ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Housing Authority of the City of Harlingen has prepared this Annual PHA Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

The purpose of the Annual Plan is to provide a framework for local accountability and an easily identifiable source by which public housing residents, participants in the tenant-based assistance program and other members of the public may locate basic PHA policies, rules and requirements related to the operations, programs and services of the agency.

The Mission Statement and the Goals and Objectives were based on information contained in our jurisdiction's Consolidated Plan and will assure that our residents will receive the best customer service.

Excellent customer service and fulfillment of the Mission Statement and Goals and Objectives is ensured by implementation of a series of policies that are on display with this Plan. The Admissions and Occupancy Policy and Section 8 Administrative Plan are the two primary policies on display. These important documents cover the public housing tenant selection and assignment plan, outreach services, PHA's responsibility to Section 8 owners/landlords, grievance procedures, etc.

The most important challenges to be met by the Housing Authority of the City of Harlingen during FY 2004 include:

- *Preserve and improve the public housing stock through the Capital Funds activities;*
- *Involve the public housing residents and the Section 8 participants through the Annual Plan Resident Advisory Board;*

- *Train staff and commissioners to fully understand and take advantage of opportunities in the new law and regulations to better serve our residents and the community; and*
- *Identify, develop and leverage services to enable low-income families to become self-sufficient.*

In closing, this Annual PHA Plan exemplifies the commitment of the Housing Authority of the City of Harlingen to meet the housing needs of the full range of low-income residents. The Housing Authority of the City of Harlingen, in partnership with agencies from all levels of government, the business community, non-profit community groups, and residents will use this plan as a road map to reach the “higher quality of life” destination for the City of Harlingen

(from Consolidated Plan 2000-2005)

2. The PHA's ***tenant counseling and other resident empowerment initiatives*** such as the ***Residence Opportunity for Self Sufficiency program*** (formerly known as the family self-sufficiency program) are ongoing and very successful. The public housing facilities for families have resident management councils through which residents become involved in decisions affecting their public housing units.

- Other: (list below)

3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The City of Harlingen's collaborative efforts with the residents of the Housing Authority during the One-Year Action Plan process included the preparation and posting of Public Hearing Notices at each of the five (5) Housing Authority sites. The outcome of the public hearings reflected that there is continued need for funding of Youth Service activities at each of the Housing Authority satellite unit.

- *Based on this need, the City continues to funding supportive services consisting of Youth Educational and Recreational Services. The Community Development Block Grant Program (CDBG) of the City of Harlingen has been contributing \$90,000 per year to the Boys and Girl's facilities that serve the following developments: LeMoyne Grdens, Bonita Plark, Sunset Terrace, and Los Vecinos.*
- *The Community Adjustment and Placement Program of the City of Harlingen has been providing job training programs for persons displaced by the closing of large clothing manufacturing plants (Levi-Strauss and Fruit of the Loom). Some of the public housing residents worked in those plants and participated in the training.*
- *The City of Harlingen provides funding for Loaves and Fishes, a program that provides meals and job training for persons in the community, which includes a number of public housing residents.*
- *The City of Harlingen and Harlingen Consolidated Independent School District coordinate Dentists Who Care, a program providing dental examinations and treatment for children from low income families. Many of the participants are children in public housing.*

The HOME Program administered by the Harlingen Community Development Corporation (HCDC), provides down payment and closing cost assistance to qualifying Homebuyers. HCDC continues to advise and encourage the Housing Authority administrators to refer potential homebuyers presently residing in low rent housing. The HCDC purchased twenty-four (24) properties and either rehabilitated or razed and built new homes which it sold to low income families. This has enabled ten (10) public housing families to move from the Low Rent or Section 8 programs and become home owners.

- *The Federal Home Loan Bank, through Alamo Bank, provided \$100,000 to be used to assist first time home owners with financial assistance in amounts up to \$5,000 each. This effort has been coordinated with the PHA FSS/ROSS program, the City of Harlingen Planning Department and the Harlingen Community*

Development Corporation to have twelve (12) families become homeowners and move from the Low Rent or Section 8 program into homeownership.
