(1) Strategies

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available

3. PHA Policies Governing Eligibility, Selection, and Admissions

[24 CFR Part 903.12 (b), 903.7 (b)]

A. Public Housing

Exemptions: PHAs that do not administer public housing are not required to complete subcomponent 3A.

(1) Eligibility

a. When does the PHA verify eligibility for admission to public housing? (select all that apply)

- When families are within a certain number of being offered a unit: (state number)
- When families are within a certain time of being offered a unit: (state time)
- Other: (describe)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

The application process requires the family to provide basic information establishing any preferences to which they may be entitled. Upon receipt of the family's full application, the Ogle County Housing Authority will make a determination of eligibility. This results in the family's placement on the waiting list.

The Ogle County Housing Authority will notify the family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Ogle County Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Ogle County Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The final determination of eligibility takes place when the family nears the top of the waiting list. The Ogle County Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

b. Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing (select all that apply)?

- Criminal or Drug-related activity
- Rental history
- Housekeeping
- Other (describe)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

8.3 Suitability

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing lease. The Ogle County Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Ogle County Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The Ogle County Housing Authority will consider objective and reasonable aspects of the family's background, including the following:
 - 1. History of meeting financial obligations, especially rent and any utility payments;
 - 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
 - 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
 - 4. History of disturbing neighbors or destruction of property;
 - 5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
 - 6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.
- C. The Ogle County Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Ogle County Housing Authority will

verify the information provided. Such verification may include but may not be limited to the following:

1. A credit check of the head, spouse, co-head, and any other adult family members;
2. A rental history check of all adult family members;
3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Ogle County Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Ogle County Housing Authority.

The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Ogle County Housing Authority who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Ogle County Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred;

4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The Ogle County Housing Authority will check with our State registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the

denial or eviction occurs.

8.4 grounds for denial

The Ogle County Housing Authority is not required or obligated to assist families where applicants or members of the applicant's household:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Have failed to respond to a written request for information or a request to declare their continued interest in the program;
- D. Have a history of not meeting financial obligations, especially rent;
- E. Do not have the ability to maintain (with assistance) their housing in a decent and safe condition where such habits could adversely affect the health, safety, or welfare of other tenants;
- F. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;

For the purpose of this Policy, if any member of the applicant family has been arrested at least three (3) times within the prior five (5) year period for this purpose, they will be determined to have engaged in criminal activity, drug-related criminal activity or violent criminal activity.

- G. Have a history of disturbing neighbors or destruction of property;
- H. Currently owes rent or other amounts to any housing authority in connection with their public housing or Section 8 programs;
- I. Have committed fraud, bribery or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;
- J. Were evicted from federally assisted housing within the past five years because of drug-related criminal activity. The five year limit is based on the date of such eviction, not the date the crime was committed.

However, the Ogle County Housing Authority may admit the household if the PHA determines:

1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the Ogle County Housing Authority; or
 2. The circumstances leading to the eviction no longer exist (for example, the criminal household member is imprisoned or has died).
- K. Are currently engaging in the illegal use of a controlled substance. For purposes of this section, a member is “currently engaged in” the criminal activity if the person has engaged in this behavior recently enough to justify a reasonable belief that the behavior is current);
- L. The Ogle County Housing Authority determines that it has reasonable cause to believe that a household member’s illegal use or pattern of illegal use of a drug may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
- M. The Ogle County Housing Authority determines that it has reasonable cause to believe that a household member’s abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
- With respect to criminal activity described in paragraphs J, K, L, and M of this Section, Ogle County Housing Authority may require an applicant to exclude a household member in order to be admitted to public housing where that household member has participated in or been culpable for actions described in paragraphs J, K, L, and M that warrants denial.
- N. Have engaged in or threatened abusive or violent behavior towards any Ogle County Housing Authority staff member or resident;
- O. Fugitive felons, parole violators, and persons fleeing to avoid prosecution or custody or confinement after conviction for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;
- P. **Denied for Life:** If any family member has been convicted of manufacturing or producing methamphetamine (speed) in a public housing development, in a Section 8 assisted property, or on the premises of other federally assisted housing;
- Q. **Denied for Life:** Has a lifetime registration under a State sex offender registration program.

In determining whether to deny admission for illegal drug use by a household member who is no longer engaging in such abuse, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the Ogle County Housing

Authority may consider whether such household member:

1. Is participating in a supervised drug or alcohol rehabilitation program;
2. Has successfully completed a supervised drug or alcohol rehabilitation program;
or
3. Has otherwise been successfully rehabilitated.

For this purpose, Ogle County Housing Authority will require the applicant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

Before the Ogle County Housing Authority denies admission to the Ogle County Housing Authority's public housing program on the basis of a criminal record, the Ogle County Housing Authority must notify the household of the proposed action and must provide the person with the criminal record (i.e., a child) and the applicant (head of household) with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record. The applicant will have fourteen (14) calendar days to dispute the accuracy and relevance of the record in writing. If the Ogle County Housing Authority does not receive the dispute within the allotted time, the applicant will be denied.

- b. Transfer policies:
In what circumstances will transfers take precedence over new admissions? (list below)
 - Emergencies
 - Over-housed

- Under-housed
- Medical justification
- Administrative reasons determined by the PHA (e.g., to permit modernization work)
- Resident choice: (state circumstances below)
- Other: (list below)

16.0 Unit Transfers

16.1 Objectives of the Transfer Policy

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To eliminate vacancy loss and other expense due to unnecessary transfers.

16.2 Categories of Transfers

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Ogle County Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Ogle County Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 Documentation

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.5 Processing Transfers

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission at a ratio of one transfer for every seven admissions.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) days of being informed the unit is ready to rent. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Ogle County Housing Authority and the family rejects two offers without good cause, the Ogle County Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Ogle County Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- C. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

16.6 Cost of the family's move

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e. by the police);
- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit); or
- D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the Ogle County Housing Authority in the following circumstances:

- A. When the transfer is needed in order to carry out rehabilitation activities; or
- B. When action or inaction by the Ogle County Housing Authority has caused the unit to be unsafe or inhabitable.

The responsibility for moving costs in other circumstances will be determined on a case by case basis.

16.7 Tenants in good standing

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Ogle County Housing Authority. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

16.8 Transfer Requests

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the Ogle County Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Ogle County Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The Ogle County Housing Authority will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

16.9 Right of the Ogle County Housing Authority in transfer policy

The provisions listed above are to be used as a guide to insure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

(1) Eligibility

 - Criminal and drug-related activity, more extensively than required by law or regulation
 - More general screening than criminal and drug-related activity (list factors):

The following is an extract from our Section 8 Administrative Plan.

During the initial stage of qualifying the unit, the Housing Authority will provide the prospective owner with information regarding the program. Information will include Housing Authority and owner responsibilities for screening and other essential program elements. The Housing Authority will provide the owner with the family's current and prior address as shown in the Housing Authority records along with the name and address (if known) of the landlords for those addresses.

Additional screening is the responsibility of the owner. Upon request by a prospective owner, the Housing Authority will provide any factual information or third party written information they have relevant to a voucher holder's history of, or ability to, comply with standard material lease terms.

(2) Waiting List Organization

a. With which of the following program waiting lists is the section 8 tenant-based assistance waiting list merged? (select all that apply)

- None
- Federal public housing
- Federal moderate rehabilitation
- Federal project-based certificate program
- Other federal or local program (list below)

b. Where may interested persons apply for admission to section 8 tenant-based assistance? (select all that apply)

- PHA main administrative office
- Other (list below)

(3) Search Time

a. Yes No: Does the PHA give extensions on standard 60-day period to search for a unit?

If yes, state circumstances below:

6.4 Term of the housing choice Voucher

The initial term of the voucher will be 60 calendar days and will be stated on the Housing Choice Voucher.

The Housing Authority may grant one or more extensions of the term, but the initial term plus any extensions will not exceed 120 calendar days from the initial date of issuance without an extraordinary reason. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A sample extension request form and a form for recording their search efforts will be included in the family's briefing packet. If the family

documents their efforts and additional time can reasonably be expected to result in success, the Housing Authority will grant the length of request sought by the family or 60 calendar days, whichever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Authority will grant an extension allowing the family the full 120 calendar days search time. If the Housing Authority determines that additional search time would be a reasonable accommodation, it will grant the additional search time.

Upon submittal of a completed request for approval of tenancy form, the Ogle County Housing Authority will suspend the term of the housing choice voucher. The term will be in suspension until the date the Housing Authority provides notice that the request has been approved or denied. This policy allows families the full term (60 calendar days, or more with extensions) to find a unit, not penalizing them for the period during which the Housing Authority is taking action on their request. A family may submit a second request for approval of tenancy before the Housing Authority finalizes action on the first request. In this case the suspension will last from the date of the first submittal through the Housing Authority's action on the second submittal. No more than two requests will be concurrently considered.

(4) Admissions Preferences

a. Income targeting

Yes No: Does the PHA plan to exceed the federal targeting requirements by targeting more than 75% of all new admissions to the section 8 program to families at or below 30% of median area income?

- Other preference(s) (list below)

3. If the PHA will employ admissions preferences, please prioritize by placing a "1" in the space that represents your first priority, a "2" in the box representing your second priority, and so on. Attachment E
Ogle County Housing Authority
Deconcentration Policy

It is the Ogle County Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Ogle County Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

The Ogle County Housing Authority will analyze quarterly the income levels of families residing in each covered development. In order to achieve and maintain deconcentration, the Authority will calculate the average income of covered developments by utilizing the average income analysis and by the bedroom adjustment factor as provided by HUD. The next step is to determine whether or not each covered development average income falls between 85 and 115% of average income, or if the average income of the covered development is less than, or equal to 30% of the median income for the area. If the covered development is less 85%, or greater than 115% of average development income, deconcentration applies, unless the development average income is less than or equal to 30% of area median income. If deconcentration applies, the Ogle County Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.
