ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Houma-Terrebonne Housing Authority has prepared this plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD Requirements.

The purpose of this plan is to provide a framework for local accountability and an easily identifiable source by which public housing residents and other members of the public may locate basic PHA Policies, rules and requirements related to the operations, programs and services of the agency.

The Mission Statement and the Goals and Objectives were based on information contained in the State of Louisiana Consolidated Plan. Using these goals and objectives, the Houma-Terrebonne Housing Authority is now striving to assure that the PHA is managed and maintained efficiently and effectively, and that our residents receive the best customer service.

Fulfilling the Mission Statement and Goals and Objectives, as well as excellent Customer Service, is aided by implementing a series of policies and procedures that were recently revised or developed through the assistance of the HUD Troubled Agency Recovery Center. Current Policies remain on display and are available for public review. The Admissions and Continued Occupancy (ACOP) is the primary policy available. This important document covers the public housing tenant selection and assignment plan, outreach services, grievance procedures, etc.

Some of the most important challenges to be met by the HTHA during FY 2004 include:

- Begin the process to replace 64 units of Public Housing lost to demolition activities through Master Planning
- Continue to renovate obsolete units and buildings to improve the quality of housing for residents and applicants to the Low Rent Housing Program.
- Provide safe and secure housing to lease abiding residents, through aggressive lease enforcement for non-lease abiders.
- Improve the Public Housing Stock of vacant and occupied units through the Capital Fund Program, thereby reducing vacancies and improving the quality of life for all residents.
- Continue to train Maintenance Staff in acceptable maintenance standards and expectations which will improve customer service provided to our residents.
- Continue to train Management Staff in areas of resident areas including Conflict Resolution and Mediation for Residents, and Rent Calculations and Excluded Income sources, Public Housing Assessment Program areas and Site Based Budgeting.
- Continue to train Administrative Staff in HUD Regulations and Program Participation opportunities to increase financial resources and services to residents.
- Continue to improve the HTHA PHAS Score striving for a perfect score.

This Annual Plan describes the Authority's commitment to meet and exceed, *where possible*, the needs of a full range of low-income residents in Terrebonne Parish. The HTHA in partnership and collaboration with agencies from all levels of government, non-for-profit agencies, businesses, residents and support service providers, will use this Plan to improve the Authority's performance with HUD and standards of delivering our services, and improving the residents' quality of life.
