This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Deconcentration Policy for Covered Developments			
Development Name	Number of Units	Explanation (if any) [see step 4 at §903.2(c)(1)(iv)]	Deconcentration policy (if no explanation) [see step 5 at §903.2(c)(1)(v)]
South Highland (114-1)	24	\$11,304.72	
South Highland (114-2)	16	\$13,722.12	
Randolph Court (114-3)	20	\$12,567.64	
Lee Heights (114-4)	20	\$14,087.54	
Smith Apartments (114-5)	36	\$11,501.34	
Blakes Ferry (114-7)	50	\$15,167.76 – See Below	
Tallapoosa Heights (114-8)	25	\$7,202.71 – See Below	

Average annual gross income for the Housing Authority as a whole is \$12,497.72. The acceptable range would therefore be \$10,623.06 (85%) to \$14,372.38 (115%).

EXPLANATION: Blakes Ferry (114-7) has an over inflated average due to this site containing no 1-BR units, a majority of working families, and only one elderly household. Review of tenant statistics for this site revealed that the average HH size is 3.10 persons and 35 of the 50 units (70.0%) have sources of income other than child support, pension, SSI, or Social Security. All of these factors depict a housing site that is made up of family living. Tallapoosa Heights (114-8), on the other hand, is located in Wadley where there is a local junior college. This development added ten 1 BR units that mainly rent to college students. Due to the limited income of college students the average for the development as a whole has been lowered.

Admissions Policy for Deconcentration is contained in the Admissions and Continued Occupancy policy (ACOP), as approved previously by DHUD. The ACOP is on display only.

B. Section 8

Exemptions: PHAs that do not administer section 8 are not required to complete sub-component 3B. Unless otherwise specified, all questions in this section apply only to the tenant-based section 8 assistance program (vouchers, and until completely merged into the voucher program, certificates).

(1) Eligibility

- Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)
- Other: (list below)

b. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The State of Alabama does not operate any PHAs and is therefore limited to support the programs that allow PHAs to maintain viable programs. However, it is recognized that the PHA Plan is supported by the State Consolidated Plan in that the mission statement of the Housing Authority is in agreement with many State of Alabama initiatives with respect to low to moderate income families and their needs.

In the FY 2005 State of Alabama Annual Plan, the creation and coordination of a statewide homeless coalition and continuum of care effort has aided in the State's ability to provide services in a coordinated manner. The State relies heavily on others involved in the implementation of housing and social services and consults with the units of local government, program directors, etc. on a regular basis to determine the greatest needs and the best way to address them.

The State Plan recognizes that the state's primary objective is the provision of affordable housing. In addition removal of barriers to affordable housing is addressed with land use restrictions, which might require that a reasonable percentage of all new planned subdivisions be targeted for more moderate-income Alabamians. Coordination with ADECA and other appropriate agencies and organizations to develop water and sewer lines, streets, parks, and other facilities necessary for quality residential development is also encouraged.

Finally, with respect to fair housing, the State suggests that lending practices be evaluated and continuous education be in place for dealing with the disadvantaged so as to prevent the "NIMBY" syndrome, or "not in my back yard". The State recognizes that established homeowners and business people are much more likely to embrace new lower income housing developments if the projects have feasible short-term and long-term strategies.

POLICY DEFINING A SUBSTANTIAL CHANGE IN THE ADOPTED AGENCY PLAN

The Housing and Quality Work Responsibility Act of 1998 requires that the Housing Authority notify the Resident Advisory Council, the Board of Commissioners and the U.S. Department of Housing and Urban Development of any “substantial change” or “significant amendment” in the Agency’s Annual Plan and in the Five (5) -Year Plan, including proposed modernization and capital improvement activities that have been preplanned.

For the modernization work items that have been proposed and reviewed at the public meeting held for this purpose and have been approved by the Board of Commissioners of the Housing Authority for submission to HUD, the Housing Authority recognizes that: (1) conditions may change from time to time from the original work item and from the original anticipated project, (2) that there may be a need to change certain rent and admission policies, and (3) that there may be need to change PHA programs and activities. Based upon said potential for change, the Housing Authority recognizes that it has a duty and responsibility to the residents, to the Resident Advisory Council, to the Board of Commissioners and to the general public to notify them of any significant amendment in the overall work item plan.

Accordingly, the Housing Authority hereby defines “substantial change” or “significant amendment” as a permanent change that will: (1) delete a work category from the original annual and/or five-year budget; (2) include a work category that was not previously included in the original annual and/or five-year budget; (3) add non-emergency work items not included in the current Annual Statement or Five-Year Action Plan; (4) change the use of replacement reserves under the Capital Fund; (5) add new activities not included in the PHDEP Plan; (6) change any proposed programs with regard to demolition or disposition, designation, homeownership programs or conversion activities; (7) change the rent or admission policies or organization of the waiting list; and (8) change any management policy that is covered by the Agency Plans. An exception to this definition will be made for any of the above listed items that are adopted to reflect changes in HUD regulatory requirements. The mere change of estimated cost or the change of work items between one project to another is not defined as a “substantial change” for the purpose of this policy.

The Executive Director is assigned the responsibility of making the required notification to all interested and affected parties, as well as the responsibility of notifying all interested and affected parties of any “substantial change” or “significant amendment” to the Annual Plan and the Five (5) – Year Plan as well as notification to the public of any material change, that is not defined as a substantial change in the Agency Plans that, in the opinion of the Executive Director should be made known to the public as a matter of appropriate administrative action.

Adopted this 17th day of July, 2001.
