ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

1. Summary of Policy or Program Changes for the Upcoming Year

In this section, briefly describe changes in policies or programs discussed in last year's PHA Plan that are not covered in other sections of this Update.

Policies will be implemented to meet RHIIP and RIM requirements. Our Five Year Plan will be amended to build an addition to the existing office rather than a new office. When completed, we will have a Community Room and Laundromat for the resident's use. **The total square footage is 1520.** The plans for the addition do not require additional plumbing because the existing restrooms will be utilized and the water needed for the kitchen in the Community Room and Laundromat is already in place in the existing office which will be remodeled to accommodate the resident's requests and the addition will house the extra office space we so desperately need. We have been trying to meet the residents needs with a new building but because of funding reduction and the inflation factor, we have decided to do this addition in lieu of a new building. The property that was purchased for the new office (within our Project) will be used as green space for the time being. We have hired a new Maintenance Coordinator who has been a Contractor for the past ten years. We will be our own contractor and oversee all sub-contractors, ensuring that all Davis-Bacon requirements, City of St. Charles and Missouri statutes are met.

<p>A new building is no longer an option for the HA so we have opted for an addition to the existing office building to accommodate the resident's wishes for a Community Room and Laundromat. \$75,000.00 of the 2003 CF will be allocated for the first phase of the addition. Our Maintenance Coordinator is an experienced carpenter and contractor. He will do the finish work and we will contract out the foundation, electrical, heat, A/C and roof. Architect, permits and materials are included in this amount. Once the addition is completed, existing desks will be moved to the finished offices in the new addition and 2004 and 2005 CF will be used to complete the Community Room with kitchen and Laundromat. This eliminates excessive plumbing costs by utilizing existing plumbing. \$12,000.00 of the CF will support the Y4U in 2004 and the remainder will be allocated to operations or management improvements.</p>

1. Yes No: Does the PHA governing board include at least one member who is directly assisted by the PHA this year? (if no, skip to #2)

B. How was the resident board member selected: (select one)?

2. A. If the PHA governing board does not have at least one member who is directly assisted by the PHA, why not?

- the PHA has less than 300 public housing units, has provided reasonable notice to the resident advisory board of the opportunity to serve on the governing board, and has not been notified by any resident of their interest to participate in the Board.

Other (explain): **In July of 2002 I wrote to the Mayor enclosing the one response I had received from my letter to the residents stating that our Resident Board Member was moving and I was seeking another resident to sit on the Board. The only response I received was from a city employee and because of his job, could not be a Commissioner. Mayor York appointed another Commissioner. When our Vice Chairman was due to be re-appointed at the end of 2002, I informed the mayor that I had sent letters to residents once again. Required Attachment ___F___: Comments from Residents

The residents are still asking for a Community Room and a Laundromat. We were unable to build a new facility so will accommodate their wishes by adding on to the existing office building. We will be using the greater portion of our Capital Funding to build the addition. We currently use our Boardroom (that has already been downsized to accommodate an office for our Homeownership Coordinator) for all of our meetings, trainings and GED classes. With a Community Room, residents will be able to meet there for classes and trainings. They will also be able to use it for family gatherings.
