ACCOMPLISHMENTS FY 2004-2005

HUD Strategic Goal: Increase availability of decent, safe and affordable housing

1) PHA Goal: Expand the supply of assisted housing

Accomplishment

The Garden Grove Housing Authority maintains 100% lease-up in order to maximize the funding received and address the lengthy waiting list. Turnover is anticipated and new Vouchers are issued in anticipation of tenants dropping from program. The Authority intends to respond to any appropriate Notice of Funding announcements, which come available in the future. During the current fiscal year, no Notices of Funding became available; therefore the Garden Grove Housing Authority was not able to apply for any additional funding to expand its program.

2) PHA Goal: Improve the quality of assisted housing

Accomplishment:

The inspection staff has completed formal Housing Quality Standards training and received certifications after rigorous testing. Inspectors received training in the local codes governing safe installation of Hot Water Heaters from the City of Garden Grove Building Department and Mold & Mildew Training from a Certified Specialist. They also completed training in Effective Communication and Negotiation Skills. The eligibility staff received formal training on Rent Calculation and Occupancy in order to ensure consistency and increase accuracy. Senior level staff attended HUD-sponsored Rental Integrity training to ensure that eligibility regulations were being applied correctly and rent calculations were error-free.
