my own business. In doing this, I will focus on the following areas:

1. Customer/Client Relations

To treat the resident as our most important resources/assets.

2. Management with honest, integrity and ethics

As Executive Director, I will manage this authority with honesty, integrity, and high ethical standards. I will follow the rule of leading by example. I am confident that as the residents, employees, board of commissioners, and general public see that the authority has changed its mode of operation, they will have a desire to follow, believe, and accept.

3. Improve Public Image

I will accomplish this task with the same characteristic mentioned in item two, with honesty, integrity, and high ethical standards. I am community minded and will work to do what the authority deems necessary to have a positive impact in the total community.

4. Work with the Department of Housing to serve the resident, meet reporting

deadlines, and spend federal funding in an appropriate and conservative manner.

I will not use deception or any other misleading tact to misinform the board of commissioners. I will not allow myself to be focused or threatened into doing any types of illegal or wrong activity with federal dollars that are appropriated to provide safe, decent housing for low income families. I will simply do what is right at all times.

Rosie Smith-Kelly

Executive Director

ATTACHMENT "F" – PET POLICY

Town of Homer Housing Authority PET POLICY

Exclusions

This policy does not apply to animals that are used to assist persons with disabilities. Animals of assistance are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

Pets In Public Housing

The PHA allows for pet ownership in its developments with the written pre-approval of the Housing Authority. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold the PHA harmless from any claims caused by an action or inaction of the pet.

Approval

Residents must have the prior written approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request. Residents must give the authority a picture of the pet so it can be identified if it is running loose.

Types and Number of Pets

The authority will allow only common household pets. This means only domesticated animals such as a dog; cat, bird, rodent (including a rabbit), fish in aquariums or a turtle will be allowed in units. Common household pets do not include reptiles (except turtles). If this definition conflicts with a state or local law or regulation, the state or local law or regulation shall govern.

All dogs and cats must be spayed or neutered before they become six months old. A licensed veterinarian must verify this fact.

ONLY 1 PET PER UNIT WILL BE ALLOWED.

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight training dogs, will NOT be allowed.

No animal may exceed 10 pounds in weight projected to full adult size.

Inoculations

In order to be registered, pets must be appropriately inoculated against rabies, distempers, and other conditions prescribed by state and/or local ordinances. They must comply with all other state and local public health, animal control, and anticruelty laws including any licensing requirements. A certification signed by a licensed veterinarian or state or local official shall be annually filed with the authority to attest to the inoculations.

Pet Deposit
