Another goal for the PHA is to reduce vacancies...we have advertised in the local newspaper that covers three counties, and are advertising on KNLV, a local radio station. After surveys indicated that many applicants are interested in renting a two-bedroom apartment, the PHA has contacted an architect to design two two-bedroom apartments from three one-bedroom apartments. The two bedroom apartments lease up very rapidly, and it is felt that this would be a way to address vacancies.

Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The Burwell Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing & Work Responsibility Act of 1998 and the ensuing Hud requirements. We have adopted the following mission statement to guide the activities of the Burwell Housing Authority.

The mission of the Burwell Housing Authority is to be the area's affordable housing of choice. We provide and maintain safe, quality housing in a cost-effective manner. By partnering with others, we offer rental assistance and other related services to our community in a non-discriminatory manner.

1. Statement of Housing Needs [24 CFR Part 903.12 (b), 903.7(a)]

A. Housing Needs of Families on the Public Housing and Section 8 Tenant- Based Assistance Waiting Lists

State the housing needs of the families on the PHA's waiting list/s. **Complete one table for each type of PHA-wide waiting list administered by the PHA.** PHAs may provide separate tables for site-based or sub-jurisdictional public housing waiting lists at their option.

While we are constantly taking applications, and have some folks on our "wait" list, many times they find other housing, move out of the community, or are just not ready to move, yet. (The elderly are especially prone to wanting to be on the wait list, but are not ready to leave their homes....many end up going to the nursing home or assisted living.) We have also found that many prospective tenants (elderly) would like nicer apartments (new cabinets, etc) and larger apartments (2 bedroom preferred), so we are taking steps to address that problem, by combining 3 - one bedroom apartments to make 2 - two bedroom apartments.

B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations....although the PHA has vacancies, there is a shortage of 2 bedroom apartments...all of the two bedroom family houses are leased up...many elderly who own their own homes are not ready to move into a one bedroom apartment...it is predicted that there will be a serious need for affordable housing for young adults on disability in the next few years, and we are studying that situation.

Strategy 1: Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

Need: Specific Family Types: Families at or below 30% of median
