Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The Montgomery County Housing Authority (MCHA) exceeded all of the goals established for its FY2000 to FY2004 five-year plan. For the next five years the Authority plans to: continue operating as a PHAS and SEMAP high performer; continue promoting the development of affordable rental and homeownership housing for low income families; continue to provide management/maintenance services to non profits that provide affordable housing to low income families; establish homeownership programs for low income families; provide urban revitalization services to Litchfield and other municipalities in Montgomery County; market and sell services to other Housing Authorities; and pursue additional sources of income to offset reduced HUD funding.

By paying \$35,275/year the Authority will repay the loan for demolishing IL37-12 by FY2006. The Authority has the flexibility of expediting or lengthening the loan period without penalty by varying the repayment amount accordingly.

During the next five years the Authority’s modernization priorities are to: demolish the Family Center and construct a Maintenance Building in Hillsboro, IL; and update the exteriors of IL37-05 and IL37-06 first, then modernize their interiors. Should other major modernization needs be identified during the next five years via REAC or other inspections, the Capital Fund Plan will be adjusted accordingly (Examples include roof replacements, HVAC system modifications/replacements, replacing or repairing concrete walks, drives and parking areas etc).

Currently the Authority is treating for termites in three of its nine developments. As additional termite inspections are completed it may be necessary for the Authority treat all or portions of the remaining six developments. Since the average cost for termite treatment is \$2,500 per building it could require the Authority to reprogram CFP funds to cover the expense.

RE: Revised FY2005 Agency Plan and CFP Annual Plan for
IL06P03750105

Dear Mr. Richardson

Due to a major revision to work items in the FY2005 CFP Annual Plan, the Montgomery County Housing Authority has amended its FY2005 Agency Plan and CFP Annual Plan. The Authority originally planned to construct a new maintenance facility and to demolish the family center in Hillsboro. The Authority is pushing these non-dwelling work items back to year six (6) or later, and plans to continue the rehab of the dwelling units at IL06P037-006 with new siding, windows, exterior doors, lead base paint and asbestos removal and HVAC with FY2005 CFP funds.

If you have any questions, please do not hesitate to contact me at (217) 532-3672, ext. 28.

Sincerely,

Kelly A. Moroney
