## **Executive Summary (optional)**

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The Sevierville Housing Authority has completed this Agency Plan in consultation with SHA residents and the local communities. The Plan was discussed with the Resident Advisory Board on August 26, 2003. The public was afforded an opportunity to review the plan and offer comments at a public hearing held on October 14, 2003. The Annual Agency Plan is summarized as follows:

1. Housing Needs

The SHA's current waiting list is excessive and the demand for public housing (403) is evident. The greatest demand is for small to medium size bedroom units (1, 2 and 3 bedroom units).

2. Financial Resources

The SHA expects to expend approximately \$1,574,400 in the year 2004 for operations, capital improvements and administrative costs.

3. Eligibility, Selection and Admission Policies

The SHA has revised its standard operating policies to comply with the requirements of the QHWRA through regulations published in the Federal Register on March 29, 2000. These policies will continue to be updated as HUD issues further guidance.

As required under this section of the plan and by regulation published in PIH Notice 2001-4, the SHA has reviewed its developments relative to income. The SHA has determined that they do not have a problem with concentration of high or low-income families. Further, the SHA has revised their admission policies to assure that a concentration does not occur in the future.

4. Rent Determination-Discretionary Policy

The SHA's adopted discretionary rent policies include:

- ☺ Flat Rents
- ☺ \$46.00 minimum rent for Public Housing

5. Capital Improvements

The SHA's projected funding under the Capital Fund Program is \$344,851. The focus for the 2004 program year is to repair flooring, complete

replacement of retaining walls and guardrails and perform MMC building improvements in Development TN063-002; repair flooring and install storage sheds in Development TN063-004 and complete exterior painting, replace appliances, perform brick and foundation repairs and install storage sheds in Development TN063-005.

6. Demolition and/or Disposition

The SHA has no current plans for any demolition or disposition.

7. Homeownership

The SHA has no current plans to develop a Homeownership Program.

8. Civil Rights Certification

The SHA has included the required certification regarding Fair Housing and Civil Rights in this Plan.
