The AHA participates in the MassNAHRO Centralized Waiting List. This list is open continuously and applicants need only to submit one application to qualify to be on the waiting lists of a large and growing number of local housing authorities around the state.

The authority maintains a preference for local residents on its remaining existing list then those local residents on the new MassNAHRO Centralized Wait List. After exhausting all applicants with local preferences, the applicants will be selected first by exhausting the original list and then referring only to the consolidated list for all future

applicants. Thus, once the authority's original list has been exhausted, the Mass-NAHRO Centralized Wait List will be the only waiting list used for the Section 8 Voucher Program by the AHA.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- X Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- X Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- X Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program

- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available

Statement of Progress.

The Authority continues to make significant progress in its efforts to meet its goals.

- A. The AHA has met its lease-up goal by reaching 100% on 9/30/03, and it continues to issue the maximum number of vouchers available up to the limits of HUD funding for the program.
- B. In 2003, in an effort to increase affordable housing in the community, the AHA attempted to work with the Town and its Town Meeting to obtain land at the Arlington's recently purchased Symmes Hospital site. While this was rejected by the Town Meeting and Selectmen, the Authority reached out to the four finalist developers for consideration in their final proposal to the Arlington Redevelopment Board. The Authority continues to discuss potential new affordable housing prospects with the developer that actually won that bid.
- C. The AHA intends to continue its efforts to reach out to new developers hoping to increase its authority owned inventory of affordable housing in the community. Also, through the cooperation of the Arlington

Redevelopment Board, the AHA is attempting to purchase affordable housing units coming online through the Town's Inclusionary Zoning Bylaw. These below market purchases would insure the long term affordability of these units by the Arlington Housing Authority.

- D. The AHA has created a new non-profit organization that will be able to qualify for housing opportunities not available to local housing authorities under State Law. The officers are in the process of selecting the Board of Directors and budget plan for the year as required to qualify as a 501c3 Tax Exempt Organization.
- E. The AHA has joined with other authorities in the formation of the MassNAHRO's consolidated waiting list. To date, our second year of participation in the consolidated list program has worked very well.
- F. The Authority has recently received \$75,000 in CDBG funds to assist in the creation of more affordable housing in the community. These funds will be used to purchase new Inclusionary Zoning created units.
- G. In the 2002-2003 Annual Plan, the AHA set forth provisions to Project Base some of its vouchers in an effort to be flexible in meeting new opportunities for increasing affordable housing in Arlington. The minimum size of units to be considered was two bedrooms. In 2004, the AHA has expanded the program opportunities to include one bedroom units in proposals for project based opportunities.

3.

Project Based Section 8 (Enacted in 2002-2003 Annual Plan)

In an effort to:

- 1. Help provide a long-term solution to the current need to provide and/or preserve affordable housing in Arlington.
- 2. Meet the needs of low-income families to find suitable housing in our community at a time when landlords have not been taking less rent than market rents for Section 8 participants.
- 3. Meet HUD's established time frame for optimum lease ups.
- 4. To assist those who want or are in a position to be creative and innovative in providing suitable affordable housing to families of low-income in our community.
- 5. Maximize the utilization of Section 8 Vouchers in the community.
- 6. Assist the Town in reaching its Chapter 40B goal for affordable housing.

In accordance with the provisions and rules set forth in the Section 8 Program, the Arlington Housing hereby modifies its Annual Plan for 2002-2003 to seek project based proposals in our community according to the following:

1. To set aside up to 60 of our Section 8 Vouchers, 15 to be immediately available upon HUD approval, for project based programs in our community with the following guidelines in determining qualified participants:
 - a. Term: 10 years contingent upon HUD funding and authorization

Extension(s): The Arlington Housing Authority may contract with the owner of the project-based unit(s) to extend the term of the HAP contract for such a period it determines appropriate to achieve long-term housing opportunities or expand housing opportunities.

It is understood that all contracts and periods are contingent upon future availability of HAP contract funding by HUD.
 - b. Qualified Unit sizes: 2 bedroom, 3 bedroom, or 4 Bedroom (*Note: this provision was modified in 2004 to include 1 bedroom units*)
 - c. Maximum of family units: 15
 - d. Performance: The awarded organization(s) must meet the requirement of providing the maximum number of units within 24 months of the signing of the agreement. Failing to do so, the Arlington Housing Authority will reserve the right to end the HAP contract.
 - e. Preferences:
 - Non-profit organizations
 - Local Landlords

- Those who have demonstrated the ability to manage housing for low-income families
- Those organizations with a minimum of 1 year experience in providing housing to low-income families.
- Those businesses or organizations who propose a program that would provide a minimum of 8 units within the first year of the agreement, and commit to a maximum of 15 units within 2 years of signing the agreement with the Authority.
- Those who would offer a program that provides for a local preference to its applicants

All current tenants residing in units will continue occupancy as long as funding, and qualifications are met.

A waiting list for the chosen participant will be established by the Arlington Housing Authority and will consist of those on the existing program's waiting list and also be offered to all those who appear on the wait list of the Arlington Housing Authority.

All participants for either waiting list will be required to meet state requirements for suitability determined by the results of a CORI review.

All parties in a household, over the age of 18, on the waiting list must be subject to a CORI review.

This list will remain open.

All units will be subject to initial inspections according to HUD's Housing Quality Standards guidelines.

All units will be subject to annual inspections in accordance with HUD's Housing Quality Standards guidelines.

It is understood that any and all HUD regulations must be complied as part of the proposed agreement.
