## **B. Criteria for Substantial Deviations and Significant Amendments**

### **(1) Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### a. Substantial Deviation from the 5-Year Plan

**Substantial deviations from the 5-year Plan occur when the Board of Commissioners decides that it wants to change the mission statement, goals or objectives of the 5-year plan.**

#### b. Significant Amendment or Modification to the Annual Plan

**Significant amendments or modifications to the Annual Plan are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the plans of the agency and which require formal approval of the Board of Commissioners.**

## **C. Other Information**

[24 CFR Part 903.13, 903.15]

### **(1) Resident Advisory Board Recommendations**

- a.  Yes  No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?

If yes, provide the comments below:

**Comment:** Washers and dryers on every floor in Lewis and Smith Manor

**Response:** Smith Manor is not designed for a laundry room on the second and third floors, and apartments would have to be taken offline to even create space. Lewis Manor has a laundry room on the first and third floors, and the LCHA will study the actual need for a laundry room on the second floor.

**Comment:** some type of ventilation installed in hallways to eliminate excessive heat and stale air problem (Lewis and Smith Manor)

**Response:** Bids have already been let and the only bid received has been approved to air condition the hallways at Lewis, Smith, and Middagh Manors

**Comment:** More parking spaces at Lewis Manor WITHOUT moving the beautiful blue spruce on 11<sup>th</sup> Street

**Response:** More than one option has been discussed and the Board of Commissioners turned the decision over to the residents to decide

**Comment:** Every resident treated the same – heating/air, visitors, parking and eligibility

**Response:** The only discrepancy in any of the Housing Authority's policies between any of the developments is how much of the utility bills the residents of each development pay for. The LCHA pays for water and trash pick-up at all developments. Residents at the family development are responsible for paying their own gas and electric utilities. Residents at the elderly/disabled developments pay for the following utilities, and have done so since the developments were built:

Lewis Manor and the two duplexes in Bridgeport pay an additional \$15.00 per month May through August for air conditioning usage. Smith and Middagh Manor's residents pay for their electric bill throughout the year. This has been the Housing Authority's policy since Smith and Middagh were built in 1980. The LCHA pays for all heat during the heating season at the elderly/disabled developments.

**Comment:** smoke-free patio at Lewis (currently all outside seating areas are for smoking)

**Response:** The Board of Commissioners agreed to make the back patio of Lewis Manor smoke free during their meeting of 6/16/05. The decision was carried out the next day.

**Comment:** Security cameras for the parking lots at Smith and Lewis Manor (as cars have been vandalized at these locations)

**Response:** The only security company listed in the area wide telephone book has been contacted and is working up proposals to be presented to the Housing Authority as soon as possible.

**Comment:** New section of Lewis Manor needs new kitchen cabinets (not the company from Perryville, MO)

**Response:** This section of Lewis Manor is already in the five-year plan for kitchen cabinet replacement during the FFY 2006 grant year

b In what manner did the PHA address those comments? (select all that apply)

- Considered comments, but determined that no changes to the PHA Plan were necessary.

**Some of the strategies identified to meet housing needs include:**

**Assist people to buy or rent affordably by “...strengthening state coordination with and among local public housing authorities...”**

**Preserve existing housing including subsidized housing through “...development of initiatives in support of new state legislative efforts to preserve existing affordable rental housing.”**

**(4) (Reserved)**
