*(Provide a statement of the PHA's progress against the goals and objectives established in the previous*

*5-Year Plan for the period FY 2000 - 2004.*

The Angola Housing Authority has made the following progress against the goals and objectives established in the previous 5-year plan:

A. Goal One: Apply resources to efficient and effective management and operations.

- Objective to be recognized as a "High Performer" has been met in each year of the previous plan.
- Objective to make our units more marketable by increasing advertising for our properties has been met.
- Objective to promote motivating work environment and fiscally prudent operations has been met.

B. Goal Two: Reduce Vacancies at our elderly facility, Elliott Manor

- Objective to attain an occupancy percentage of at least 90% has not been met despite exhaustive efforts by the authority to modernize and market the units.

- The strategy to aggressively market the property using radio, public television and other media has been met but has not proved successful in increasing the occupancy rate.
- The resident survey for program and amenities input has been completed, and the most of the recommendations for services and amenities have been implemented. These additional amenities and services have not helped us to achieve our goal.

C. Goal Three: Promote economic opportunity for our residents by seeking problem solving partnerships with residents, community and government leadership.

- Objective to form at least one new program or partnership with a community-based agency has been achieved. We have partnered with the Breeden YMCA and the Steuben County Extension Office to bring wellness and fitness programs to our residents.
- Objective to complete the resident survey has been achieved. We have not yet implemented all of the self-sufficiency suggestions made by tenants, due to financial constraints.
- Objective to explore available resources and apply for grants has been achieved. The Angola Housing Authority successfully attained two ROSS grants from HUD in 1999 and 2001, and has used the funding to retain an Elderly Service Coordinator through 2004.

**COMMENTS OF RESIDENTS**  
**& EXPLANATION OF PHA RESPONSE**

The following are comments made concerning our Agency Plan and the housing authority's response to those comments:

1. Comment: Replace driveway pavement with brick.  
Response: We have recently repaved our parking lots and only plan to make repairs or re-seal as needed over the next 5 years. To replace with a new material would not be cost effective, and is not a priority for the next 5 years.
2. Comment: HUD and AHA (to receive more grant funds) should force the EPA to put "our" money where their mouth is.  
Response: We have no control or authority to force the EPA to do anything.
3. Comment: Front door in family apartment unit faces sun and is extremely hot during the summer.  
Response: We are replacing exterior doors and storm doors on all family apartment units with 2004 grant funds. We will make our architect aware of this problem and address it with the replacement doors.
4. Comment: Put an extra large dumpster in Bayberry Court at Northlake Manor.  
Response: We increased the dumpster size in that court a few years ago. The refuse company charges significantly more for larger dumpsters. We will research the additional cost and address this matter in our operating budget, if funds will allow.
5. Comment: Enforce rules of lease regarding non-running vehicles, trash in yards, live-ins, and unauthorized pets. Fine tenants for trash, junk, unkempt yards and porches.  
Response: We encourage all of our tenants to report lease violations to assist us in enforcing the rules. Our staff does periodic grounds inspections and issues lease violations for grounds and yards. Other matters above are addressed as they are reported to staff in accordance with the laws of the State of Indiana and our lease. Substantive evidence from persons with direct knowledge of violations would assist us in taking legal action. Minus that evidence, our staff takes what action they can under the lease. We like the idea of fining for trash and unkempt yards and porches. This idea will be presented to our Board of Commissioners for further discussion and possible policy action.
6. Comment: Repaint apartments for existing tenants every 2 years after annual inspection of unit and lease renewal.  
Response: Limitation of staff and funds will not allow us to repaint that often. Our current policy is to repaint every 5 years, upon the request of the tenant, as staff time allows.
7. Comment: Set up a housing authority "not for profit company" to pursue other development of affordable housing.  
Response: We have researched this in the past. We will consider this if funds allow, but it is not a top priority.
8. Comment: Put a "roof" over the back entrance to the driveway for ambulance and the van in bad weather.

Response: We have researched the possibility and find we can not do this. Among other problems, it would block the trash truck from removing the trash containers from the trash room.

9. Comment: Paint Stairwells at Elliott Manor.

Response: We will put this in our routine maintenance plans as staff time allows.
