## C. Criteria for Substantial Deviation and Significant Amendments

### 1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

**A. Substantial Deviation from the 5-year Plan: The Ferndale Housing Commission shall utilize the following definition in order to determine the need to proceed with a full amendment process of the Agency Plan: "Substantial deviations or significant amendments or modifications are defined as discretionary change in the plans or policies of the Housing Commission that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners".**

**B. Significant Amendment or Modification to the Annual Plan: The Ferndale Housing Commission will on a periodic basis amend this Agency Plan as a result of changing needs and goals of the agency. The final Agency Plan rule in 24CFR 903.7 (r) and PIH Notice 99-51 permits the Ferndale Housing Commission to define what constitutes a substantial deviation and/or significant amendment or modification to the Agency Plan. Should a substantial deviation and/or a significant amendment occur the Ferndale Housing Commission shall re-convene the Resident Advisory Board and publish for comment the amendments, and in addition conduct a public hearing on the proposed amendments.**
