[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.)

The Ada County Housing Authority (ACHA) continually strives to fulfill its mission to assist eligible families and individuals including the elderly, disabled and the disadvantaged in obtaining safe and affordable housing and to provide opportunities and incentives for program participants to become more self-sufficient. ACHA has made steady progress in meeting the goals set for in its 2000 Five-Year Plan. ACHA is continually upgrading/modernizing the PH units as residents move-out. With the inception of the Capitol Fund Program we are now able to better plan and implement physical improvements.

The Ada County Housing Authority currently has 60 families enrolled in the Family Self Sufficiency Program. ACHA has had 36 graduates from FSS and 24 purchase homes. ACHA will continue to add to its FSS caseload to achieve maximum participation with the available resources.

The ACHA has received ratings as "high performer" in both the Public Housing Management Assessment (PHAS) and under the Section 8 Management Assessment Program (SEMAP). Occupancy of all assisted housing programs has maintained high.

ACHA continues to ensure equal opportunity and affirmatively further fair housing by providing information during participant briefings, referrals to Fair Housing when appropriate and providing necessary forms. ACHA attempts to identify accessible units and includes those in our list of units whose owners participate in the Section 8 program that is made available to voucher holders.

a. Substantial Deviation from the 5-Year Plan

The Ada County Housing Authority (ACHA) has defined substantial deviations as discretionary changes in the plans or policies of the ACHA that fundamentally change the mission, goals, objectives or plans of the authority and which require formal approval of the Board of Commissioners.

b. Significant Amendment or Modification to the Annual Plan

The Ada County Housing Authority has defined significant amendment or modifications as discretionary changes in the plans or policies of the BCHA that fundamentally change the mission, goals, objectives or plans of the authority and which require formal approval of the Board of Commissioners.
