Description of Implementation of Community Service Requirement**

- Service Requirement: Each adult resident of public housing must contribute 8 hours of community service per month. This can not include political activities. The community service requirement can be completed by 8 hours of community service or participation in an economic self-sufficiency program for 8 hours each month. Or a combination of community service and economic self-sufficiency.
- Current Residents/New Residents: The St. Cloud Housing and Redevelopment Authority will provide a listing of Community Service Opportunities to all current residents. New residents will be given the listing and community service

requirements at the time they sign their lease agreement. Notice was sent to all public housing units indicating the community service opportunities, that verification by a third party of community service hours must be provided to the Housing Authority 30 days before the annual recertification of income. Residents will also be given a listing of individuals that are exempt from this requirement, and what happens if the resident fails to complete the required community service hours.

- Exempt individuals:
 1. 62 years or older
 2. Blind or disabled individual as defined under 216(i) (1) or 1614 of the Social Security Act (42 U.S.C. 416(i) (1); 1382c), and who certifies that because of this disability she or he is unable to comply with the service provisions of this subpart, **or**(ii) is a primary caretaker of such individual
 3. Engaged in work activities
 4. Meets the requirements for being exempted from having to engage in a work activity under the State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) or under any other welfare program of the State in which the PHA is located, including a State-administered welfare-to-work program
 5. Member of a family receiving assistance, benefits or services under a State program funded under Part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) or under any other welfare program of the State in which the PHA is located

- Noncompliance of community service: The St. Cloud Housing and Redevelopment Authority will conduct a determination 30 days before the end of the lease period to determine whether a resident has fully complied with the total number of hours. The Housing Authority may not review a resident's lease unless the agency enters into an agreement with the resident before the expiration of the lease period. The resident is then permitted to come into compliance with the requirement by participating in an economic self-sufficiency program or by contributing community service for as many additional hours needed to comply over the 12-month term of the lease. The St. Cloud Housing and Redevelopment Authority is required to notify residents of their noncompliance and the termination is subject to the administrative grievance procedure.

- Monitoring of Compliance: The St. Cloud Housing and Redevelopment Authority staff will monitor compliance of the community service requirement by requesting written verification of completed hours of community service or participation in self-sufficiency program. The Housing Authority will work with the various non-profit organizations to ensure adequate documentation is received.
