PROGRESS ON MEETING 5-YEAR PLAN MISSION AND GOALS

The Winona HRA's initial 5-year plan identified the following goals:

- 1) Improve the Quality of Assisted Housing
 - a) Voucher Management (SEMAP Score)

The HRA's SEMAP score was increased from 88% to 92%. The HRA was able to raise its percentage of units leased to 95%.
 - b) Renovate or Modernize Public Housing Units

Eight more units at the Maplewood Townhomes are in the process of renovation. The PHA is undertaking more extensive apartment renovation during unit turnover at both Valley View tower and Belleview East to prevent the need for extensive modernization at one time.
 - c) Provide Replacement Public Housing

Three units were constructed at the Maplewood Townhomes during the past fiscal year using replacement housing factor funds and capital funds. One unit is handicapped accessible and two units are adaptable.
- 2) Provide an Improved Living Environment
 - a) Designate Developments or Buildings for Particular Resident Groups

The residents of Valley View Tower still support designating their building as senior only. However, the waiting list is small and does not support senior only occupancy at the present time. The PHA will continue to monitor the waiting list and work with its resident council to determine the best time to submit an application.

RESIDENT ASSESSMENT FOLLOW-UP PLAN

The Winona HRA scored 74.65% on the Communication component of the Resident Assessment Survey for the past fiscal year. The previous year's score on Communication was 72.6%.

Last fiscal year the HRA scored 75% or less in three components (Communication, Safety, and Neighborhood Appearance) and implemented the following changes:

- 1) The newsletter was expanded to include and be distributed to all developments instead of just to Valley View Tower.
- 2) Tenant handbooks were created for each development. Handbooks are distributed to all new tenants at move-in. An information packet has been developed for distribution to all new tenants. It contains additional information about HRA policies and services available to our residents.
- 3) Quarterly resident meetings are scheduled to rotate between developments to discuss resident and management issues.
- 4) Screening procedures are reviewed at least annually to ensure effectiveness.
- 5) The HRA's Five Year Capital Fund plan addresses landscaping improvements at all developments. Exterior renovations of the apartment buildings are underway at the Maplewood Townhomes.
- 6) The HRA is cooperating with local agencies that are willing to assist in the creation of resident councils at the Maplewood Townhomes, Belleview East, and the Schaffner Homes.

As a result of the above changes, the score for Safety increased from 71.4% to 83.9%; the score for Neighborhood Appearance increased from 69.3% to 78.8%; and the score for Communication increased from 72.6% to 74.6%.

The HRA has started to translate policies and handbooks into Hmong and Spanish to assist with its communication issues. A resident council has been established at the Maplewood Townhomes.

The HRA will continue to follow the changes implemented last year and will work with its resident councils to more effectively communicate with its residents.
