ATTACHMENT “C”: **PET POLICY**

A resident of a dwelling unit in public housing may own 1 or more common household pets or have such pets present in the dwelling unit. Allowance of pets is subject to reasonable requirements of the PHA. The Edcouch Housing Authority (herein referred to as PHA) notifies eligible new residents of that right and provides them copies of the PHA's Pet Ownership Rules. To obtain permission, pet owners must agree to abide by those Rules. In consulting with residents currently living in the PHA's developments, the PHA will notify all such residents that:

A. all residents are permitted to own and keep common domesticated household pets, such as a cat, dog, bird, and fish, in their dwelling units, in accordance with PHA pet ownership rules;

B. The non-refundable nominal pet fee is intended to cover the reasonable operating costs to the development. The refundable pet deposit is intended to cover additional costs not otherwise covered (i.e., fumigation of a unit);

B. animals that are used to assist the disabled are excluded from the size and weight and type requirements pertaining to ownership of service animals; however, they will be required to assure that proper licensing, inoculations, leash restraints, etc. are observed;

C. residents may request a copy of the PHA's pet ownership rules or proposed amendments to the rules at any time; and,

D. if the dwelling lease of a resident prohibits pet ownership, the resident may request that the lease be amended to permit pet ownership, in accordance with the PHA's pet ownership rules shown below;

E. Section 31 does not alter, in any way, the regulations applicable to Federally assisted housing for the elderly and persons with disabilities found at Section 227 of the Housing and Urban-Rural Recovery Act of 1983 and located in 24 CFR part 5, subpart C.

F. New Section 960.705 of 24 CFR clarifies that the regulations added in Section 31 do not apply to service animals that assist persons with disabilities. This exclusion applies to both service animals that reside in public housing and service animals that visit PHA developments. Nothing in this rule limits or impairs the rights of persons with disabilities, authorizes PHAs to limit or impair the rights of persons with disabilities, or affects any authority PHAs may have to regulate service animals that assist persons with disabilities.

EDCOUCH HOUSING AUTHORITY

Pet Ownership Rules for Families

1. Common household pet means a domesticated cat, dog, bird, gerbil, hamster, Guinea pig and fish in aquariums. Reptiles of any kind, with the exception of small turtles or in a terrarium, as well as mice and rats are prohibited. These definitions do not include any wild animal, bird or fish.

2. Each household shall have only one pet (except fish or birds). The limit for birds is two (2).

*3. The pet owner shall have only a small cat or a dog. The animal's weight shall not exceed 20 pounds. The animal's height shall not exceed fifteen inches. Such limitations do not apply to a **service animal** used to assist a disabled resident. 4. Pet owners shall license their pets yearly with the City of Edcouch, Texas or as required. The pet owner must show the PHA proof of rabies and distemper booster inoculations and licensing annually.*

5. No pet owner shall keep a pet in violation of State or local health or humane laws or ordinances. Any failure of these pet ownership rules to contain other applicable State or local laws or ordinances does not relieve the pet owner of the responsibility for complying with such requirements.

6. The pet owner shall have his or her cat or dog spayed or neutered and shall pay the cost thereof. A veterinarian shall verify that the spaying or neutering has been accomplished.

7. The pet owner shall house the pet inside the pet owner's dwelling unit. The pet owner shall keep a cat or a dog on a leash and shall control the animal when it is taken out of the dwelling unit for any purpose. The owner of a bird(s) shall confine them to a cage at all times. No pet owner shall allow his or her pet to be unleashed or loose outside the pet owner's dwelling unit. 8. No resident shall keep, raise, train, breed or maintain any pet of any kind at any

location, either inside or outside the dwelling unit, for any commercial purpose.

9. No pet owner shall keep a vicious or intimidating pet on the premises. If the pet owner declines, delays or refuses to remove such a pet from the premises, the PHA shall do so, in order to safeguard the health and welfare of other residents.
 10. No pet owner shall permit his or her pet to disturb, interfere or diminish the peaceful enjoyment of the pet owner's neighbors or other residents. The terms "disturb, interfere or diminish" shall include but not be limited to barking, howling, biting, scratching, chirping and other activities of a disturbing nature. If the pet owner declines, delays or refuses to remove the pet from the premises, the PHA shall do so.
 11. The owner of a cat shall feed the animal at least once per day; provide a litter box inside the dwelling unit; clean the litter box at least every two (2) days; and take the animal to a veterinarian at least once per year. The pet owner shall not permit refuse from the litter box to accumulate or to become unsanitary or unsightly, and shall dispose of such droppings by placing them in a sack in a designated container outside the building where the pet owner lives.
 12. The owner of a dog shall feed the animal at least once per day; take the animal for a walk at least twice per day; remove the animals droppings at least twice per day; and take the animal to a veterinarian at least once per year.  13. The pet owner shall take the precautions and measures necessary to eliminate pet odors within and around the dwelling unit, and shall maintain the dwelling unit in a sanitary condition at all times, as determined by the PHA.
 14. No pet owner shall alter the dwelling unit or the surrounding premises to create a space, hole, container or enclosure for any pet.
 15. PHA staff shall enter a dwelling unit where a pet has been left untended for twenty-four (24) hours, remove the pet and transfer it to the proper local authorities, subject to any provisions of State or local law or ordinances in this regard. The PHA shall accept no responsibility for the pet under such circumstances.
 16. Each pet owner shall pay a non-refundable pet fee of \$ 350.00 and a refundable pet deposit of \$ 150.00 . A refundable deposit of \$ -0- will be charged for aquariums. The pet fee/deposit is not part of the rent payable by the pet owner, and is in addition to any other financial obligation generally imposed on residents of the development where the pet owner lives. The PHA shall use the non-refundable pet fee only to pay reasonable expenses directly attributable to the presence of the pet in the development, including, but not limited to the cost of repairs and replacements to, and the fumigation of, the pet owner's dwelling unit. The refundable deposit will be used, if appropriate, to correct damages caused by the presence of the pet. The refundable pet deposit will be placed in an escrow account and the PHA will refund the unused portion, plus any accrued interest, to the resident within thirty (30) days after the pet owner moves from the dwelling unit or no longer owns or keeps a pet in the dwelling unit.
 17. All residents are prohibited from feeding, housing or caring for stray animals or birds. Such action shall constitute having a pet without permission of the PHA.
 18. Each pet owner shall identify an alternate custodian for his or her pet. If the pet owner is ill or absent from the dwelling unit and unable to care for his or her pet, the alternate custodian shall assume responsibility for the care and keeping of the pet, including, if necessary, the removal of the pet from PHA premises.

ATTACHMENT “D”: EXECUTIVE SUMMARY

The City of Edcouch Housing Authority has prepared this Annual Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and IIUD requirements.

The purpose of the Annual Plan is to provide a framework for local accountability and easily identifiable source by which public housing residents, tenant based program participants and other members of the public may locate basic PHA policies, rules and requirements related to the operations, programs and services of the agency.

The Goals and Objectives and the Mission Statement were based on information contained in our jurisdiction’s Consolidated Plan and will assure that our residents will receive the best customer service.

Excellent customer service and fulfillment of the Goals and Objectives and the Mission Statement is ensured by the implementation of a series of polices in the Admissions and Occupancy Policy and Section 8 Administrative Plan, Which are the two primary policies on display.

The most important challenges to be met by the City of Edcouch Housing Authority during the FY 2004 include:

- ❖ Preserve and improve the public housing stock,*
- ❖ Involved the public housing residents and the Section 8 participants through the Annual Plan Resident Advisory Board*
- ❖ Train staff and commissioners to fully understand and take advantage of opportunities to better serve our residents and the community.*

In closing, the Annual Plan represents the commitment of the City of Edcouch Housing Authority to meet the housing needs of all low-income residents. The City of Edcouch Housing Authority, in partnership with agencies from all levels of government, the business community, non-profit community groups, and residents will use this plan as a road map to reach the “higher quality of life” destination for the City of Edcouch.
