Pet Policy

It is the policy of Dover Housing Authority to allow pets in all family units, under the following conditions:

1. Only one dog, cat or pet is allowed per bedroom per apartment.
2. No pets are to be left unattended on patios, balconies or tied up outdoors.
3. The following charges or deposits will be required if a pet is maintained:
 - **A non-refundable pet fee of \$20.00.** This fee will cover reasonable costs relating to the presence of pets. This fee will be added to the first month's rent and the first month of each annual renewal. The pet security deposit is considered an additional security deposit under the lease.
 - **A refundable pet deposit of \$100.00.** This amount is refundable only if the apartment is vacated without damage caused by a pet. Otherwise, the cost to correct any damage caused by a pet will be deducted from the deposit and the balance, if any, will be returned.
4. The following rules and regulations apply to all pet owners:
 - **Licenses:** all pets are required to be licensed according to Delaware State Law. A copy of the license must be provided to management.
 - **Vaccinations:** All pets are required to receive appropriate vaccinations according to Delaware State Law. A copy of the vaccination record must be provided to management.
 - **Leashes:** All pets outside of the apartment must be kept on a lease. This applies to cats as well as dogs. The pet is not permitted to roam the property unattended.
 - **Restricted Areas:** All pets are excluded from laundry rooms, playgrounds and recreational areas.
 - **Cleanup: Animal wastes are a danger to health and sanitation.** All pet owners are required to cleanup after their animals whether they are inside the apartment or outside on the grounds. Cat litter may not be disposed of in toilets. Cat litter may not be dropped down trash chutes unless securely bagged.
 - **Noise:** All pets are subject to local noise ordinances and may not disturb other residents.
 - **Temporary Pets:** No pets are allowed on a temporary basis. Residents are responsible for their pets.
 - **Dangerous Breeds:** Management in its sole discretion, may deny occupancy to animal breeds it deems unacceptable to apartment living. Rottweilers, Dobermans and Pit Bulls are prohibited.
 - **Exotic Pets:** Exotic pets are to be registered with the Department of Agriculture, as required by law. A copy of the USDA registration must be on file with Dover Housing Authority.

- **Termination:** Management can cancel the Pet Agreement at will if management, in its sole discretion, deems the agreement to have been violated.
- **Breeding:** Pets shall not be kept, bred or used for any commercial purpose.
- **Lease Addendum:** All residents who have pets are required to register the pet with the Dover Housing Authority and sign the Lease Addendum Pet Disclosure Agreement. A violation of this agreement is considered a lease violation.

Notwithstanding any provision herein, people with visual, hearing and physical disabilities may keep certified guide dogs or service dogs in their apartments. Further, nothing herein shall hinder full access to the apartments and the common areas by persons with disabilities assisted by service animals.

Community Service Requirement for Public Housing Residents

Adult residents of public housing will be required to perform eight hours of community service each month, or participate in a self-sufficiency program for at least eight hours every month. The following residents will be exempt from this requirement:

1. Elderly persons
2. Disabled persons
3. Employed persons
4. Persons exempted from work requirements under State of Delaware welfare to work programs.
5. Persons receiving assistance under a State program that have not been found to be in noncompliance with such a program.

DHA will determine compliance annually, 30 days prior to the expiration of the lease. If DHA determines that the resident is not in compliance, the resident will be notified of noncompliance and that the determination is subject to administrative grievance procedures. The resident's lease will not be renewed unless the resident enters into an agreement with DHA to make up the missed hours by participating in a self-sufficiency program or contributing to community service.

Residents who are required to perform eight hours of Community Service will satisfy this requirement by working directly for the Dover Housing Authority in the following capacities:

- Performing routine clerical duties
- Manning the information desk at Queen Manor
- Housekeeping chores
- Maintenance chores, yard cleanup etc.

Tracking and monitoring the Community Service volunteers will be the responsibility of the DHA Secretary/Office Manager. Residents will be informed of the policy in the DHA December 2000 issue of the Newsletter.

All residents who are exempted from the Community Service policy will be notified in December 2000. Residents will be given a choice of either performing Community Service or enrolling in the Family Self-Sufficiency Program. Tracking of compliance will begin in January 2001.

Deconcentration Plan

For
Dover Housing Authority

Purpose:

This plan was developed to specify the steps Dover Housing Authority will take in order to reduce the concentration of lower income and higher income public housing tenants in particular developments, should they exist and to affirmatively further fair housing.

Steps necessary to deconcentrate poverty in DHA developments:

Step 1: DHA will annually determine the average income of all families residing in all of its developments.

Step 2: Since all of DHA developments contain less than 100 units and all buildings house no more than 7 families, it is not necessary to determine the average income of residents by building.

Step 3: Determine which developments have an average income higher than the average for general occupancy developments. The developments will be designated “higher income developments”. Determine which developments have an average income lower than the average for general developments. These developments will be designated lower income developments”.

Step 4: Determine which families on the waiting list have incomes higher than the DHA-wide average income for general occupancy developments and which families have incomes lower than the DHA-wide average income for general occupancy developments.

Step 5: When a unit becomes available for occupancy in a higher income development, DHA will skip families on the waiting list if necessary to reach a lower income family to whom DHA will offer the unit. When a unit becomes available for occupancy in a lower income development, DHA will skip families on the waiting list if necessary to reach a higher income family to whom DHA will offer the unit.

Fair Housing Requirements:

All admission and occupancy policies for public housing and Section 8 tenant-based Housing programs will comply with Fair Housing Act requirements and regulations for affirmatively furthering fair housing. DHA will not require any specific income or racial quotas for any development or developments.

DHA will carry out its Deconcentration Plan in conformity with the nondiscrimination requirements in Federal civil rights laws. DHA will not assign a person to a particular section of a development or building based on race, color religion, sex, disability, familial status or national origin for purposes of segregating populations.

DHA policies that govern eligibility, selection and admissions have been designed to Reduce racial and national origin concentrations.

Dover Housing Authority's
Capacity to Operate the Section 8
Homeownership Program

A minimum down payment of at least 3% of purchase price will be required. In addition, the family must pay at least 1% of the purchase price from the family's personal resources.

Dover Housing Authority will require that financing be provided, insured or guaranteed by state or federal government and will comply with acceptable underwriting standards.
