9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 – 2004)

PHA Goal: Expand the supply of assisted housing:

Objectives: Apply for additional rental vouchers

Placer County Housing Authority (PCHA) will apply for any new rental vouchers as they become available by HUD. PCHA will target 4 NOFA applications by June 30, 2005 or as they become available by HUD.

PCHA will achieve and maintain a lease up rate of at least 95% of available rental vouchers by June 30, 2004.

Achievement/Progress:

PCHA applied for and received 25 additional rental vouchers in 2001. PCHA was successful in applying for at least the 4 NOFA applications as sited under goals, however, the limited availability of new funding for the Housing Choice Voucher Program limits the ability for PCHA to be successful in this goal.

The RHA did achieve 95% lease up during the first 4 years of the 5 year plan. Due to HUD budget based renewal formula versus unit basing, PCHA has frozen payment standards of the FMR in the 2004/05 fiscal year. This is being done while we assess alternatives available and to ensure that no families are taken off the program or are in jeopardy of losing housing.

PHA Goal: Improve the quality of assisted housing

Objectives: Improve voucher management: (SEMAP score)

PCHA will improve SEMAP scores by attaining 90% of scoring indicators. PCHA will attain 90% rating by the 2000/2001 fiscal year.

Achievement/Progress:

PCHA did not achieve a high performing status in the first 3 years of this plan but succeeded in earning high performer status in 2003 with a SEMAP rating of 91% and in 2004 with a SEMAP rating of 92%.

PHA Goal: Increase assisted housing choices

Objectives: Conduct outreach efforts to potential voucher landlords

PCHA will implement an outreach program to attract a minimum of 12 new landlords to participate in the Section 8 program by June 30, 2005.

Achievement/Progress:

PCHA met and exceeded this goal of attracting 12 new landlords to the program during the 5 year period. We had nearly doubled this number by 2004 and continue to encourage participation in the program.

PHA Goal: Ensure equal opportunity and affirmatively further fair housing

Objectives:

Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status and disability:

Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required:

PCHA will assist Legal Services of Northern California (LSNC) and Placer Independent Resource Services (PIRS) in informing Section 8 applicants/participants and landlords

about fair housing issues, and in identification of all handicap accessible units within the Placer County area.

Achievement/Progress:

PCHA completed the goal by collaborating with LSNP to provide information to applicants/participants and landlords utilizing both the Housing Task Force, which provides training and technical assistance in housing advocacy and the Fair Housing Hotline, which provides trainings and consultations in the area of housing discrimination.

PIRS, in cooperation with PCHA, continues to provide monthly updates with their newsletter that addresses issues of accessible housing and other information on services for individuals with disabilities. We have utilized input from PIRS and our other community resources in putting together a housing list that identifies units within Placer County that accommodate individuals with disabilities, are below market rent or based on income, available to senior citizens or to individuals with mental health issues. Staff can also access the National Accessible Apartment Clearinghouse website to identify new developments that provide accessible units: www.aptsforrent.com/naac/naac.html

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. - Other (describe below:)

c. Indicate the number of units and general location of units (e.g. eligible census tracts or smaller areas within eligible census tracts):
