BRIEF STATEMENT OF PROGRESS
NEVADA HOUSING AUTHORITY

The Housing Authority of the City of Nevada, Mo is required to submit a brief statement of its progress in meeting the missions and goals as outlined in the 5-year plan.

A “Pet Policy” was implemented and is now in effect for both housing complexes under its jurisdiction. (Chapman Estates and Fairground Estates)

The “Community Service Policy” is in place and was effective January 1, 2001.

Our Mission remains the same: To promote decent, affordable housing, economic opportunities and a suitable living environment free from discrimination.

Our Goals to reduce vacancies in Public Housing and to improve our PHAS score, is to improve the turn around time for readying units to rent and decrease the time in which it takes to lease up a vacant unit, through improved customer satisfaction.

The PHA continues to improve the Goal of the Public Housing Security. Global Security Solutions continues to patrol the ground for both the elderly and family housing complexes and has since May 1, 2001.

The PHA continues to encourage all residents to participate in self-sufficiency programs offered by the Division of Family Services, by encouraging participation through continued education or employment.

We will continue with our objectives to apply our limited resources in an efficient productive manner to be sure that we are contributing to the quality of our community. We will continue to maintain program fiscal integrity through oversight and intervention by employing result-oriented personnel. We will continue to seek out problem solving partnerships, with residents, community and local government and to recognize our residents as our ultimate customers.
