B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

The following is an extract from our adopted Admissions and Continued Occupancy which incorporates the Federal targeting requirements; describes our preference for working families

and our Ceiling and Flat Rents which are designed to encourage working families with higher incomes to remain in occupancy.

10.3 SELECTION FROM THE WAITING LIST

The Fort Valley Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES

The Fort Valley Housing Authority will select families based on the following preferences within each bedroom size category based on our local housing needs and priorities:

- A. Displaced person(s): Individuals or families displaced by government action or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal Disaster Relief Laws.**
- B. Applicants with an adult family member enrolled in a employment training program, currently working at least 20 hours a week, or attending school on a full-time basis.** This preference is also extended equally to all elderly families and all families whose head or spouse is receiving income based on their inability to work.
- C. All other applicants.**

Based on the above preferences, all families in preference A will be offered housing before any families in preference B, and preference B families will be offered housing before any families in preference C.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

13.4 THE FLAT RENT

The Fort Valley Housing Authority has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its age, condition, amenities, services, and neighborhood. The Fort Valley Housing Authority determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied at the end of the annual lease (for more information on flat rents, see Section 15.3).

The Fort Valley Housing Authority will post the flat rents at each of the developments and at the central office. Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

There is no utility allowance for families paying a flat rent because the Fort Valley Housing Authority has already factored who pays for the utilities into the flat rent calculation..

13.5 CEILING RENT

The Fort Valley Housing Authority has set a ceiling rent for each public housing unit prior to October 1, 1999. The amount of the ceiling rent will be reevaluated annually and the adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family.

The Fort Valley Housing Authority will post the ceiling rents at each of the developments and at the central office. Ceiling rents are incorporated in this policy upon approval by the Board of Commissioners.

Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies or requires a transfer from a non-accessible unit. Any family required to transfer will be given a 30 calendar day notice.

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Fort Valley Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Fort Valley Housing Authority will provide Federal/State/local information to applicants/Residents of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. 3. PHA Policies Governing Eligibility, Selection, and Admissions

[24 CFR Part 903.12 (b), 903.7 (b)]

A. Public Housing

Exemptions: PHAs that do not administer public housing are not required to complete subcomponent 3A.

(1) Eligibility

a. When does the PHA verify eligibility for admission to public housing? (select all that apply)

- When families are within a certain number of being offered a unit: (state number)
- When families are within a certain time of being offered a unit: (state time)
- Other: (describe)

The following extract from our adopted Admissions and Continued Occupancy Policy describes our eligibility verification process.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information (i.e. family composition, income, etc.) establishing any preferences to which they may be entitled. This first phase results in an apparently eligible family's placement on the waiting list.

Upon receipt of the family's pre-application, the Fort Valley Housing Authority will make a preliminary determination of eligibility. The Fort Valley Housing Authority will notify an apparently eligible family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Fort Valley Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Fort Valley Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be made in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting

list. The Fort Valley Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current (less than 90 calendar days old) in order to determine the family's final eligibility for admission into the Public Housing Program.

b. Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing (select all that apply)?

- Criminal or Drug-related activity
- Rental history
- Housekeeping
- Other (describe)

The following extract from our adopted Admissions and Continued Occupancy Policy describes our suitability requirements.

8.3 SUITABILITY

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing lease. The Fort Valley Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other Residents, Fort Valley Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The Fort Valley Housing Authority will consider objective and reasonable aspects of the family's background, including the following:
 - 1. History of meeting financial obligations, especially rent and any utility payments;
 - 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other Residents;
 - 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other Residents or staff or cause damage to the property;
 - 4. History of disturbing neighbors or destruction of property;

5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
 6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.
- C. The Fort Valley Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Fort Valley Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:
1. A credit check of the head, spouse, co-head, and any other adult family members;
 2. A rental history check of all adult family members;
 3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Fort Valley Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Fort Valley Housing Authority.

The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Fort Valley Housing Authority who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Fort Valley Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred;

4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any

evidence of criminal activity; and

- Emergencies
 Over-housed
 Under-housed

 Administrative reasons determined by the PHA (e.g., to permit modernization work)
 Resident choice: (state circumstances below)
 Other: (list below)

The following extract from our adopted Admissions and Continued Occupancy Policy outlines our Transfer Policy.

16.0 UNIT TRANSFERS

16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by ensuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To provide an incentive for families to assist in meeting the Fort Valley Housing Authority's deconcentration goal, if appropriate.
- F. To eliminate vacancy loss and other expenses due to unnecessary transfers.

16.2 CATEGORIES OF TRANSFERS

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law

enforcement matter particular to the neighborhood.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Fort Valley Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Fort Valley Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 INCENTIVE TRANSFERS

Transfer requests will be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

16.5 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission at a ratio of one transfer for every seven (7) admissions.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) business days of being informed the unit is ready to rent. The family will be allowed seven (7) calendar days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Fort Valley Housing Authority and the family rejects two offers without good cause, the Fort Valley Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Fort Valley Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- C. If the transfer is being made at the family's request and the rejected offer provides deconcentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- D. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include deconcentration incentives. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

GOAL: PROVIDE AN IMPROVED LIVING ENVIRONMENT	
Objective	Progress
Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments	It is our policy to analyze the total annual income of each development to determine if our developments fall within the acceptable Deconcentration income range. We also determine if our developments are below 30% of the Area Median Income. Our Admissions and Continued Occupancy Policy contains our Deconcentration Policy. This on-going objective is being accomplished.

GOAL: ENSURE EQUAL OPPORTUNITY AND AFFIRMATIVELY FURTHER FAIR HOUSING	
Objective	Progress
Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability	It is the policy of the Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the HUD regulations governing Fair Housing and Equal Opportunity. The Housing Authority affirmatively furthers fair housing in the administration of its public housing program. The objective of our outreach policy is to develop a waiting list that is representative of our low-income community. A particular emphasis is placed on attracting eligible individuals and families least likely to apply for public housing through contacts with service providers in the community so they can make proper referrals. This on-going objective is being accomplished.
Undertake affirmative measures to provide a suitable living environment for families living in assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability	In addition to our eligibility criteria, it is our policy to evaluate applicant families to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing lease. The Housing Authority looks at past conduct as an indicator of future conduct. Emphasis is

	<p>placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other residents, Housing Authority employees, or other people residing in the Immediate vicinity of the property. Otherwise eligible families are denied admission if they fail to meet the suitability criteria.</p> <p>We utilize our capital funds to the extent necessary and appropriate to provide physical improvements that enhance the security, safety, and overall well being of the residents.</p> <p>This on-going objective is being accomplished.</p>
<p>Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required.</p>	<p>It is our policy to provide reasonable accommodation to people with disabilities in order for them to take full advantage of our housing programs. Our accessible units are first offered to families who may benefit from such features. This on-going objective is being accomplished.</p>

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

Substantial Deviation is defined as any change to our mission and goals outlined in our Five – Year Plan would be considered a substantial deviation and would require the formal approval by the Board of Commissioners.

b. Significant Amendment or Modification to the Annual Plan

Significant Amendment or Modification is defines as changes to the Housing Authority Rent or Admission Policies or the organization and management of our waiting lists; and any changes relative to demolition, designation, conversion or homeownership programs would be considered significant amendments or modifications to the Annual Plan as well as any expenditure of our Capital Funds for items other than what we have indicated in our Five Year Action Plan. These would also require formal approval by the Board of Commissioners.

- b. To operate a socially and financially sound agency that provides violence and drug-free housing with a suitable living environment for residents.
- c. To deny admission of applicants, or the continued occupancy of residents, whose habits and practices adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to our employees.

b. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The following information is taken from the State of Georgia Consolidated Plan.

Executive Summary

The Consolidated Plan Executive Summary reports that the housing and community development needs of Georgians are, among other things:

- Regardless of tenure, income or household size, the most common problem affecting all households is cost burden.

- Cost burden is the most significant problem affecting both elderly and small family households. Overcrowding is the most significant concern of this household type.
- Insufficient income is the single largest barrier to affordable housing.
- Low and moderate income households are at high-risk of exposure to lead-based paint hazards such as chipping or peeling paint and dust.

The Housing and Community Development Strategic Plan

The State anticipates providing assistance to put extremely low, low and moderate income households in affordable housing free of overcrowded, structurally substandard conditions, with supportive services where appropriate for populations with special need.

Direct Benefit Priorities:

- To increase the number of Georgia's low and moderate income households who have obtained affordable, rental housing free of overcrowded and structurally substandard conditions.
- To increase the number of Georgia's low and moderate income households who have achieved and are maintaining homeownership free of overcrowded and structurally substandard conditions.

Strategic Plan Five-Year Objectives

- Rehabilitate or construct affordable rental units
- Provide rental assistance for very low and low income households
- Assist households to achieve or maintain homeownership in housing free of overcrowded and structurally substandard conditions.
- Assist organizations annually to provide housing and supportive services to the homeless.
- Assist organizations annually to provide housing and supportive services to Georgia's Special Need populations.

Public Housing Authorities

The Consolidated Plan Executive Summary provides the following comments relating to Public Housing Authorities in Georgia.

Public Housing Authorities implement a large portion of Georgia's housing assistance effort. Local governments have created 202 PHAs, providing public housing. Seventeen PHAs offer

Section 8 rental subsidies. PHAs utilize funds from public housing rent receipts, federal subsidies from HUD, and proceeds from bond issues for some development costs.

Over 108,000 residents live in the 55,834 units of local public housing available across Georgia.

No public housing authorities are operated by the State. Therefore, the State has not developed a plan to encourage public housing residents to become more involved in the public housing management or to become owners of their units. However, the State encourages individual PHAs to develop such a plan with residents. The State also continues to encourage within its programs the transition of public housing residents into private housing living situations.

Among the Federal resources available to Georgia (Part VI, Section C) include Section 8 Rental Certificates and Vouchers to address affordable housing needs; HOPE I (Public Housing Homeownership) to address homeownership needs; and for Public Housing, the Comprehensive Grant Program and Public Housing Development funds.

State's Housing Priorities and Objectives

This section outlines activities by priority and objective. While the activities, priorities and objectives do not directly relate to the public housing program, the activities do include the Section 8 program. Again while none of the activities tap public housing funds, the activities do parallel the goals and objectives of the Housing Authority of the City of Fort Valley. The Priorities and Objectives are listed as follows:

Priority: to increase the number of Georgia's low and moderate income households who have obtained affordable, rental housing which is free of overcrowded and structurally substandard conditions.

(This objective refers specifically to the Section 8 Rental Assistance Program which is administered by the Georgia Department of Community Affairs.)

Priority: To increase the number of Georgia's low and moderate income households who have achieved and are maintaining homeownership in housing free of overcrowded and structurally substandard conditions.

Priority: To increase the access of Georgia's homeless to a continuum of housing and supportive services which address their housing, economic, health and social needs:

Priority: To increase the access of Georgia's Special Need populations to a continuum of housing and supportive services which address their housing, economic health and social needs.

(This objective includes as an activity the implementation of Georgia's Section 8

Rental Assistance Program and it refers specifically to the Georgia Department of Community Affairs continuing to administer the program in Georgia's 149 counties.)

In summary, the Housing Authority of the City of Fort Valley's Agency Plan goals, objectives, policies, and programs are consistent with the Consolidated Plan for the State of Georgia.

(4) (Reserved)

Use this section to provide any additional information requested by HUD.

10. Project-Based Voucher Program

- a. Yes No: Does the PHA plan to "project-base" any tenant-based Section 8 vouchers in the coming year? If yes, answer the following questions.
- b. Yes No: Are there circumstances indicating that the project basing of the units, rather than tenant-basing of the same amount of assistance is an appropriate option?

If yes, check which circumstances apply:

- Low utilization rate for vouchers due to lack of suitable rental units
 Access to neighborhoods outside of high poverty areas
 Other (describe below:)

- c. Indicate the number of units and general location of units (e.g. eligible census tracts or smaller areas within eligible census tracts):
