ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 ®]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Our public housing program continues to provide the community with quality housing for the elderly and disabled even at a time of uncertainty in our funding sources. The conditions of our buildings and properties surpass the industry standard due to strong planning and prudent use of our modernization funds. We continue to grow our innovative Help at Home program for this population creating partnerships within the community to connect our residents with the resources they need in order for them to remain in independent living.

Administrating 278 vouchers through the Section 8 program, we maintain our 100% lease up rate overcoming deterrents of tight rental markets, increasing rents, and lack of physical resources. We will continue to provide our voluntary Family Self Sufficiency program and the continuation of our Section 8 Homeownership program.

We must continue to seek avenues to offset the decrease we experience in our subsidies. We will look to be entrepreneurial to seek out additional grant opportunities and funding resources to support our mission and continue with our level of commitment to the quality of services we are able to provide to this community.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

- Continue to maintain 100% lease up rate
 - Hold a Landlord Fair – increase the awareness of HUD's Section 8 program and the many benefits
 - Increase partnerships with other community agencies servicing same clientele
- Unit Turnarounds
 - Due to the age of our current residents (over 40% of residents are over the age of 80), we anticipate an increase in vacancies over the next few years. We are beginning now to implement better standardized procedures for the occupancy cycle (from time PHA is notified of intent to vacate to the time "keys" are given for new lease up) so we can be best prepared to maintain the industry standard of 20 days.
- Continue to seek resources, both physical and financial, to increase the supply of affordable housing

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration; additionally marketing to take place in local newspapers, schools, churches, and day cares
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
