The PHA will re-verify exemption status annually except in the case of an individual who is 62 years of age or older.

The PHA will permit residents to change exemption status during the year if status changes.

**C. DEFINITION OF ECONOMIC SELF-SUFFICIENCY PROGRAM**

For purposes of satisfying the community service requirement, participating in an economic self-sufficiency program is defined, in addition to the exemption definitions described above, by HUD as: Any program designed to encourage, assist, train or facilitate economic independence of assisted families or to provide work for such families.

These economic self-sufficiency programs can include job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship, or any other program necessary to ready a participant to work (such as substance abuse or mental health treatment).
