A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004 .)

GOAL #1:

Enhance the attractiveness of the housing stock in order to compete with open market rental properties within the community.

- *Through past Capital Fund Programs we were able to modernize our units to compete with the open market. We have installed central heat and air in all of our units. Through Operating Subsidy we were able to landscape some of our property. Shutters were added to our older units for curb appeal.*
- *Our Board of Commissioners adopted a housekeeping policy on June 16, 2003. This policy enables Housing Authority Staff and residents to work together to provide decent, safe and sanitary housing for their families.*
- *Periodically the Executive Director goes over the preliminary plans for remodeling and improving the interior and exterior of all the developments.*

GOAL #2:

The Authority will increase the percentage of units meeting Uniform Physical Standards.

- *In 2003 our physical inspection score was 28 out of a maximum 30 points.*
- *Dallas Housing Authority Staff periodically attends UPCS training to keep updated on changes.*
- *The Executive Director and Maintenance Foreman routinely review maintenance procedures to develop strategies to improve the department's performance.*

GOAL #3:

Improve employee services and support systems.

- *The Dallas Housing Authority continues to upgrade the computer system to stay in line with today's changing technology.*
- *The Dallas Housing Authority remodeled our office with Capital Funds in 2004. We now have a private room to interview applicants and a kid's corner. A much needed Boardroom and Storage Room were also added.*
- *The Maintenance Foreman receives a monthly safety tip from GMA. He reviews the tip with his Staff and stresses other safety issues as well.*
- *To increase employee morale, we occasionally have cookouts and holiday get-togethers. We've just started a Stop Smoking Program at our Authority where they are awarded incentives if they can kick the habit.*
- *Our Board of Commissioners has approved a 5% across the board increase to our employees for the last 5 years. In February 2005, they approved and updated a new leave schedule.*
- *The Housing Authority collaborated with the Paulding County Health Department to provide hepatitis vaccines for our Maintenance Staff at no cost to them.*

14. DALLAS HOUSING AUTHORITY DECONCENTRATION POLICY

It is the Dallas Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into the development or lower income families into the developments (PHA wide). We will accomplish this in a uniform and non-discriminating manner.

The Dallas Housing Authority will affirmatively market our housing to all eligible income groups.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in our developments, (PHA wide) and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

OFFER OF A UNIT

The Dallas Housing Authority will offer a unit in accordance with the Dallas Housing Authority's Tenant Assignment and Selection Plan in the Admissions and Continued Occupancy Policy.
