This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

I, Joe Anderson, Executive Director of the Commerce Housing Authority certify that we have

- (a) Reviewed the development's operation as public housing;
 - (b) Considered the implication of converting the public housing to tenant based assistance; and

 - (a) Conversion would not be more expensive than continuing operation as public housing;
 - (b) Principally benefit the residents of the public housing development to be converted and the community; and
 - (c) Not adversely affect the availability of affordable housing in the community.
 - (2) Inappropriate because removal of the development would not meet the necessary conditions for voluntary conversion because:
 - (a) Conversion would be more expensive than continuing operation as public housing;
 - (b) Conversion would not principally benefit the residents of the public housing development and community; and
 - (c) Conversion would adversely affect the availability of affordable housing in the community.
