Attachment B – Goals and Objectives

The Housing Authority of the Town of Greenwich has established three goals and objectives as part of its PHA Agency Plan. The goals are stated below, along with responses indicating progress made toward achieving these goals and objectives.

Goal #1: To manage the Housing Authority of the Town of Greenwich programs in an efficient and effective manner, and be recognized as a high performer by 2006 IN PHAS. The Housing Authority is already recognized as a High Performer with regards to SEMAP.

Training opportunities have been provided to staff on an on-going basis, as well as staff meetings to brief employees on new or revised regulations and information concerning the Housing Authority. Staff replacements at the senior management level have been made. The Housing Authority has received a positive review of our Comprehensive Grant Program by both the Army Corps of Engineers and by Krauss Management.

The Housing Authority continues to work with a number of community social service providers in an effort to bring meaningful services and programs to residents.

Goal #2: To provide a safe and secure environment in the Housing Authority of the Town of Greenwich developments.

Increased security for both resident and Housing Authority employees has been a primary focus of attention. A twenty-four hour security system has been installed at some of our developments. At Agnes Morely Heights, there are security cameras at all entrances and exits. This increased security has assisted the police in criminal investigations.

Goal #3: To expand the range and quality of housing choices available to people in the Town of Greenwich.

The Housing Authority applied for additional Housing Choice Vouchers for the Fiscal Year 2000, but was not funded. The Housing Authority was not eligible to apply in 2001 nor was it eligible to apply in 2002 or 2003 or 2004. We have sent informational letters to local realtors and landlords, promoting the Section 8 program. The GHA is currently at 100% of its Section 8 Budget Authority.

The Housing Authority is coordinating the development of 24 units of affordable housing within the Town of Greenwich. The Greenwich Housing Authority is designated as the preferred developer for these 24 units. The GHA is constructing 4 condos for homeownership by low income families. The expected completion of these 4 units is June 2005.
