ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Town's Section 8 programs were established in 1976 under State legislation.

In 1976, the Town's Section 8 program received its first approved Annual Contributions Contract under the Section 8 Existing Housing Assistance Payment Program. The Town currently administers the following programs:

- Section 8 Housing Choice Voucher Program

Pursuant to Section 511 of the Quality Housing and Work Responsibility Act (QWHRA) the Town of Union has prepared both five-year and annual plans governing the operation of the Section 8 programs. Since the Town operates Section 8 only, there are relatively few new initiatives outlined in these plans.

Prior to the Public Hearing held on September 17, 2003, the Town prepared and distributed a newsletter to all current program participants and applicants on the waiting list (approximately 639), and all landlords. The Town issues newsletters several times per year in an attempt to keep landlords and tenants up to date on emerging issues affecting the Housing Choice Voucher program. The newsletter is also used to provide notice about public hearings to solicit comments prior to the preparation of the draft annual plan as well as comments regarding the proposed plan. In addition to the newsletter, the Town also placed a notice in the local newspaper on August 15, 2003 announcing the Public Hearing and requesting written comments about the proposed program changes.

The Town Board also afforded a second public comment opportunity on October 1, 2003 prior to adoption of the plan.

There are a number of issues of concern for the coming program year. First and foremost is a directive by Congress, which the Town believes to be illegal, that unilaterally breaches longstanding contracts by retroactively seizing Town Administrative Fee Reserve funds that have been previously earmarked for housing related activities. Another issue is the recapture of funding authority. As part of a SEMAP correction plan, during the past 10 months the Town has focused intensely on increasing the number of units under lease. From January 1, 2003 through October 1, 2003 the number of units lease has risen from 404 to 462. The Town anticipates that this number could reach the required 95% benchmark (496) by the end of December if funding commitments remain at current levels.

ii. Executive Summary of the Annual PHA Plan

The mission for the Public Housing Agency is to provide for a wide variety of living environments for all socioeconomic groups in the population. The PHA Plan and the Town of Union Consolidated Plan are completely compatible. The Consolidated Plan includes several programs that will benefit the Section 8 participants, directly or indirectly.

The Annual Plan identifies the housing needs, especially the housing needs of the extremely low income, very low income and low-income residents of the Town of Union. One of the largest housing needs is affordability and quality of rental housing units. The Section 8 Rental Assistance Program reduces affordability issues by providing direct financial assistance to reduce the cost burden. It is proposed to increase the number of people that can be assisted by applying for additional Section 8 assistance. Improvement to the administrative practices of the Section 8 staff will increase people's ability to utilize the existing vouchers when they become available. The Town has worked with local non-profit organizations to purchase vacant school buildings for adaptive re-use as senior citizen housing. The Town has previously earmarked \$150,000 in Section 8 Administrative Fee reserve funds for SEPP, Inc. to purchase a school in Johnson City for conversion to Section 8 eligible rental units. The acquisition phase is scheduled to be completed by the end of the first quarter of 2004.

The Town of Union looks at homeownership as the preferred form of tenure. As such, the Town has committed CDBG, HOME funds (when received from New York State) and Section 8 Administrative Fee Reserve funds towards providing direct financial assistance for first time homebuyers.

The Town seeks to encourage participants to work. The Town has included the Administrative Plan amendment to eliminate interim recertifications for increases in income. The HUD requirement to target 75% of new participants to families at or below 30% of AFI makes the ranking system inappropriate. Applicants are currently taken from the Waiting List on a first come/first served basis. The Town will reinstitute a local preference system, effective January 1, 2004.

Attachment B

C. Strategy for Addressing Needs Narrative

The Town of Union Planning Department is the designated Public Housing Agency for the Town of Union. The Planning Department administers the housing and Community Development Block Grant programs for the Town. The Planning Department recently completed the Town of Union Consolidated Plan Fiscal Years 2000 to 2004. The combination of the two functions provides an ease of compatibility and complimentary actions that usually is not found in separate and distinct agencies.

The staffing problems and most of the computer related problems have been resolved. The Town has made progress in taking applicants from the Waiting List and placing them on the program, however, due to an unprecedented number of tenants leaving the program, the program utilization has not increased as rapidly as projected. At the beginning of 2003 there were 404 program participants. As of October 1, 2003 that number has risen to 462.

The FSS program had been slowed by a number of problems. The Town FSS Administrator resigned during 1998 leaving many of the participants in limbo. To avoid similar problems in the future, the Town outsourced the FSS administration to the Board of Cooperative Educational Services, BOCES. BOCES provides vocational training and support services to children and adults. The trained personnel are able to offer a wide range of services for the FSS participants. Much of 1999 and 2000 was spent working with the FSS participants who were already under Contract of Participation. Due to a demonstrated lack of success with the FSS program, the Town elected to not renew its contract with BOCES to run the FSS program. Many of the functions of the FSS program are now being successfully carried out by the Broome County Department of Social Services, which recently opened a 10,000 square foot Family Self Sufficiency facility. There is no longer a need for the Town to unnecessarily duplicate the efforts of the County. Shared clientele will be referred to the County for Self Sufficiency counseling. HUD granted a three-year waiver for operation of the FSS program in December of 2001. The waiver expires on December 31, 2003 at which time the Town intends to request a permanent waiver.

The Town of Union has as a priority that homeownership is the preferred form of housing tenure. The Town has focused attention on providing assistance to first time homebuyers. The Town uses Section 8 Administrative Fee Reserve, CDBG and HOME (when received from New York State) funds to assist first time homebuyers.

Attachment C

3. PHA Policies Governing Eligibility, Selection and Admissions Narrative

The Town does not currently apply a system of preferences for the Waiting List. However, the Town intends to reestablish a local preference system effective January 1, 2004. At the present time, applications are treated on a first come/first served basis, as applicable under the income target requirements of the program.

Attachment D

5. Operations and Management Narrative

There are no changes to the Town's administrative policies or management practices included in this Annual Plan (other than those discussed relating to the FSS program and Homeownership Program). The Town recently completed an update of its Administrative Plan. A copy of the plan was forwarded to HUD.

Attachment E

11. Homeownership Programs Administered by the PHA Narrative

Due to staffing constraints, the Town of Union does not intend to operate a Section 8 Homeownership program.
