ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

This is the fifth Bellingham Housing Authority Agency Plan. This plan describes the programs, policies, and practices that BHA will carry out in its Fiscal Year beginning October 1, 2004. In general BHA will continue the same course of action that has proved successful over the last decade in meeting the needs of residents and the community, within the limits of available resources. BHA will continue to focus on its mission and Agency Goals (set forth above), stressing sound property management, maintenance and Section 8 administration. BHA will also continue its successful development of additional affordable housing developments and work with other community partners to address the critical shortage of affordable housing in Bellingham.

The Quality Housing and Work Responsibility Act of 1998 ("QHWRA") requires BHA to make some adjustments in its policies and practices, as shown in the Admission and Occupancy Policies for public housing and the Section 8 Administrative Plan. The required changes have all been imposed by new regulation, with the exception of increasing the eligible income limit to 80% of median income for families applying for the Section 8 Voucher program and Project-Based Section 8 Vouchers. These two exceptions will help to serve more eligible families and increase housing choice for eligible families.

The BHA Board of Commissioners invites comments from residents and the community through the Agency Plan's public notice and hearing process.

(3) Search Time

- a. Yes No: Does the PHA give extensions on standard 60-day period to search for a unit?

If yes, state circumstances below:

The initial term of the voucher will be 60 days and will be stated on the Housing Choice Voucher.

The Housing Authority may grant one or more extensions of the term, but the initial term plus any extensions will not exceed 120 calendar days from the initial date of issuance without an extraordinary reason. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. An Extension Request form and a form for recording search efforts will be included in the family's briefing packet. If the family

documents their efforts and additional time can reasonably be expected to result in success, the Housing Authority will grant the length of request sought by the family or 60 days, whichever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Authority will grant an extension allowing the family the full 120 days search time.

Upon submittal of a completed Request for Tenancy Approval, the Bellingham Housing Authority will suspend the term of the voucher. The term will be in suspension until the date the Housing Authority provides notice that the request has been approved or denied. This policy allows families the full term (60 days, or more with extensions) to find a unit, not penalizing them for the period during which the Housing Authority is taking action on their request. A family may submit a second request for approval of tenancy before the Housing Authority finalizes action on the first request. In this case the suspension will last from the date of the first submittal through the Housing Authority's action on the second submittal. No more than two requests will be concurrently considered.

(4) Admissions Preferences

4. Fifteen (15) families who have been displaced by domestic violence. An applicant is involuntarily displaced if:
 - i) The applicant has vacated a housing unit because of domestic violence; or

 - i) The housing authority shall determine that the domestic violence occurred recently or is of a continuing nature; and

ADMISSIONS AND CONTINUED OCCUPANCY POLICY

This Admissions and Continued Occupancy Policy defines the Bellingham Housing Authority/Whatcom County Housing Authority's (BHA/WCHA) policies for the operation for the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1.0 FAIR HOUSING

It is the policy of the BHA/WCHA to fully comply with all Federal, State and local nondiscrimination laws, the Americans with Disabilities Act, and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The BHA/WCHA shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the BHA/WCHA's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the BHA/WCHA will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the BHA/WCHA office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The BHA/WCHA will assist any family that believes they have suffered illegal discrimination by providing them copies of the appropriate housing discrimination forms. The BHA/WCHA will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

2.0 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the BHA/WCHA housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for persons with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the BHA/WCHA will follow in

determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the BHA/WCHA will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 COMMUNICATION

Notifications of reexamination, inspection, appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

- A. Is the requestor a person with disabilities? For this purpose, the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the BHA/WCHA will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the BHA/WCHA will obtain documentation that the requested accommodation is needed due to the disability. The BHA/WCHA will not inquire as to the nature of the disability.

- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:

1. Would the accommodation constitute a fundamental alteration? The BHA/WCHA's business is housing. If the request would alter the fundamental business that the BHA/WCHA conducts, that would not be reasonable. For instance, the BHA/WCHA would deny a request to have the BHA/WCHA do grocery shopping for a person with disabilities.

2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the BHA/WCHA may request a meeting with the individual to investigate and consider equally effective alternatives.
- D. Generally, the individual knows best what it is they need; however, the BHA/WCHA retains the right to be shown how the requested accommodation enables the individual to access or use the BHA/WCHA's programs or services.

If more than one accommodation is equally effective in providing access to the BHA/WCHA's programs and services, the BHA/WCHA retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the BHA/WCHA if there is no one else willing to pay for the modifications. If another party pays for the modification, the BHA/WCHA will seek to have the same entity pay for any restoration costs.

If the tenant requests, as a reasonable accommodation, that they be permitted to make physical modifications at their own expense, the BHA/WCHA will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e. allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc. Provisions for reasonable accommodation requests that are temporary in duration will be reviewed annually.

3.0 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND RESIDENTS

The BHA/WCHA will endeavor to have bilingual staff or access to people who speak languages other than English in order to assist non-English speaking families. Current staff resources permit assistance to non-English speaking families in Spanish and Russian and will consider providing translation of housing authority documents into Spanish and Russian upon request by an applicant or tenant.

In determining whether it is feasible to translate documents into other languages, the BHA/WCHA will consider the following factors:

Estimated cost to the BHA/WCHA per client of translation of English written documents into other languages.

Evaluation of the need for translation by the bi-lingual staff and by agencies that work with the non-English speaking clients.

The availability of local organizations to provide translation services to non-English speaking families.

If any person or family elects to use their own translator for the purpose of translating documents, the translator must be at least 18 years

4.0 FAMILY OUTREACH

The BHA/WCHA will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers; the BHA/WCHA will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The BHA/WCHA will also try to utilize public service announcements.

The BHA/WCHA will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 REQUIRED POSTINGS

In each of its offices, the BHA/WCHA will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy
- B. Notice of the status of the waiting list (opened or closed)
- C. A listing of all the developments by name, address, number of units, units designed with special accommodations, address of all project offices, office hours, telephone numbers, TDD numbers, and Resident Facilities and operation hours
- D. Income Limits for Admission
- E. Current Schedule of Routine Maintenance Charges
- F. Dwelling Lease
- G. Grievance Procedure
- H. Fair Housing Poster
- I. Equal Opportunity in Employment Poster
- J. Any current BHA/WCHA Notices

7.0 TAKING APPLICATIONS

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at:

208 Unity Street, Lower Level, Bellingham, Washington,

Applications are taken to compile a waiting list. Due to the demand for housing in the BHA/WCHA jurisdiction, the BHA/WCHA may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the BHA/WCHA will verify the information.

Applications may be made during regular business hours. Applications will be mailed to interested families upon request.

The completed application will be dated and time-stamped upon its return to the BHA/WCHA.

Persons with disabilities who require a reasonable accommodation in completing an application may call the BHA/WCHA to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is (360) 676-2140.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information establishing any preferences to which they may be entitled. This first phase results in the family's placement on the waiting list.

Upon receipt of the family's pre-application, the BHA/WCHA will make a preliminary determination of eligibility. The BHA/WCHA will notify the family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the BHA/WCHA determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may, at any time, report changes in his or her applicant status, including changes in family composition, income, or preference factors. The BHA/WCHA will annotate the applicant's file and will update his or her place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The BHA/WCHA will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

8.0 ELIGIBILITY FOR ADMISSION

8.1 INTRODUCTION

There are five eligibility requirements for admission to public housing: (1) qualifies as a family, (2) has an income within the income limits, (3) meets citizenship/eligible immigrant criteria, (4) provides documentation of Social Security numbers, and (5) signs consent authorization documents. In addition to the eligibility criteria, families must also meet the BHA/WCHA screening criteria in order to be admitted to public housing.

8.2 ELIGIBILITY CRITERIA

A. Family Status

1. **Eligible Alien.** An alien who is a resident of the United States and who meets at least one (1) of the criteria as defined in 24 CFR 812.2.
2. **Eligible Family.** A Family whose annual income meets the income limits of extremely low, very-low, and low income as defined as below 30%, between 30% and 50%, and between 50% and 80% of area median income as defined by the Department of Housing and Urban Development.
3. **Family.** A Family can consist of any of the following:
 - a. Single persons, with no children, who are pregnant as verified by a licensed physician.
 - 1) If the pregnancy is terminated prior to admission, the applicant is no longer considered a Family.
 - 2) If the pregnancy is terminated after admission, the single person would still be eligible as the remaining member of a tenant family.
 - b. Single persons, with no children, who are in the process of obtaining legal custody of a person under eighteen (18) years of age.
 - 1) There must be reasonable likelihood of the success of obtaining custody at the time of an offer of housing. If there is not a “reasonable likelihood” of success, but the applicant is still attempting to obtain custody, the applicant would not be housed, but could maintain the position on the waiting list until such time as custody is either secured or denied.
 - 2) If custody is denied after admission, the single person would still be eligible as the remaining member of a tenant family.
 - c. A single person who otherwise qualified, provided that the HUD Field Office Director has authorized such admissions due to excessive vacancies and a shortage of applicants, other than single persons.

- d. A single person displaced by government action or as a result of a disaster declared or otherwise formally recognized under Federal disaster relief laws.
 - e. A single person who is the remaining member of a tenant family.
 - f. An Elderly Family as defined in this section.
 - g. Two (2) or more persons related by blood, marriage, or operation of law, with the following clarifications:
 - 1) At least one family member must be a dependent child under the age of 18.
 - 2) There can also be other unrelated persons living in the household, such as foster children, if it is determined that the unit will not be overcrowded.
 - 3) Persons residing with a Family to permit the employment of a sole wage earner, or solely because the person is essential to the care of a family member, shall not be considered a family member when determining eligibility at admission or for continued occupancy.
 - 4) Children are considered family members if they either currently reside, or it can be reasonably anticipated that they will reside, with the Family.
 - 5) The temporary absence of a child from the home due to placement in foster care shall not be considered in determining family composition and family size.
4. **Full-time Student.** A person who is enrolled in a certified educational institution and is considered a full-time student under the standards and practices of the institution attended.
5. **Handicapped Assistance Expenses.** Reasonable expenses that are anticipated, during the period for which Annual Income is computed, for attendant care and auxiliary apparatus for a Handicapped or Disabled Family Member and that are necessary to enable a Family Member

6. **Handicapped Person.** A person having physical or mental impairment (1) which is expected to be of long-continued and indefinite duration; (2) which substantially impedes that person's ability to live independently, and (3) which is of such nature that the ability to live independently would be substantially improved by more suitable housing conditions such as those provided by the Program.
7. **Head of Family.** That member of the Family who is actually looked to, and held accountable for, the Family's needs and who is at least 18 years of age.
8. **Homeless.** Lacking a fixed, regular, adequate nighttime residence OR have a primary nighttime residence that is a supervised public/private shelter providing temporary accommodations, or an institution providing temporary residence for individuals intended to be institutionalized, or a public/private place not ordinarily used as a sleeping accommodation. Does not include any individual imprisoned or detained pursuant to State law or an act of Congress.

B. Income eligibility

1. Income limits apply only at admission and are not applicable for continued occupancy.
2. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the BHA/WCHA.
3. If the BHA/WCHA acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing tenants.
4. Income limit restrictions do not apply to families transferring within our Public Housing Program.

C. Citizenship/Eligibility Status

1. To be eligible, each member of the family must be a citizen, national, or a noncitizen that has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)).

2. Family eligibility for assistance.

- a. A family shall not be eligible for assistance unless every member of the family residing in the unit is determined to have eligible status, with the exception noted below.
- b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance. (See Section 13.6 for calculating rents under the noncitizen rule).
- c. A family without any eligible members and receiving assistance on June 19, 1995 may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members 6 years of age and older must provide a Social Security number or certify that they do not have one.

E. Signing Consent Forms

- 1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
- 2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD or the BHA/WCHA to obtain from State Wage Information Collection Agencies (SWICA's) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy; and
 - b. A provision authorizing HUD or the BHA/WCHA to verify with previous or current employers income information pertinent to the family's eligibility for or level of assistance;
 - c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits; and

- d. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

8.3 SUITABILITY

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The BHA/WCHA will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, BHA/WCHA employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The BHA/WCHA will consider objective and reasonable aspects of the family's background, including the following:
 - 1. History of meeting financial obligations, especially rent;
 - 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
 - 3. History of criminal activity by any household member involving crimes of physical violence against persons or property, and any other criminal activity, including drug-related criminal activity, that, if repeated, would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
 - 4. History of disturbing neighbors or destruction of property;
 - 5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
 - 6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.
 - 7. People or families who have been terminated or left in bad standing from any in HUD programs

- C. The BHA/WCHA will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The BHA/WCHA will verify the information provided. Such verification may include but may not be limited to the following:
1. A credit check of the head, spouse and co-head;
 2. A rental history check of all adult family members; References from relatives, roommates and other cohabitants of the current or prior dwelling unit may be considered by BWCHA. If the applicant has lived with parents or caregivers they may be used as rental references.
 3. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction, and jurisdictions where the applicant has previously resided.. Where the individual has lived outside the local area, the BHA/WCHA may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC);
 4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
 5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No individual registered with this program will be admitted to public housing.

8.4 GROUND FOR DENIAL

The BHA/WCHA is not required or obligated to assist applicants who:

- A. Do not meet any one or more of the eligibility criteria;

- F. Have a history of criminal activity or activity that would be considered a crime by any household member involving crimes of physical violence against persons or property, any other criminal activity, including drug-related criminal activity, and any other criminal activity or activity that would be considered a crime, by a household member, including physical violence against persons or property or drug or alcohol related activity, that, if repeated, would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
- G. Have a history of disturbing neighbors or destruction of property;
- H. Currently owes rent or other amounts to any housing authority in connection with their public housing or Section 8 programs;

- J. Are illegally using a controlled substance or are abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. The BHA/WCHA may waive this requirement if:

 - 2. Has successfully completed a supervised drug or alcohol rehabilitation program;
 - 3. Has otherwise been rehabilitated successfully; or

8.5 *INFORMAL REVIEW*

- A. If the BHA/WCHA determines that an applicant does not meet the criteria for receiving public housing assistance, the BHA/WCHA will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request an informal review of the decision within 10 business days of the denial pursuant to the Grievance Policy set forth in Section 24 herein.
- B. The participant family may request that the BHA/WCHA provide for an Informal Hearing, pursuant to the Grievance Policy set forth in Section 24 herein after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 days of receipt of the Notice of Denial or Termination of Assistance, or within 30 days of receipt of the INS appeal decision. For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision, and not the 10 day timeline contained in the Grievance Policy.

9.0 MANAGING THE WAITING LIST

9.1 *OPENING AND CLOSING THE WAITING LIST*

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any contacts between the BHA/WCHA and the applicant will be documented in the applicant file.

9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family nears the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The BHA/WCHA must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

9.4 PURGING THE WAITING LIST

The BHA/WCHA will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the BHA/WCHA has current information, i.e. applicant's address, family composition, income category, and preferences.

9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The BHA/WCHA will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond within seven (7) calendar days to a written request for information or a request to declare his or her continued interest in the program; or
- C. The applicant does not meet either the eligibility or suitability criteria for the program; or
- D. The applicant fails to update his or her address and correspondence is returned by the post office to BHA.

9.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the BHA/WCHA will be sent a notice of termination of the process for eligibility.

The BHA/WCHA will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the BHA/WCHA will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

9.7 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the BHA/WCHA, in writing, that they have ten (10) calendar days from the date of the written correspondence to present mitigating circumstances or request an informal review, which is not a grievance and is not subject to the requirements of the Grievance Policy, pursuant to the informal review procedure set forth in Section 24.0 herein and thereafter file a grievance pursuant to the Grievance Policy in Section 24.0, herein.. The letter will also indicate that his or her name will be removed from the waiting list if he or she fails to respond within the timeframe specified. The BHA/WCHA system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that his or her failure to respond to a request for information or updates was caused by a disability, the BHA/WCHA will verify that there is in fact a disability and the disability caused the failure to respond, and provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES

A. The BHA/WCHA will select families based on the following preferences within each bedroom size category based on the BHA and/or the WCHA local housing needs and priorities:

1. Applicants who qualify for a local preference are limited annually to the number indicated in each category of those applicants assisted during a fiscal year. Applicants meeting these criteria shall be assisted in the following order:
 - a. Thirty (30) families who have either completed, or who are participants in good standing of, a transitional housing program. Applicants in this category must be referred in writing by a transitional housing program

The term “transitional housing” means housing, the purpose of which is to facilitate the movement of homeless individuals and families to permanent housing.

2. All other applicants

All preferences are weighted equally. All preferences are weighted equally. The date and time of application will be noted and utilized to determine the sequence within the above-prescribed preferences.

Notwithstanding the above, families who are elderly or disabled will be offered housing before other single persons.

B. Buildings Designed for the Elderly and Disabled: Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

C. Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form

stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies. Any family required to transfer will be given a 30-day notice.

10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family’s unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	2
1	1	3
2	2	5
3	3	7
4	4	At BHA/WCHA discretion

The BHA/WCHA does not determine who shall share a bedroom/sleeping room, but there must be at least one person per bedroom. The BHA/WCHA’s *Occupancy Guideline standards* for determining unit size shall be applied in a manner consistent with Fair Housing guidelines.

For occupancy standards, an adult is a person 18 years or older or an emancipated minor.

All guidelines in this section relate to the number of bedrooms in the unit. Dwelling units will be assigned that use these principles:

- A. Generally, the housing authority will assign one bedroom to two people within these guidelines.
- B. Adults of different generations, persons of the opposite sex (other than spouses), and unrelated adults will not be required to share a bedroom.
- C. Separate bedrooms should be allocated for persons of the opposite sex (other than adults who have a spousal relationship and children under 6).
- D. Foster children will be included in determining unit size only if they will be in the unit for more than 6 months.

- E. Live-in attendants will generally be provided a separate bedroom. No additional bedrooms are provided for the attendant's family.
- F. Space may be provided for a child who is away at school but who lives with the family during school recesses.
- G. Space will not be provided for a family member who will be absent most of the time, such as a member who is away in the military.

Exceptions to normal bedroom size standards:

The BHA/WCHA will grant exceptions from the guidelines in cases where it is the family's request or the BHA/WCHA determines the exceptions are justified by the relationship, age, sex, health or disability of family members, or other individual circumstances, and there is a vacant unit available. If an applicant requests to be listed on a smaller or larger bedroom size waiting list, the following guidelines will apply:

Applicants may request to be placed on the waiting list for a unit size smaller than designated by the occupancy guidelines (as long as the unit is not overcrowded according to local codes). The family must agree not to request a transfer until their family composition changes.

At the BHA/WCHA's discretion the family may be offered a unit smaller than the preferred unit size, based on the BHA/WCHA's occupancy standards, if in doing so the family has an opportunity to be housed earlier or live in a preferred project.

The BHA/WCHA may offer a family a unit that is larger than required by the BHA/WCHA's occupancy standards, if the waiting list is short of families large enough to fill the vacancy, or the BHA/WCHA determines that the common area for the project is insufficient for accommodating any additional large families.

In all cases, where the family requests an exception to the general occupancy standards, the BHA/WCHA will evaluate the relationship and ages of all family members and the overall size of the unit.

The family may request to be placed on a larger bedroom size waiting list than indicated by the BHA/WCHA's occupancy guidelines. The request must explain the need or justification for a larger bedroom size and must be verified by the BHA/WCHA before the family is placed on the larger bedroom size list. The BHA/WCHA will consider these requests:

Person with Disability

The BHA/WCHA will grant an exception upon request as a reasonable accommodation for persons with disabilities if the need is appropriately verified and meets requirements in Section 2, Accommodations Policy.

Other Circumstances

Circumstances may dictate a larger size than the occupancy standards permit when:

Persons cannot share a bedroom because of a need for medical equipment due to its size and/or function. Requests for a larger bedroom due to medical equipment must be verified by a licensed physician.

Requests based on health-related reasons must be verified by a licensed physician

The BHA/WCHA will not assign a larger bedroom size due to additions of family members other than by birth, adoption, marriage, or court-awarded custody.

All members of the family residing in the unit must be approved by the BHA/WCHA. The family must obtain approval of any additional family member before the person occupies the unit except for additions by birth, adoption, or court-awarded custody, in which case the family must inform the BHA/WCHA within ten (10) calendar days.

To avoid vacancies, the BHA/WCHA may provide a family with a larger unit than the occupancy standards permit. The family must agree to move to a suitable, smaller unit when another family qualifies for the larger unit and there is a suitable smaller unit available. This requirement is a provision of the lease.

10.3 SELECTION FROM THE WAITING LIST

The BHA/WCHA shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met BHA/WCHA shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, BHA/WCHA will skip higher income families on the waiting list to reach extremely low-income families.

If admissions of extremely low-income families to the BHA/WCHA voucher program during a fiscal year exceed the seventy-five percent (75%) minimum targeting requirement for the BHA/WCHA's voucher programs, such excess shall be credited (subject to the limitations in this paragraph) against the BHA/WCHA's basic targeting requirements for the same fiscal year.

The fiscal year credit for voucher program admissions that exceeds the minimum voucher program targeting requirement shall not exceed the lower of:

- A. Ten percent (10%) of public housing waiting list admissions during the BHA/WCHA fiscal year;
- B. Ten percent (10%) of waiting list admissions to the BHA/WCHA's Section 8 tenant-based assistance program during the BHA/WCHA fiscal year; or
- C. The number of qualifying low income families who commence occupancy during the fiscal year of BHA/WCHA public housing units located in census tracts with a poverty rate of 30 % or more. For this purpose, qualifying low-income family means a low-income family other than an extremely low-income family.

If there are not enough extremely low-income families on the waiting list BHA/WCHA will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 DECONCENTRATION POLICY

It is BHA/WCHA's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, BHA/WCHA will skip families on the waiting list to reach other families with a lower or higher income. BHA/WCHA will accomplish this in a uniform and non-discriminating manner.

The BHA/WCHA will affirmatively market its housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, BHA/WCHA will analyze the income levels of families residing in each of its developments, the income levels of census tracts in which its developments are located, and the income levels of the families on the waiting list. Based on this analysis, BHA/WCHA will determine the level of marketing strategies and deconcentration incentives to implement.

10.5 DECONCENTRATION INCENTIVES

The BHA/WCHA may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

10.6 OFFER OF A UNIT

The BHA/WCHA plan for selection of applicants and assignment of dwelling units to assure equal opportunity and non-discrimination on grounds of race, color, sex, religion, or national origin is:

Under this plan the first qualified applicant in sequence on the waiting list will be made an offer of a unit of the appropriate size. Studio and one bedroom apartments are considered the same unit size. Applicants who turn down studio units for medical reasons confirmed by a medical professional will not be subject to the turn down rule.

The applicant will have the opportunity to make two refusals. If, on the third offer, the applicant rejects the offer, his or her name will be removed from the waiting list and he or she would have to re-apply.

If more than one unit of the appropriate type and size is available, the first unit to be offered will be the first unit that is ready for occupancy.

The BHA/WCHA will maintain a record of units offered, including location, date and circumstances of each offer, each acceptance or rejection, including the reason for the rejection.

Changes that occur during the period between removal from the waiting list and an offer of a suitable unit may affect the family's eligibility or Total Tenant Payment. The family will be notified in writing of changes in their eligibility or level of benefits and offered their right to an informal hearing when applicable

For the offer of accessible units, the following principles shall apply:

The BHA/WCHA has units designed for persons with mobility, sight and hearing impairments, referred to as accessible units.

No non-mobility impaired families will be offered these units until all eligible mobility-impaired applicants have been considered.

Before offering a vacant accessible unit to a non-disabled applicant, the BHA/WCHA will offer such units:

- A. First, to a current occupant of another unit of the same development, or other public housing developments under the BHA/WCHA's control, who has a disability that requires the special features of the vacant unit.
- B. Second, to an eligible qualified applicant on the waiting list having a disability that requires the special features of the vacant unit.

When offering an accessible/adaptable unit to a non-disabled applicant, the BHA/WCHA will require the applicant to agree to move to an available non-accessible unit within 30 days when either a current resident or an applicant needs the features of the unit and there is another unit available for the applicant. This requirement will be a provision of the lease agreement.

10.7 REJECTION OF UNIT

If in making the offer to the family the BHA/WCHA skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized. If the unit offered is inappropriate for the applicant's disabilities, the family will retain their position on the waiting list.

If the BHA/WCHA did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the first and second offers BWCHA will place the applicant on the bottom of the waiting pool list. Refusal of the third offer will result in the removal of the applicant from the waiting list. Removal from the waiting list means the applicant must reapply if they choose to be placed back on the waiting list.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

10.8 ACCEPTANCE OF UNIT

The family will have 3 business days following the date the unit is offered to accept the unit. The family will be required to sign a lease that will become effective no later than three (3) calendar days after the date of acceptance. Failure to reply to the offer will be considered a rejection of the unit by the applicant.

Prior to signing the lease all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease, the Grievance Policy , utility allowances, utility charges, the current schedule of routine maintenance charges, and a Request for Reasonable Accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with BHA/WCHA personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute

the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the BHA/WCHA will retain the original executed lease in the tenant's file. A copy of the Grievance Policy will be attached to the resident's copy of the lease.

New tenants must pay a security deposit to the BHA/WCHA at the time of admission. The family or person will pay a security deposit of \$375.00 for a family unit and \$225.00 for an elderly unit.

In exceptional situations the BHA/WCHA reserves the right to allow a new resident to pay their security deposit in up to three (3) payments: one-third paid in advance, one-third paid with their second month's rent, and one-third with their third month's rent payment. This shall be at the sole discretion of the BHA/WCHA and on a case-by-case basis.

The amount of the security and/or pet deposit required is specified in the lease, this policy or the applicable procedures as adopted by the BHA/WCHA.

The BHA/WCHA may permit installment payments of security deposits when a new tenant demonstrates a financial hardship to the satisfaction of the BHA/WCHA. However, no less than one-half of the required deposit must be paid before occupancy.

The BHA/WCHA will hold the security deposit for the period the tenant occupies the unit.

The BHA/WCHA will refund to the Tenant the amount of the security deposit, less any amount needed to pay the cost of:

- A. Unpaid Rent;
- B. Damages listed on the Move-Out Inspection Report that exceeds normal wear and tear;
- C. Other charges under the Lease.

The BHA/WCHA will refund the Security Deposit, less any amounts owed, within 30 days after move out and tenant's notification of new address.

The BHA/WCHA will refund the Pet Deposit to the tenant, less any damage caused by the pet to the dwelling unit, upon removal of the pet or the owner from the unit.

The BHA/WCHA will return the Pet Deposit to the former tenant or to the person designated by the former tenant in the event of the former tenant's incapacitation or death.

The BHA/WCHA will provide the tenant or designee identified above with a written list of any charges against the security or pet deposits. If the tenant disagrees with the amount charged to the security or pet deposits, the BHA/WCHA will provide a meeting to discuss the charges, which is not a grievance and is not subject to the requirements of the Grievance Policy., or, upon the tenant's timely request, an informal hearing, pursuant to the Grievance Policy set forth in section of this Admission and Continued Occupancy Policy, to review the charges.

The resident must leave the dwelling unit in a clean and undamaged (beyond normal wear and tear) condition and must furnish a forwarding address to the BHA/WCHA. All keys to the unit must be returned to the Management upon vacating the unit.

The BHA/WCHA will not use the security deposit for payment of rent or other charges while the tenant is living in the unit.

11.0 INCOME, EXCLUSIONS FROM INCOME, AND DEDUCTIONS FROM INCOME

To determine annual income, the BHA/WCHA counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the BHA/WCHA subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

11.1 INCOME

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- C. Are not specifically excluded from annual income.
 1. If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the BHA/WCHA believes that past income is the best available indicator of expected future income, the BHA/WCHA may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

Annual income includes, but is not limited to:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.
- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
- E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- F. Welfare assistance.
 - 1. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:

- a.** The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
- b.** The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

2. Imputed welfare income

- a.** A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the BHA/WCHA by the welfare agency) plus the total amount of other annual income.
- b.** At the request of the BHA/WCHA, the welfare agency will inform the BHA/WCHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the BHA/WCHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. The BHA/WCHA will use this information to determine the amount of imputed welfare income for a family.
- c.** A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the BHA/WCHA by the welfare agency).
- d.** The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- e.** The BHA/WCHA will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- f.** If a resident is not satisfied that the BHA/WCHA has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the BHA/WCHA denies the family's request

to modify such amount, then the BHA/WCHA shall give the resident written notice of such denial, with a brief explanation of the basis for the BHA/WCHA's determination of the amount of imputed welfare income. The BHA/WCHA notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare income in order to obtain a grievance hearing.

g. Relations with welfare agencies

- 1). The BHA/WCHA will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the BHA/WCHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.
- 2). The BHA/WCHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the housing authority. However, the BHA/WCHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
- 3). Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The BHA/WCHA shall rely on the welfare agency notice to the BHA/WCHA of the welfare agency's determination of a specified welfare benefits reduction.

- G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
- H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

11.2 ANNUAL INCOME

Annual income does not include the following:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance paid directly to the student or to the educational institution;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:
 - 1. Amounts received under training programs funded by HUD;
 - 2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
 - 3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;

4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the BHA/WCHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiatives coordination and serving as a member of the BHA/WCHA governing board. No resident may receive more than one such stipend during the same period of time;
5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
6. Temporary, nonrecurring or sporadic income (including gifts);
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
8. Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);
9. Adoption assistance payments in excess of \$480 per adopted child;
10. For family members who enrolled in certain training programs prior to 10/1/99, the earnings and benefits resulting from the participation if the program provides employment training and supportive services in accordance with the Family Support Act of 1988, Section 22 of the 1937 Act (42 U.S.C. 1437t), or any comparable Federal, State, or local law during the exclusion period. For purposes of this exclusion the following definitions apply:
 - a. Comparable Federal, State or local law means a program providing employment training and supportive services that:
 - i. Is authorized by a Federal, State or local law;
 - ii. Is funded by the Federal, State or local government;

- iii. Is operated or administered by a public agency; and
 - iv. Has as its objective to assist participants in acquiring employment skills.
- b.** Exclusion period means the period during which the family member participates in a program described in this section, plus 18 months from the date the family member begins the first job acquired by the family member after completion of such program that is not funded by public housing assistance under the 1937 Act. If the family member is terminated from employment with good cause, the exclusion period shall end.
- c.** Earnings and benefits mean the incremental earnings and benefits resulting from a qualifying employment-training program or subsequent job.
11. The incremental earnings due to employment during the 12-month cumulative period following date of initial hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion No. 10. Additionally, this exclusion is only available to the following families:
- a.** Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
 - b.** Families whose income increases during the participation of a family member in any family economic self-sufficiency or other job-training program.
 - c.** Families who are or were, within 6 months, assisted under a State TANF or Welfare to Work program.

During the second cumulative 12-month period after the date of initial hire, 50% of the increased income shall be excluded from income.

The disallowance of increased income of an individual family member is limited to a lifetime 48-month period. It only applies for 12 months of the 100% exclusion and 12 months of the 50% exclusion.

Any family member qualifying for this exclusion may do so only once and is subject to a lifetime limit of dating the exclusion as

described above over a 48 month time limit from the start of claiming the exclusion.

(While HUD regulations allow for BHA/WCHA to offer an escrow account in lieu of having a portion of their income excluded under this paragraph, it is the policy of this housing authority to provide the exclusion in all cases.)

12. Deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts;
13. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;
14. Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or

- t.** Allowances, earnings and payments to individuals participating in programs under the Workforce Investment Act of 198 (29 U.S.C. 2931).

- D. Reasonable child care expenses necessary to enable a member of the family to be employed or to further his or her education. This deduction shall not exceed the amount of employment income that is included in annual income.

- B. The **Leasing Specialist** shall reconcile any difference between the amount reported by the resident and the amount listed in the HUD communication. This shall be done as promptly as possible.
- C. After the reconciliation is complete, the BHA/WCHA shall adjust the resident's rent beginning at the start of the next month unless the reconciliation is completed during the final five (5) days of the month and then the new rent shall take effect on the first day of the second month following the end of the current month. In addition, if the resident had not previously reported the proper income, the BHA/WCHA shall do one of the following:
 - 1. Immediately collect the back rent due to the agency;
 - 2. Establish a repayment plan for the resident to pay the sum due to the agency;
 - 3. Terminate the lease and evict for failure to report income; or

4. Terminate the lease, evict for failure to report income, and collect the back rent due to the agency.

11.5 COOPERATING WITH WELFARE AGENCIES

The BHA/WCHA will make its best efforts to enter into cooperation agreements with local welfare agencies under which the welfare agencies will agree:

- A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency; and
- B. To provide written verification to the BHA/WCHA concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

12.0 VERIFICATION

The BHA/WCHA will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

12.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification includes written documentation with forms sent directly to and received directly by a source, not passed through the hands of the family. This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the BHA/WCHA or automatically by another government agency, i.e. the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the

same information as if the documentation had been written, i.e. name date of contact, amount received, etc.

When third party verification cannot be obtained, the BHA/WCHA will accept documentation received from the applicant/tenant. Hand-carried documentation will be accepted if the BHA/WCHA has been unable to obtain third-party verification in a 14 day period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the BHA/WCHA will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

If any agency is unable to provide 3rd party verification due to reasons outside the BHA/WCHA control, that agency must provide the BHA/WCHA with written documentation stating the reason why they are unable to provide 3rd party verification. The documentation will be placed in central files and be referenced in the client file whenever the BHA/WCHA uses hand-carried documents and/ or a “self declaration of income.

12.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. Evidence of an established family relationship:

Joint bank accounts or other shared financial transactions

Leases or other evidence of prior cohabitation

Credit reports showing relationship

For Split Households: Domestic Violence

Verification of domestic violence when assessing applicant split households includes:

Shelter for battered persons

Police reports

District Attorney's office

For Verification of Permanent Absence of Adult Member

If an adult member who was formerly a member of the household is reported permanently absent by the family, the BHA/WCHA will consider any of the following as verification:

Husband or wife institutes divorce action.

Husband or wife institutes legal separation.

Order of protection/restraining order obtained by one family member against another.

Proof of another home address, such as utility bills, canceled checks for rent, drivers license, or lease or rental agreement, if available.

Statements from other agencies such as social services that the adult family member is no longer living at that location.

If no other proof can be provided, the BHA/WCHA will accept a Notarized Statement from the family.

If the adult family member is incarcerated, a document from the court or prison should be obtained stating how long they will be incarcerated.

For Verification of Change in Family Composition

The BHA/WCHA may verify changes in family composition (either reported or unreported) through letters, telephone calls, utility records, inspections, landlords, neighbors, credit data, school or DMV records, and other sources.

12.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

The citizenship/eligible noncitizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. They will be required to show proof of their status by such means as a birth certificate, military ID, or military DD 214 Form.

Prior to being admitted or at the first reexamination, all eligible non-citizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible non-citizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The BHA/WCHA will make a copy of the individual's INS documentation and place the copy in the file. The BHA/WCHA will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the BHA/WCHA will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible non-citizens must be listed on a statement of noneligible members, and the list must be signed by the head of the household.

Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to public housing.

Any family member who does not choose to declare their status must be listed on the statement of noneligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the BHA/WCHA determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security number and who is at least 6 years of age must provide verification of their Social Security number. New family members at least 6 years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six (6) years of age .

The best verification of the Social Security number is the original Social Security card. If the card is not available, the BHA/WCHA will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that he or she does not have a Social Security number, the individual will be required to sign a statement to this effect. The BHA/WCHA will not require any individual who does not have a Social Security number to obtain a Social Security number.

If a member of an applicant family indicates he or she has a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.

If a member of a tenant family indicates he or she has a Social Security number, but cannot readily verify it, he or she shall be asked to certify to this fact and shall have up to 60 calendar days to provide the verification. If the individual is at least 62 years of age, he or she will be given 120 calendar days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

12.5 TIMING OF VERIFICATION

Verification information must be dated within 90 calendar days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the BHA/WCHA will verify and update all information related to family circumstances and level of assistance. (Or, the BHA/WCHA will only verify and update those elements reported to have changed.)

12.6 FREQUENCY OF OBTAINING VERIFICATION

For each family member, citizenship/eligible noncitizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of his or her status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible noncitizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns 6, his or her verification will be obtained at the next regular reexamination.

13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would

otherwise undergo.

- B. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.

- C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the BHA/WCHA will provide them with the following information whenever they have to make rent decisions:
 - 1. The BHA/WCHA's policies on switching types of rent in case of a financial hardship; and
 - 2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the BHA/WCHA will provide the amount of income-based rent for the subsequent year only the year the BHA/WCHA conducts an income reexamination or if the family specifically requests it and submits updated income information.

13.2 THE INCOME METHOD

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income; or
- C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
- D. The minimum rent of \$50.

13.3 **MINIMUM RENT**

The BHA/WCHA has set the minimum rent at \$50. However if the family requests a hardship exemption, however, the BHA/WCHA will suspend the minimum rent beginning the month following the family's request for the family until the BHA/WCHA can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
 - 1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - 2. When the family would be evicted because it is unable to pay the minimum rent;
 - 3. When the income of the family has decreased because of changed circumstances, including loss of employment;
 - 4. When a death has occurred in the family.
- B. No hardship. If the BHA/WCHA determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the BHA/WCHA reasonably determines that there is a qualifying hardship, but that it is of a temporary nature, the minimum rent will be not be imposed for a period of 90 days from beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The BHA/WCHA will offer a repayment agreement in accordance with Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the BHA/WCHA will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.
- D. Long-term hardship. If the BHA/WCHA determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.

- E. Appeals. The family may use the Grievance Procedure to appeal the BHA/WCHA's determination regarding the hardship. No escrow deposit will be required in order to access the Grievance Procedure.

13.4 THE FLAT RENT

The BHA/WCHA has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its condition, amenities, services, and neighborhood. The BHA/WCHA determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family (for more information on flat rents, see Section 15.3).

The BHA/WCHA will post the flat rents at each of the developments and at the central office. Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

There is no utility allowance for families paying a flat rent.

13.5 CEILING RENT

The BHA/WCHA does not have a ceiling rent.

13.6 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision, the family receives full assistance. If assistance is granted under this provision prior to

November 29, 1996, it may last no longer than 3 years. If granted after that date, the maximum period of time for assistance under the provision is 18 months. The BHA/WCHA will grant each family a period of 6 months to find suitable affordable housing. If the family cannot find suitable affordable housing, the BHA/WCHA will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

- A. Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for the BHA/WCHA. The 95th percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

13.7 UTILITY ALLOWANCE

The BHA/WCHA shall establish a utility allowance for all check-metered utilities and for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the BHA/WCHA will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

The utility allowance will be subtracted from the family's formula rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the BHA/WCHA. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belongs to the tenant.

For BHA/WCHA paid utilities, the BHA/WCHA will monitor the utility consumption of each household. Any consumption in excess of the allowance established by the BHA/WCHA will be the obligation of the Tenant and for those charges for utilities in excess of the allowance charged or billed to the BHA/WCHA will be billed to the tenant monthly.

Utility allowance revisions based on rate changes shall be effective 60 days after notice to residents. Revisions based on changes in consumption or other reasons shall become effective at each family's next annual reexamination.

Families with high utility costs are encouraged to contact the BHA/WCHA for an energy analysis. The analysis may identify problems with the dwelling unit that once corrected will reduce energy costs. The analysis can also assist the family in identifying ways they can reduce their costs.

Requests for relief from surcharges for excess consumption of BHA/WCHA purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant-paid utility costs may be granted by the BHA/WCHA on reasonable grounds. Requests shall be granted to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the **Reasonable Accommodation Policy considered in Section 2**. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

13.8 PAYING RENT

On or before the first day of each and every month (after the initial period), the Resident shall pay the monthly rent indicated on Page 1, plus any extra charges, for the term of the monthly agreement. If the Resident does not pay the full amount of the rent by the end of the 5th day of the month, the BHA/WCHA may collect a fee of \$10.00 on the 6th day of the month. A \$15.00 late processing fee will be assessed to residents who receive 14-Day Notices to pay or vacate. If the 5th of any month falls on a weekend or holiday the late fees for non-payment of rent will be assessed on the next business day. If the resident receives (4) four 14-DAY NOTICES for non-payment of rent in a calendar year, the resident will receive thirty (30) days written notice of termination for material or repeated lease violations.

Payments shall be applied to amounts owed by the resident in the following manner:

1. Payments shall first be applied to payment of Resident's security deposit.
2. Payments shall next be applied to any maintenance, utilities, and legal costs incurred by BHA/WCHA as a result of Resident's tenancy:
3. Payments shall next be applied to any late fees incurred by the Resident:
4. Payments shall lastly be applied to any unpaid rent owed by the Resident:

Reasonable accommodations for this requirement will be made for persons with disabilities. As a safety measure, no cash shall be accepted as a rent payment

If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge plus an additional charge of \$15 for processing costs.

13.9 MAINTENANCE CHARGES

The Tenant shall pay when charged all maintain charges as set forth in the Schedule of Maintenance Charges, and the procedures related thereto, as adopted by the BHA/WCHA.

14.0 RECERTIFICATIONS

At least annually, the BHA/WCHA will conduct a reexamination of family income and circumstances. The results of the reexamination determine: (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

14.1 GENERAL

The BHA/WCHA will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or formula method, and scheduling an appointment if they are currently paying a formula rent. If the family thinks they may want to switch from a flat rent to a formula rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the formula method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the BHA/WCHA will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

14.2 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the BHA/WCHA taking eviction actions against the family.

14.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the formula amount.
- B. The amount of the flat rent.
- C. A fact sheet about income rents that explains the types of income counted, the most common types of income excluded, and the categories allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every 3 years, rather than the annual review they otherwise would undergo.
- E. Families who opt for the flat rent may request to have a reexamination and return to the income-based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- F. The dates upon which the BHA/WCHA expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
- G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
- H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, BHA/WCHA will send a reexamination letter to the family offering the choice between a flat or an income rent. The opportunity to select the flat rent is available only at this time. At the appointment, the BHA/WCHA may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the

BHA/WCHA representative, they may make the selection on the form and return the form to the BHA/WCHA. In such case, the BHA/WCHA will cancel the appointment.

14.4 THE INCOME METHOD

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the BHA/WCHA will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of monthly income; or
- B. 30% of adjusted monthly income; or
- C. the welfare rent; or
- D. the minimum rent.

14.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will generally be effective upon the anniversary date with 30-days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

14.6 INTERIM REEXAMINATIONS

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families will not be required to report any increase in income or decreases in allowable expenses between annual reexaminations.

Families are required to report the following changes to the BHA/WCHA between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (14) calendar days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth or adoption (including a live-in aide), the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating his or her income, assets, and all other information required of an applicant. The individual must provide his or her Social Security number if they have one and must verify his or her citizenship/eligible immigrant status. (Housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The BHA/WCHA will determine the eligibility of the individual before adding the individual to the lease. If the individual is found to be ineligible or does not pass the screening criteria, he or she will be advised in writing and given the opportunity for an informal review. If the individual is found to be eligible and does pass the screening criteria, his or her name will be added to the lease. At the same time, if the family's rent is being determined under the formula method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the BHA/WCHA will take timely action to process the interim reexamination and recalculate the tenant's rent. However, the family must experience a reduction in income that lasts over 30 days in order to request an interim reexamination for the purpose of a rent adjustment.

14.7 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for 12 months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the BHA/WCHA may schedule special reexaminations every 60 days until the income stabilizes and an annual income can be determined.

14.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

15.0 UNIT TRANSFERS

15.1 INTRODUCTION

The transferring of families is a very costly procedure, both to the BHA/WCHA and to the families. However, it is the policy of the BHA/WCHA to permit a resident to transfer within or between housing developments when it is necessary to comply with occupancy standards or when it will help accomplish the Affirmative Housing goals of the BHA/WCHA.

For purposes of this transfer policy, the "losing development" refers to the unit from which the family is moving and the "gaining development" refers to the unit to which the family is transferring.

15.2 GENERAL STATEMENT

A family may be eligible to transfer for valid and certifiable reasons such as enabling the family to be:

- ~~SES~~ Closer to a place of employment;
- ~~SES~~ Closer to a required medical treatment center; or
- ~~SES~~ To move from an upstairs to a downstairs unit for medical or accessibility reasons; or

The BHA/WCHA will always consider a request to transfer as a reasonable accommodation for a person with a disability.

The BHA/WCHA will charge the families for any damages to the previous unit that exceeds that unit's security deposit.

Except in emergency situations, transfers will be avoided when the family is:

- ~~///~~ Delinquent in their rent;
- ~~///~~ In the process of reexamination to determine rent and eligibility; or
- ~~///~~ About to be asked to move for reasons other than non-payment of rent.
- ~~///~~ Not in good standing with the BHA/WCHA due to rental history or a history of disturbances.
- ~~///~~ History of not taking proper care of unit.

Transfers will occur and be limited by the Transfer Procedure as adopted by the BHA/WCHA Management from time-to-time.

15.3 RANK ORDER OF TRANSFER LIST

The Transfer Waiting list will be maintained in rank order by:

- ?? Emergency
- ?? Medical hardship
- ?? Unit too large or small
- ?? Date of approval

15.4 MANDATORY TRANSFERS

If there is a required change in the size of unit needed, it will be necessary for the resident to move to a unit of an appropriate size and a new lease will be executed.

If an appropriate unit is not available, the resident will be placed on a transfer list and moved to such unit when it does become available.

The BHA/WCHA will place all families requiring a mandatory transfer due to occupancy standards on a transfer list, which will be reviewed for need-based transfers before any unit is offered to a family on the waiting list.

If a family that is required to move refuses the offered unit, the BHA/WCHA will evaluate the reason for the refusal and determine if it is one of good cause. If the BHA/WCHA determines that there is no good cause, the BHA/WCHA will begin lease termination proceedings.

15.5 NON-MANDATORY TRANSFERS

When a unit becomes available, and after the transfer list has been reviewed for families requiring a mandatory transfer based on occupancy standards, the transfer list will be reviewed for other families desiring a transfer.

If there is a participant family waiting for transfer to an available and appropriately sized unit, the participant family will be offered the next available unit matching the families needs as provided by the resident in the request for transfer. Rejection of the unit offer based on reasons other than not meeting the families need as provided by the resident on the request for transfer the transfer may be denied by the BWCHA.

15.6 EMERGENCY TRANSFERS

The BHA/WCHA will authorize an emergency transfer for a participant family if one of the following conditions occurs:

The resident's unit has been damaged by fire, flood, or other causes to such a degree that the unit is not habitable, provided the damage was not the result of an intentional act, carelessness or negligence on the part of the resident or a member of the resident's household.

Special Circumstance Transfers

The BHA/WCHA will authorize transfers under special circumstances for a participant family if one of the following conditions occurs:

The resident's unit is being modernized or significantly remodeled. In such cases, the family may only be offered temporary relocation and may be allowed to return to their unit once rehabilitation is complete.

The BHA/WCHA has a need, at the discretion of the Executive Director to transfer the resident family to another unit and the resident voluntarily agrees to such transfer.

15.7 INCENTIVE TRANSFERS

Transfers that serve the BHA/WCHA's deconcentration policy may include incentives and refusal of a transfer request will have no effect on the family's standing in BHA/WCHA public housing.

15.8 MOVING COSTS

The resident, except when the transfer is due to inhabitability, through no fault of the resident, or the need of the BHA/WCHA, will pay all moving costs related to the transfer.

15.9 SECURITY DEPOSITS

The family will be required to pay a new deposit upon acceptance of a unit.

The BHA/WCHA will require a new security deposit of all families.

The family or person will pay a security deposit of \$375.00 for a family unit and \$225 for an elderly unit.

In exceptional situations the BHA/WCHA reserves the right to allow a new resident to pay their security deposit in up to three (3) payments: one-third paid in advance, one-third paid with their second month's rent, and one-third with their third month's rent payment. This shall be at the sole discretion of the BHA/WCHA and on a case-by-case basis.

The resident will be billed for any charges that occur as a result of the resident moving out of the apartment.

15.10 RIGHT OF THE BHA/WCHA IN TRANSFER POLICY

The provisions listed above are to be used as a guide to insure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

16.0 INSPECTIONS

An authorized representative of the BHA/WCHA and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the BHA/WCHA file and a copy given to the family member. An authorized BHA/WCHA representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any BHA/WCHA damages to the unit.

16.1 MOVE-IN INSPECTIONS

The BHA/WCHA and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

16.2 ANNUAL INSPECTIONS

The BHA/WCHA will inspect each public housing unit annually to ensure that each unit meets the BHA/WCHA's housing standards and HUD Real Estate Assessment Centers Standards (REAC). Work orders will be submitted and completed to correct any deficiencies.

16.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair and meet REAC inspection standards. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

16.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the BHA/WCHA. BHA/WCHA may make special inspections when lease non-compliance is suspected by the BHA/WCHA.

16.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual and preventative maintenance inspections, or at other times as necessary, the BHA/WCHA will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

16.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections, the BHA/WCHA will give the tenant at least 2 days' written notice.

16.7 EMERGENCY INSPECTIONS

If any employee and/or agent of the BHA/WCHA have reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

16.8 MOVE-OUT INSPECTIONS

The BHA/WCHA conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

17.0 PET POLICY

This Section explains the BHA/WCHA's policies on the keeping of pets, includes animals that assist persons with disabilities and any criteria or standards pertaining to this policy. The rules adopted are reasonably related to the legitimate interest of the BHA/WCHA to provide a decent, safe and sanitary living environment for all tenants, to protecting and preserving the physical condition of the property, and the financial interest of the BHA/WCHA.

Nothing in this policy or the dwelling lease limits or impairs the right of persons with disabilities to own animals that are used to assist them.

17.1 GENERAL POLICIES

The Housing Authority reserves the right to refuse any pets that are considered to be inappropriate to live in public housing excluding service and companion animals.

If the pet is a dog or cat, it must be neutered/spayed by the age of 6 months. Supporting evidence must be provided from a veterinarian and/or staff of the Humane Society. The evidence must be provided prior to the execution of this Agreement and/or within 10 days of the pet becoming of the age to be neutered/spayed.

Tenant must provide waterproof and leak-proof litter boxes for cat waste, which must be kept inside the dwelling unit. Cardboard boxes are not acceptable and will not be approved. The tenant shall not permit refuse from litter boxes to accumulate nor to become unsightly or unsanitary.

Also, the weight of a cat cannot exceed 10 pounds (fully grown), and a dog may not exceed 20 pounds in weight (fully grown). All other four-legged animals are limited to 10 pounds (fully grown).

Note: Any pet that is not fully grown will be weighed every 6 months. Also, any pet that exceeds the weight limit at any time during occupancy will not be an eligible pet and must be removed from BHA/WCHA property.

If the pet is a bird, it shall be housed in a birdcage and cannot be let out of the cage at any time.

If the pet is a fish, the aquarium must be 20 gallons or less, and the container must be placed in a safe location in the unit. The Tenant is limited to one container for the fish and a reasonable number of fish commensurate to the aquarium size. The container must be maintained in a safe and nonhazardous manner.

All pets must be housed within the unit and no facilities can be constructed outside of the unit for any pet. No animal shall be permitted to be loose, and if the pet is taken outside, it must be taken outside on a leash and kept off other Tenant's lawns. Also, all pets must wear collars with identification at all times. Pets without a collar will be picked-up immediately and transported to the Humane Society or other appropriate facility.

All authorized pet(s) must be under the control of an adult. An unleashed pet, or one tied to a fixed object, is not considered to be under the control of an adult. Pets which are unleashed, or leashed and unattended, on BHA/WCHA property may be impounded and taken to the local Humane Society or other appropriate facility. It shall be the responsibility of the Tenant to reclaim the pet at the expense of the Tenant. Also, if a member of the Housing Authority staff has to take a pet to the Humane Society or other appropriate facility, the tenant will be charged \$50 to cover the expense of taking the pet(s) to the Humane Society.

Residents must have the prior written approval of the BHA/WCHA **BEFORE MOVING A PET INTO THEIR UNIT.** Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the BHA/WCHA will approve

the request. Residents must give the BHA/WCHA a picture of the pet so it can be identified if it is running loose.

If a tenant harbors a pet without approval of the BHA/WCHA, or without registration, their pet ownership privileges shall be suspended for a period of one (1) year. A repeat violation will result in lifetime suspension of pet ownership privileges.

No tenant shall keep, raise, train, breed or maintain any pet of any kind at any location, either inside or outside a dwelling unit, for commercial purposes or for fighting.

All residents are prohibited from feeding, housing or caring for stray animals. Such action shall constitute having a pet without permission of the BHA/WCHA.

Pets not owned by a current BHA/WCHA Tenant, or properly registered and authorized by **BHA/WCHA**, are NOT permitted on the premises on a temporary or visiting basis. Trained service animals that are used to assist persons with disabilities are excluded from this provision.

No pet owner shall keep a pet in violation of State or local health and/or anti-cruelty laws or ordinances. Any failure of the Pet Ownership Policy to define the applicable laws or ordinances does not relieve the pet owner of the responsibility for complying with this requirement.

In order to safeguard the health and welfare of tenants, employees and the public, no pet owner shall keep a vicious, dangerous or intimidating pet on the premises. If the pet owner declines, delays, or refuses to remove such a pet from the premises, the BHA/WCHA will effect its removal. The owner will be responsible for any costs associated with the pet's removal and/or subsequent impoundment. The definition of a vicious or dangerous animal is:

"Any animal that constitutes a physical threat to human beings, other animals or livestock; any animal which has a disposition or propensity to cause injury or behave in a manner which could reasonably cause injury to human beings, other animals or livestock, regardless of whether or not such behavior is hostile; any animal which has, without provocation, bitten, attacked or inflicted injury on any human being, other animal or livestock; any animal which has been used in the commission of a crime."

Any dog that is offspring of the following breeds, regardless of the percentage of pedigree, is strictly prohibited:

Pit-Bull Terrier	German Shepherd
Doberman Pinscher	Chow
Rottweiler	Boxer
Akita	Shar Pei

A dog or cat's height may not exceed 15 inches (measured at the shoulder) by adulthood.

Service animals that are specifically trained to assist persons with disabilities are excluded from the breed, size, weight, and type requirements. They are; however, required to assure proper licensing, inoculations, leash restraints, etceteras.

Dogs and cats shall be licensed as required by State and local laws or ordinances. Pet licenses must always be current. Dogs and cats must wear a collar with the license tag affixed at all times.

If the pet is a cat or dog, it must have received rabies and distemper inoculations or boosters, as applicable. Evidence of inoculations can be provided by a veterinarian or staff of the Humane Society, and must be provided before the execution of this agreement.

The BHA/WCHA reserves the right to require the removal of any pet from the premises, when the animal's conduct or condition is duly determined to constitute a nuisance or a threat to the health or safety of other persons, or animals. If a pet causes harm to any person, the pet's owner shall be required to permanently remove the pet from the BHA/WCHA's property within 24 hours of written notice from the BHA/WCHA. The pet owner may also be subject to termination of his/her dwelling lease.

17.2 SCHEDULE OF ANNUAL FEES AND INITIAL DEPOSIT

The BHA/WCHA Pet Procedures section shall set forth the deposit schedule.

The pet deposit is in addition to any other financial obligation imposed on tenants who own or keep a pet. The pet deposit shall be placed into an escrow account and shall be used only when the pet owner no longer keeps a pet or at the termination of the lease. The pet deposit shall only be used to cover the costs of damages directly attributable to the presence of the pet on the premises. Examples of such costs or damages can include (but are not limited to) the following:

17.3. HOLD HARMLESS, DEFEND & INDEMNIFY

17.4 END OF PET OWNERSHIP.

When a resident ceases to own or keep a pet, they shall notify the BHA/WCHA within 10 days. Upon notification, a BHA/WCHA representative shall schedule and perform an inspection of the apartment and subsequent surrounding areas for damages directly related to the presence of the pet. The cost of damages, if any, shall be deducted from the security deposit. The BHA/WCHA will then refund the unused portion of the pet deposit to the resident within a reasonable time period.

17.5 TENANT RESPONSIBLE FOR DAMAGE UPON VACATION OF PREMISES

When a resident vacates BHA/WCHA property, a BHA/WCHA representative shall perform an inspection of the apartment and subsequent surrounding areas for damages directly related to the presence of the pet. 17.13 ANIMALS THAT ASSIST PERSONS WITH DISABILITIES

The purpose of this policy is to establish the BHA/WCHA's policy and procedures for ownership of pets in elderly and/or disabled persons' units and to ensure that no applicant or Resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets.

Nothing in this policy or the dwelling lease limits or impairs the rights of persons with disabilities to own service or companion animals that are used to assist them.

The general pet policies herein will not be applied to service or companion animals that assist persons with disabilities.

If the BHA/WCHA must effectuate the removal of any animal, the pet owner shall forfeit the full amount of his/her pet deposit as well as their pet ownership privileges.

18.0 REPAYMENT AGREEMENTS

When a resident owes the BHA/WCHA back charges and is unable to pay the balance by the due date, the resident may request that the BHA/WCHA allow him/her to enter into a Repayment Agreement. The BHA/WCHA has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed 12 months. All Repayment Agreements must be in writing and signed by both parties. Failure to comply with the Repayment Agreement terms may subject the Resident to eviction procedures.

19.0 TERMINATION

19.1 TERMINATION BY TENANT

The tenant may terminate the lease at any time upon submitting a 20-day written notice to vacate prior to the end of the month the resident wishes to move. Failure to comply with the community service requirement shall constitute a breach of this Rental Agreement and shall be grounds to terminate Resident's Rental Agreement pursuant to Section 10 of the Rental Agreement.

Refusal or repeated failure of the Resident to comply with any such rule or regulation shall be deemed a material breach of the Rental Agreement and shall constitute good cause for termination of said Agreement by the BHA/WCHA, and for eviction of Resident in accordance with Section 9 of Rental Agreement.

The BHA/WCHA may exempt some Residents from performing the tasks described because of age, infirmity or physical disability.

Twelve months after the BHA/WCHA has implemented the mandated community service requirement, it will not renew the lease of any non-exempt family that is not in compliance with the community service requirement or an approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin.

The BHA/WCHA will terminate the lease for serious or repeated violations of material lease terms. Such violations include but are not limited to the following:

The BHA/WCHA will consider a unit to be abandoned when a resident has both been absent for a period of 30 consecutive days, without written pre-approval and/or without reasonable cause or excuse, and has failed to pay rent for the same time period. A family and/or tenant may be absent from a unit for brief period of time, no greater than 30 days without payment of rent. Absence shall mean that no member of the family or the tenant is residing in the unit. Verification of occupancy may include letters to the unit, phone calls, visits, or questions to the neighbors. Absences for vacations, hospitalization shall not be deemed abandonment, unless absence is in excess of 30 days. A family's abandonment of a unit shall not bar readmission or resumption of assistance to the family or tenant.

When a unit has been abandoned, a BHA/WCHA representative may enter the unit and remove any abandoned property. It will be stored in a reasonably secure place. A notice will be mailed to the resident stating where the property is being stored and when it will be sold. If the BHA/WCHA does not have a new address for the resident, the notice will be mailed to the unit address so it can be forwarded by the post office. Disposition of the property left in the resident's unit shall occur in a manner consistent with this policy and applicable state law. To the extent that there may be a conflict between this policy and State law, the provisions of State law shall control.

Any money raised by the sale or disposition of the property goes to cover money owed by the family to the BHA/WCHA such as back rent and the cost of storing and selling the goods. If there is any money left over and the family's forwarding address is known, the BHA/WCHA will mail it to the family. If the family's address is not known, the BHA/WCHA will keep it for the resident for one year. If it is not claimed within that time, it belongs to the BHA/WCHA.

Within 30 days of learning of an abandonment, the BHA/WCHA will either return the deposit or provide a statement of why the deposit is being kept.

The purpose of this policy is to set forth the requirements, standards and criteria for informal reviews and a grievance procedure to be established and implemented by the BHA/WCHA to assure that a Tenant is afforded an opportunity for a hearing if the Tenant disputes within a reasonable time any BHA/WCHA action or failure to act involving the Tenant's lease with the BHA/WCHA or BHA/WCHA regulations which adversely affect the individual Tenant's rights, duties, welfare or status.

This Grievance Policy, including informal review policies and requirements shall be applicable to all individual grievances as defined below between the Tenant and the BHA/WCHA. The Grievance Policy is not intended as a forum for initiating or negotiating policy changes between a group or groups of Tenants and the BHA/WCHA Board of Commissioners. Informal review and grievance procedures shall be adopted by the BHA/WCHA Management.

23.1 INFORMAL REVIEW

Any grievance shall be personally presented, either orally or in writing, to the BHA/WCHA office or to the office of the project in which the complainant resides so that the grievance may be discussed informally and settled without a hearing. A written grievance must be signed by the complainant. The grievance must be presented within 10 days following the action or failure to act that is the basis of the grievance. The grievance may be simply stated, but must include, at a minimum, the following:

- ~~///~~ The action requested to be taken.
- ~~///~~ The names, address and phone number of the complainant and similar information about the complainant's representative.

The summary will also specify the steps by which a formal hearing can be obtained.

DISSATISFACTION WITH AN INFORMAL CONFERENCE

A summary of such discussion shall be prepared within a reasonable time and one copy shall be given to the Tenant and one retained in the BHA/WCHA's Tenant file. The summary shall specify the names of the participants, dates of meeting, the nature of the proposed disposition of the complaint and the specific reasons therefore, and shall specify the procedures by which a hearing may be obtained under this policy if the complainant is not satisfied.

23.2 GRIEVANCE POLICY

- A. DEFINITIONS.** For the purpose of this policy, the following definitions are applicable:

The written request shall specify: (1) the reasons for the grievance; and (2) the action or relief sought. A grievance hearing shall be conducted by an impartial person or persons appointed by the BHA/WCHA, other than a person who made or approved the BHA/WCHA action under review or a subordinate of such person. The BHA/WCHA has followed the following method for the appointment of a hearing officer: Appointment of a person or persons (who may be an officer or employee of the BHA/WCHA) selected in the manner required under the BHA/WCHA grievance procedure.
- C. FAILURE TO REQUEST A HEARING.** If the complainant does not request a hearing in accordance with this paragraph, then the BHA/WCHA's disposition of the grievance under the informal process above shall become final. Provided, that failure to request a hearing shall not constitute a waiver by the complainant of his or her right thereafter to contest the BHA/WCHA's action in disposing of the complaint in an appropriate judicial proceeding.
- D. HEARING PREREQUISITE.** All grievances shall be personally presented either orally or in writing pursuant to the informal procedure prescribed above as a condition precedent to a hearing under this section: Provided, that if the complainant shall show good cause why he failed to proceed in accordance with the informal procedure to the hearing officer, the provisions of this subsection may be waived by the hearing officer.
- E. ESCROW DEPOSIT.** Before a hearing is scheduled in any grievance involving the amount of rent which the BHA/WCHA claims is due, the complainant shall pay to the BHA/WCHA an amount equal to the amount of the rent due and payable as of the first of the month preceding the month in which the act or failure to act took place. The complainant shall thereafter deposit the same amount of the monthly rent in an escrow account monthly until the complaint is resolved by decision of the hearing officer or hearing panel. These requirements may be waived by the BHA/WCHA in extenuating circumstances. Unless so waived, the failure to make such payments shall result in a termination of the grievance procedure: Provided, that failure to make payment shall not constitute a waiver of any right the complainant may have to contest the BHA/WCHA's disposition of his or her grievance in any appropriate judicial proceeding.

F. SCHEDULING OF HEARINGS. Upon complainant's compliance with the foregoing requirements for the filing of a grievance and the request of a hearing, a hearing shall be scheduled by the hearing officer or hearing panel promptly for a time and place reasonably convenient to both the complainant and the BHA/WCHA. A written notification specifying the time, place and the procedures governing the hearing shall be delivered to the complainant and the appropriate BHA/WCHA official.

(1) The BHA/WCHA may establish an expedited grievance procedure for any grievance concerning a termination of tenancy or eviction that involves: (i) Any criminal activity or activity that would be considered a crime that threatens the health, safety, or right to peaceful enjoyment of the BHA/WCHA's public housing premises by other Residents or employees of the BHA/WCHA, or (ii) Any drug-related criminal activity on or near such premises. (2) In the case of a grievance under the expedited grievance procedure, informal settlement of grievances/procedures is not applicable. H. PROCEDURES GOVERNING THE HEARING.

- (a) The hearing shall be held before a hearing officer.
- (b) The complainant shall be afforded a fair hearing, which shall include:
 - (1) The opportunity to examine before the grievance hearing any BHA/WCHA documents, including records and regulations, which are directly relevant to the hearing. The Tenant shall be allowed to copy any such document at the Tenant's expense. If the BHA/WCHA does not make the document available for examination upon request by the complainant, the BHA/WCHA may not rely on such document at the grievance hearing.
 - (2) The right to be represented by counsel or other person chosen as the Tenant's representative, and to have such person make statements on the Tenant's behalf;
 - (3) The right to a private hearing unless the complainant requests a public hearing;
 - (4) The right to present evidence and arguments in support of the Tenant's complaint, to controvert evidence relied on by the

BHA/WCHA or project management, and to confront and cross-examine all witnesses upon whose testimony or information the BHA/WCHA or project management relies; and

- (c) The hearing officer may render a decision without proceeding with the hearing if the hearing officer determines that the issue has been previously decided in another proceeding.
- (d) If the complainant or the BHA/WCHA fails to appear at a scheduled hearing, the hearing officer panel may make a determination to postpone the hearing for not to exceed 5 business days or may make a determination that the party has waived his right to a hearing. Both the complainant and the BHA/WCHA shall be notified of the determination by the hearing officer: Provided, that a determination that the complainant has waived his right to a hearing shall not constitute a waiver of any right the complainant may have to contest the BHA/WCHA's disposition of the grievance in an appropriate judicial proceeding.
- (e) At the hearing, the complainant must first make a showing of an entitlement to the relief sought and thereafter the BHA/WCHA must sustain the burden of justifying the BHA/WCHA action or failure to act against which the complaint is directed.
- (f) The hearing shall be conducted informally by the hearing officer and oral or documentary evidence pertinent to the facts and issues raised by the complaint may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings. The hearing officer shall require the BHA/WCHA, the complainant, counsel and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directions of the hearing officer to obtain order may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.
- (g) The complainant or the BHA/WCHA may arrange, in advance and at the expense of the party making the arrangement, for a transcript of the hearing. Any interested party may purchase a copy of such transcript.
- (h) Accommodation of persons with disabilities.
 - (1) The BHA/WCHA must provide reasonable accommodation for persons with disabilities to participate in the hearing. Reasonable

accommodation may include qualified sign language interpreters, readers, accessible locations, or attendants.

- (2) If the Tenant is visually impaired, any notice to the Tenant that is required under this subpart must be in an accessible format.

I. DECISION OF THE HEARING OFFICER.

- (a) The hearing officer or hearing panel shall prepare a written decision, together with the reasons therefore, within a reasonable time after the hearing. A copy of the decision shall be sent to the complainant and the BHA/WCHA. The BHA/WCHA shall retain a copy of the decision in the Tenant's folder. A copy of such decision, with all names and identifying references deleted, shall also be maintained on file by the BHA/WCHA and made available for inspection by a prospective complainant, his or her representative, or the hearing officer.
- (b) The decision of the hearing officer shall be binding on the BHA/WCHA, which shall take all actions, or refrain from any actions, necessary to carry out the decision unless the BHA/WCHA Board of Commissioners determines within a reasonable time, and promptly notifies the complainant of its determination, that
 - (1) The grievance does not concern BHA/WCHA action or failure to act in accordance with or involving the complainant's lease on BHA/WCHA regulations, which adversely affect the complainant's rights, duties, welfare or status;
 - (2) The decision of the hearing officer or hearing panel is contrary to applicable Federal, State or local law, HUD regulations or requirements of the annual contributions contract between HUD and the BHA/WCHA.
- (c) A decision by the hearing officer, or Board of Commissioners in favor of the BHA/WCHA, or which denies the relief requested by the complainant in whole or in part, shall not constitute a waiver of, nor affect in any manner whatever, any rights the complainant may have to a trial de novo or judicial review in any judicial proceedings, which may thereafter be brought in the matter.

23.3 HOUSING AUTHORITY EVICTION ACTIONS

If a Tenant has requested a hearing in accordance with these duly adopted Grievance procedures on a complaint involving a BHA/WCHA notice of termination of tenancy,

and the hearing officer upholds the BHA/WCHA action, the BHA/WCHA shall not commence an eviction action until it has served a notice to vacate on the Tenant.

Such notice to vacate must be in writing and specify that if the Tenant fails to quit the premises within the applicable statutory period, or on the termination date as stated in the notice of termination, which ever is later, appropriate action will be brought against the complainant. The complainant may be required to pay court costs and attorney fees.

23.4 APPEALS BY APPLICANTS

Applicants who are determined ineligible, who do not meet the BHA/WCHA admission standards, or where the BHA/WCHA does not have an appropriate size and type of unit in its inventory, will be given written notification promptly, including the reason for the determination. Ineligible applicants will be promptly notified and provided with a letter detailing their individual status stating the reason for their ineligibility and offering them an opportunity for an informal hearing. If the applicant requests an informal hearing, the BHA/WCHA will provide an informal hearing within 30 working days of receiving the request. The BHA/WCHA will notify the applicant of the place, date and time. Informal hearings will be conducted by an impartial hearing officer. The person who is designated as the hearing officer cannot be the person who made the determination of ineligibility or a subordinate of that person.

The applicant may bring to the hearing any documentation or evidence along with the data compiled by the BHA/WCHA which will be considered by the hearing officer.

The hearing officer will make a determination based upon the merits of the evidence presented by both sides. Within 15 working days of the date of the hearing, the hearing officer will mail a written decision to the applicant and place a copy of the decision in the applicant's file.

The grievance procedures for Public Housing do not apply to BHA/WCHA determinations that affect applicants.

23.5 HEARING AND APPEAL PROVISION FOR "RESTRICTIONS ON ASSISTANCE TO NON-CITIZENS"

- A. ASSISTANCE. Assistance to a family may not be delayed, denied, reduced or terminated on the basis of immigration status at any time prior to the receipt of the decision on the INS appeal. Assistance to the family may not be delayed, denied, reduced, or terminated while the BHA/WCHA hearing is pending but assistance to an applicant may be delayed as allowed by applicable HUD regulations

B. **INS DETERMINATION OF INELIGIBILITY.** If a family member claims to be an eligible immigrant and the INS SAVE system and manual search do not verify the claim, the BHA/WCHA notifies the applicant or tenant within 10 days of his or her right to appeal to the INS within 30 days or to request an informal hearing with the BHA/WCHA either in lieu of or subsequent to the INS appeal.

If the family appeals to the INS, they must give the BHA/WCHA a copy of the appeal and proof of mailing or the BHA/WCHA may proceed to deny or terminate. The time period to request an appeal may be extended by the PHA for good cause.

The request for a BHA/WCHA hearing must be made within 14 days of receipt of the notice offering the hearing or, if an appeal was made to the INS, within 14 days of receipt of that notice.

After receipt of a request for an informal hearing, the hearing is conducted as described in the "Grievance Policy" for both applicants and participants. If the hearing officer decides that the individual is not eligible, and there are no other eligible family members, the BHA/WCHA will:

?? Deny the applicant family.

?? Defer termination if the family is a participant and qualifies for deferral.

?? Terminate the participant if the family does not qualify for deferral.

If there are eligible members in the family, the BHA/WCHA will offer to prorate assistance or give the family the option to remove the ineligible members.

All other complaints related to eligible citizen/immigrant status:

If any family member fails to provide documentation or certification as required by the regulation, that member is treated as ineligible. If all family members fail to provide, the family will be denied or terminated for failure to provide.

Participants whose termination is carried out after temporary deferral may not request a hearing since they had an opportunity for a hearing prior to the termination.

Participants whose assistance is pro-rated (either based on their statement that some members are ineligible or due to failure to verify eligible immigration status for some members after exercising their appeal and hearing rights described above) are entitled to a hearing based on the right to a hearing regarding determinations of Tenant Rent and Total Tenant Payment.

Families denied or terminated for fraud in connection with the non-citizens rule are entitled to a review or hearing in the same way as terminations for any other type of fraud.

24.0 FRAUD COMMITTED BY FAMILY

If the family fails to provide timely, complete and accurate information as required to correctly calculate rent subsidy, the Bellingham Housing Authority may consider any such action or inaction by the family to constitute program fraud. If fraud is suspected, the Bellingham Housing Authority will take steps to investigate the circumstances. If it is determined that the family acted willfully to conceal or misrepresent facts that are material to rent calculation then the Bellingham Housing Authority will take appropriate action against the family.

1. The Bellingham Housing Authority will notify the family that it is reviewing the family's file in response to information that it has received. The notice will state that the family may be asked to attend an interview once the investigative phase has been completed.
2. The Bellingham Housing Authority will thoroughly document the family's file as part of an investigation of the facts. Such documentation will include the source of information, effective dates of unreported or misreported facts and the type and source of verification obtained. When fraud is suspected, the Bellingham Housing Authority may request information from third parties without obtaining permission from the family if the family refuses to sign releases when requested.
3. If the Housing Authority determines that there was a willful act on the part of the family in an attempt to increase the family's housing subsidy, the Bellingham Housing Authority will recalculate the subsidy.
4. After the adjustment in subsidy has been calculated, the Bellingham Housing Authority will interview the family and present the facts of the case. The family will be advised of their right to an informal hearing at that time.
5. The family will be offered an opportunity to repay any overpayment of housing subsidy. If the family accepts their responsibility for repayment and completes their obligation under a repayment agreement, the Bellingham Housing Authority will close the matter. However, the family will be notified that they are subject to a zero-tolerance policy for future misrepresentation of facts that could affect their subsidy calculation
6. The Bellingham Housing Authority will notify the HUD Seattle Field Office of the outcome of the investigation and the proposed resolution. If the family fails to follow through with the repayment agreement then the case will be referred to the HUD Seattle Field Office for possible federal prosecution

7. The Bellingham Housing Authority has determined, on the basis of its investigation of the facts, that the family has willfully failed to report a change of family conditions within the time frames specified elsewhere in this ACOP . Such a failure to report changes may result in retroactive adjustments to the family's subsidy. Retroactive adjustments may necessitate a repayment of subsidy by the family. If the family refuses to repay the subsidy overpayment or fails to abide by the terms of a repayment agreement, the Bellingham Housing Authority may forward the case to the Seattle HUD Field Office for further action including possible federal prosecution.

If the Bellingham Housing Authority determines that the family has committed program fraud by under-reporting income or by failing to report in a timely fashion any changes in family situation that would have a material impact upon subsidy calculations, the effective date of the change will be the first day of the month following the change of circumstances. All such determinations will be reported to the Department of Housing and Urban Development at the Seattle Field Office

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The BELLINGHAM/WHATCOM COUNTY Housing Authorities will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the Bellingham Housing Authority may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

25.5 THE PROCESS

Upon admission or at the first annual reexamination on or after BHA/WCHA Fiscal Year starting October 1st of each year, and each annual reexamination thereafter, the BELLINGHAM/WHATCOM COUNTY Housing Authorities will work with the

Whatcom Volunteer Center (WVC) to do the following:

1. Provide orientation and a list of volunteer opportunities to the family members.
2. Provide information about obtaining suitable volunteer positions.
3. Enroll members and provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
4. The volunteer center will track the family member's progress monthly.
5. The WVC will provide BHA monthly reports of hours so that at least thirty (30) calendar days before the family's next lease anniversary date the BELLINGHAM/WHATCOM COUNTY Housing Authorities can determine whether each applicable adult family member is in compliance with the community service requirement.

25.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The BELLINGHAM/WHATCOM COUNTY Housing Authorities will notify any family found to be in noncompliance of the following:

1. The family member(s) has been determined to be in noncompliance;
2. That the determination is subject to the grievance procedure; and
3. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

25.7 OPPORTUNITY FOR CURE

The BELLINGHAM/WHATCOM COUNTY Housing Authorities will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. It will state the number of hours that the family member is deficient. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's

commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the BELLINGHAM/WHATCOM COUNTY Housing Authorities shall take action to terminate the lease unless the noncompliant family member no longer lives in the unit.

25.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES

In implementing the service requirement, the BELLINGHAM/WHATCOM COUNTY Housing Authorities may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees or replace a job at any location where residents perform activities to satisfy the service requirement.

APPENDIX I: ADDENDUM FOR PROGRAM INTEGRITY

PROGRAM INTEGRITY ADDENDUM

INTRODUCTION

The US Department of HUD conservatively estimates that 200 million dollars is paid annually to program participants who falsify or omit material facts in order to gain more rental subsidy than they are entitled to under the law. HUD further estimates that 12% of all HUD-assisted families are either totally ineligible, or are receiving benefits that exceed their legal entitlement. The BHA/WCHA is committed to assure that the proper level of benefits is paid to all tenants, and that housing resources reach only income-eligible families so that program integrity can be maintained.

The BHA/WCHA will take all steps necessary to prevent fraud, waste, and mismanagement so that program resources are utilized judiciously.

This Section outlines the BHA/WCHA's policies for the prevention, detection and investigation of program abuse and tenant fraud.

A. CRITERIA FOR INVESTIGATION OF SUSPECTED ABUSE AND FRAUD

Under no circumstances will the BHA/WCHA undertake an inquiry or an audit of a tenant family arbitrarily. The BHA/WCHA's expectation is that tenant families will comply with HUD requirements, provisions of the lease, and other program rules. The BHA/WCHA staff will make every effort (formally and informally) to orient and educate all families in order to avoid unintentional violations. However, the BHA/WCHA has a responsibility to HUD, to the Community, and to eligible families in need of housing assistance, to monitor tenants' lease obligations for compliance and, when indicators of possible abuse come to the BHA/WCHA's attention, to investigate such claims.

The BHA/WCHA will initiate an investigation of a tenant family only in the event of one or more of the following circumstances:

Referrals, Complaints, or Tips. The BHA/WCHA will follow up on referrals from other agencies, companies or persons that are received by mail, by telephone or in person, which allege that a tenant family is in non-compliance with, or otherwise violating the lease or the program rules. Such follow-up will be made providing that the referral contains at least one item of information that is independently verifiable. A copy of the allegation will be retained in the tenant file.

Internal File Review. A follow-up will be made if BHA/WCHA staff discovers (as a function of a [re]certification, an interim redetermination, or a quality control review), information or facts, which conflict with previous file data, the BHA/WCHA's knowledge of the family, or is discrepant with statements made by the family.

Verification or Documentation. A follow-up will be made if the BHA/WCHA receives independent verification or documentation that conflicts with representations in the tenant file (such as public record information or credit bureau reports, reports from other agencies).

B. STEPS THE BHA/WCHA WILL TAKE TO PREVENT PROGRAM ABUSE AND FRAUD

The management and occupancy staff will utilize various methods and practices (listed below) to prevent program abuse, non-compliance, and willful violations of program rules by applicants and tenant families. This policy objective is to establish confidence and trust in the management by emphasizing education as the primary means to obtain compliance by tenant families.

Resident Counseling. The BHA/WCHA will routinely provide tenant counseling as a part of every recertification interview in order to clarify any confusion pertaining to program rules and requirements.

Review and explanation of Forms. Staff will explain all required forms and review the contents of all (re)certification documents prior to signature.

Tenant Certification. All family representatives will be required to sign a "Tenant Certification" form, as contained in HUD's Tenant Integrity Program Manual.

C. STEPS THE BHA/WCHA WILL TAKE TO DETECT PROGRAM ABUSE AND FRAUD

The BHA/WCHA Staff will maintain a high level of awareness to indicators of possible abuse and fraud by assisted families.

Observation. The BHA/WCHA Management and Occupancy Staff (to include maintenance personnel) will maintain high awareness of circumstances that may indicate program abuse or fraud, such as unauthorized persons residing in the household and unreported income.

Public Record Bulletins may be reviewed by Management and Staff.

D. THE BHA/WCHA'S HANDLING OF ALLEGATIONS OF POSSIBLE ABUSE AND FRAUD

The BHA/WCHA staff will encourage all tenant families to report suspected abuse to Director of Housing Programs. All such referrals, as well as referrals from community members and other agencies, will be thoroughly documented and placed in the tenant file. All allegations, complaints and tips will be carefully evaluated in order to determine if they warrant follow-up. The HA will not follow up on allegations which are vague or otherwise non-specific. The HA will only review allegations which contain one or more independently verifiable facts.

File Review. An internal file review will be conducted to determine:

If the subject of the allegation is a tenant of the BHA/WCHA and, if so, to determine whether or not the information reported has been previously disclosed by the family.

It will then be determined if the BHA/WCHA is the most appropriate authority to do a follow-up (more so than police or social services). Any file documentation of past behavior as well as corroborating complaints will be evaluated.

Conclusion of Preliminary Review. If at the conclusion of the preliminary file review there is/are fact(s) contained in the allegation which conflict with file data, and the fact(s) are independently verifiable, the Director of Housing Programs will initiate an investigation to determine if the allegation is true or false.

E. HOW THE BHA/WCHA WILL INVESTIGATE ALLEGATIONS OF ABUSE AND FRAUD

If the BHA/WCHA determines that an allegation or referral warrants follow-up, either the staff person who is responsible for the file or a person designated by the Executive Director to monitor the program compliance will conduct the investigation. The steps taken will depend upon the nature of the allegation and may include, but are not limited to, the items listed below. In all cases, the BHA/WCHA will secure the written authorization from the program participant for the release of information.

Credit Bureau Inquiries. In cases involving previously unreported income sources, a CBI inquiry may be made to determine if there is financial activity which conflicts with the reported income of the family.

Verification of Credit. In cases where the financial activity conflicts with file data, a Verification of Credit form may be mailed to the creditor in order to determine the unreported income source.

Employers and Ex-Employers. Employers or ex-employers may be contacted to verify wages, which may have been previously undisclosed or misreported.

Neighbors/Witnesses. Neighbors and/or other witnesses may be interviewed who are believed to have direct or indirect knowledge of facts pertaining to the BHA/WCHA's review.

Other Agencies. Investigators, caseworkers or representatives of other benefit agencies may be contacted.

Public Records. If relevant, the BHA/WCHA will review public records kept in any jurisdictional courthouse. Examples of public records which may be checked are: real estate, marriage, divorce, uniform commercial code financing statements, voter registration, judgments, court or police records, state wage records, utility records and postal records.

Interviews with Head of Household or Family Members. The BHA/WCHA will discuss the allegation (or details thereof) with the Head of Household or family member by scheduling an appointment at the appropriate BHA/WCHA office. A high standard of courtesy and professionalism will be maintained by the BHA/WCHA Staff Person who conducts such interviews. Under no circumstances will inflammatory language, accusation, or any unprofessional conduct or language be tolerated by the management. If possible, an additional staff person will attend such interviews.

F. PLACEMENT OF DOCUMENTS, EVIDENCE AND STATEMENTS OBTAINED BY THE BHA/WCHA

Documents and other evidence obtained by the BHA/WCHA during the course of an investigation will be considered "work product" and will either be kept in the tenant file, or in a separate "work file." In either case, the tenant file or work file shall be kept in a secure location. Such cases under review will not be discussed among BHA/WCHA Staff unless they are involved in the process, or have information that may assist in the investigation.

G. CONCLUSION OF THE BHA/WCHA'S INVESTIGATIVE REVIEW

At the conclusion of the investigative review, the reviewer will report the findings to the Executive Director or designee. It will then be determined whether a violation has occurred, a violation has not occurred, or if the facts are inconclusive.

H. EVALUATION OF THE FINDINGS

If it is determined that a program violation has occurred, the BHA/WCHA will review the facts to determine:

The type of violation. (Procedural, non-compliance, fraud.)

Whether the violation was intentional or unintentional.

What amount of money (if any) is owed by the tenant.

Is the family eligible for continued occupancy?

I. ACTION PROCEDURES FOR VIOLATIONS WHICH HAVE BEEN DOCUMENTED

Once a program violation has been documented, the BHA/WCHA will propose the most appropriate remedy based upon the type and severity of the violation.

Procedural Non-compliance

This category applies when the tenant "fails to" observe a procedure or requirement of the BHA/WCHA , but does not misrepresent a material fact, and there is no retroactive rent owed by the family. Examples of non-compliance violations are:

?? Failure to appear at a pre-scheduled appointment.

?? Failure to return verification in time period specified by the BHA/WCHA .

Warning Notice to the Family. In such cases a notice will be sent to the family that contains the following:

?? A description of the non-compliance and the procedure, policy or obligation that was violated.

?? The date by which the violation must be corrected, or the procedure complied with.

?? The action that will be taken by the BHA/WCHA if the procedure or obligation is not complied with by the date specified by the BHA/WCHA.

?? The consequences of repeated (similar) violations.

Intentional Misrepresentations

When a tenant falsifies, misstates, omits or otherwise misrepresents a material fact which results (or would have resulted) in an underpayment of rent by the tenant, the BHA/WCHA will evaluate whether or not:

?? the tenant had knowledge that his/her actions were wrong, and

?? that the tenant willfully violated the lease or the law.

Knowledge that the action or inaction was wrong. This will be evaluated by determining if the tenant was made aware of program requirements and prohibitions. The tenant's signature on various certification, briefing certificate, Personal Declaration and *Things You Should Know* are adequate to establish knowledge of wrongdoing.

The tenant willfully violated the law. Any of the following circumstances will be considered adequate to demonstrate willful intent:

- ?? An admission by the tenant of the misrepresentation.
- ?? That the act was done repeatedly.
- ?? If a false name or Social Security Number was used.
- ?? If there were admissions to others of the illegal action or omission.
- ?? That the tenant omitted material facts that were known to them (e.g., employment of self or other household member).
- ?? That the tenant falsified, forged or altered documents.
- ?? That the tenant uttered and certified to statements at a rent (re)determination that were later independently verified to be false.

Dispositions of Cases Involving Misrepresentations

In all cases of misrepresentations involving efforts to recover moneys owed, the BHA/WCHA may pursue, depending upon its evaluation of the criteria stated above, one or more of the following actions:

Criminal Prosecution: If the BHA/WCHA has established criminal intent, and the case meets the criteria for prosecution, the BHA/WCHA may:

Refer the case to the local State or District Attorney, notify HUD's RIGI, and terminate rental assistance.

Administrative Remedies: The BHA/WCHA may:

- ?? Terminate tenancy and demand payment of restitution in full.
- ?? Terminate tenancy and execute an administrative repayment agreement in accordance with the BHA/WCHA's Repayment Policy.
- ?? Terminate tenancy and pursue restitution through civil litigation.
- ?? Permit continued occupancy at the correct rent and execute an administrative repayment agreement in accordance with the BHA/WCHA's repayment policy.

APPENDIX II: PET LEASE ADDENDUM

RESIDENT ACKNOWLEDGMENT

After reading and/or having read to me this lease addendum I, _____ agree to the following:

I agree to accept full responsibility and will indemnify and hold harmless the landlord for any claims by or injuries to third parties or their property caused by my pet(s).

I agree to pay a non-refundable annual fee of \$_____ to the BHA/WCHA to cover some of the additional operating costs incurred by the BHA/WCHA. I also understand that this fee is due and payable prior to the execution of this lease addendum and each twelve (12) months thereafter.

I agree to maintain the following minimum property damage and liability insurance for my pet or my own actions or negligence related to my pet, with the BHA/WCHA added as an additional insured

_____.

I agree to pay a refundable pet deposit of \$_____ to the BHA/WCHA. The Annual Fee and Initial Deposit must be paid prior to the execution of this lease addendum. The pet deposit may be used by the Landlord at the termination of the lease toward payment of any rent or toward payment of any other costs made necessary because of Tenant's occupancy of the premises. Otherwise, the pet deposit, or any balance remaining after final inspection, will be returned to the Tenant after the premises are vacated and all keys have been returned.

I agree and understand that all information concerning my pet(s) must be updated annually and provided to the BHA/WCHA at the Annual Reexamination. Annual Fees shall be payable in full twelve (12) months from the approval date.

I agree and understand that violating this lease addendum may result in the removal of the pet(s) from the property of the BHA/WCHA and/or eviction. I also understand that I may not be allowed to own any type of pet in the future while being an occupant of the BHA/WCHA.

I also understand that I must obtain prior approval from the Housing Authority before making a change of a pet for which this policy was approved, or adding a second pet. Also, a picture of the pet(s) will be taken by the Housing Authority staff for documentation.

Income Limits
Section 8 Voucher Program
Attachment Q: (wa025q01)

Currently, the Bellingham Housing Authority's (BHA) Section 8 Voucher Program admits families whose income does not exceed extremely low-income limits (0 – 30% of area median income) and very low-income limits (30 – 50% of area median income). The BHA is required by statute to house 75% of newly admitted families in any fiscal year to families who are extremely low-income. The BHA is adopting a policy to allow families whose income does not exceed 80% of the area median income (low-income limit) to be eligible for the Section 8 Voucher Program. This inclusion of low-income families will allow the BHA to house 25% of newly admitted families from 30% to 80% of median income.

This action is being taken due to the fact that the housing needs for the jurisdiction (the City of Bellingham) show that 6,626 families are identified as being either extremely, very-low, or low-income. Of the 6,626 families, 35% are extremely low-income, 25% are very-low income, and 40% are low-income. The high number of low-income families needs to be addressed in our community. For this reason, the BHA is allowing for low-income families to be considered eligible.

As required by regulation, the addition of low-income families in the Section 8 Voucher program must be consistent with the Consolidate Plan. The BHA believes this action is consistent based on the goals identified as follows:

The City of Bellingham has identified the following goals in the Consolidated Plan:

- Goal 1: Over 5 years, enable 100 low-income households to rent market rate housing.
- Strategy: Provide a subsidy mechanism to allow low-income households to obtain and maintain occupancy in market rate housing.
- Generate additional housing resources for low-income households in Bellingham.
- Goal 3: Over 5 years, rehabilitate 125 units of housing to improve the living conditions of low and moderate-income households residing in the City of Bellingham.
- Strategy: Provide funding and technical assistance to enable low or moderate-income homeowners and renters to live in safe and decent housing.
