ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

In lieu of an Executive Summary, this section is intended to serve as the Progress Report of the Middleborough Housing Authority's goals as described in the past year's Annual and Five Year Plan.

The Authority continues to focus its attention on program management including SEMAP and the issue of program utilization.

A major distraction over the past years has been the lawsuit of which the MHA is one of a group of agencies on the South Shore who are involved. This suit, which pertains to a coordinated waiting list opening, continues to drain agency resources. The Authority joined the Mass NAHRO Section 8 Centralized Waiting List opening on January 6, 2003. This has allowed the Authority the ability to issue vouchers to additional households for housing search. Our program utilization increased to our full compliment of units authorized. The Authority received responses to our Request for Proposals (RFP) for project-based assistance in accordance with the Section 8 Program through the Office of Housing and Urban Development. As a result we have provided tenant-based assistance into project-based assistance for thirty-one additional individuals as a means to increase utilization.

iii. Annual Plan Table of Contents
