**B. Strategy for Addressing Needs**

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

**(1) Strategies**

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

**NOTE: The Oberlin Housing Authority has one development designed for elderly/handicapped/disabled families and individuals with no waiting list. There is**

**an adequate supply of housing within the jurisdiction of the Housing Authority. The overall minority population in the jurisdiction of the Housing Authority is less than 10%.**

**Strategy 2: Increase the number of affordable housing units by:**

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

**NOTE: The Oberlin Housing Authority has one development designed for elderly/handicapped/disabled families and individuals with no waiting list. There is an adequate supply of housing within the jurisdiction of the Housing Authority.**

**Need: Specific Family Types: Families at or below 30% of median**

**Strategy 1: Target available assistance to families at or below 30 % of AMI**

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

The following is an extract from our adopted Admissions and Continued Occupancy which incorporates the Federal targeting requirements and our Ceiling and Flat Rents which are designed to encourage families with higher incomes to remain in occupancy.

**10.3 SELECTION FROM THE WAITING LIST**

The Oberlin Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

### **13.4 THE FLAT RENT**

The Oberlin Housing Authority has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its age, condition, amenities, services, and neighborhood. The Oberlin Housing Authority determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied at the end of the annual lease (for more information on flat rents, see Section 15.3).

The Oberlin Housing Authority will post the flat rents at the central office. Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

There is no utility allowance for families paying a flat rent because the Oberlin Housing Authority has already factored who pays for the utilities into the flat rent calculation.

### **13.5 CEILING RENT**

The Oberlin Housing Authority has set a ceiling rent for each public housing unit prior to October 1, 1999. The amount of the ceiling rent will be reevaluated annually and the adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family.

The Oberlin Housing Authority will post the ceiling rents at the central office. Ceiling rents are incorporated in this policy upon approval by the Board of Commissioners.

### **Need: Specific Family Types: Families at or below 50% of median**

#### **Strategy 1: Target available assistance to families at or below 50% of AMI**

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: (list below)

**NOTE: The Oberlin Housing Authority has one development designed for elderly/handicapped/disabled families and individuals with no waiting list.**

### **Need: Specific Family Types: The Elderly**

#### **Strategy 1: Target available assistance to the elderly:**

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available
- Other: (list below)

**The Oberlin Housing Authority has one development designed for elderly/handicapped/disabled families and individuals with no waiting list. This development meets the definition of a “Mixed Population Development”. There is an adequate supply of housing within the jurisdiction of the Housing Authority.**

**Buildings Designed for the Elderly and Disabled (Mixed Population Developments):** Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

**Need: Specific Family Types: Families with Disabilities**

**Strategy 1: Target available assistance to Families with Disabilities:**

Select all that apply

- Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: (list below)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

**Accessible Units:** Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies or requires a transfer from a non-accessible unit. Any family required to transfer will be given a 30 calendar day notice.

**Need: Specific Family Types: Races or ethnicities with disproportionate housing needs**

**Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:**

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs

 Other: (list below)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

## **1.0 FAIR HOUSING**

It is the policy of the Oberlin Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The Oberlin Housing Authority shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Oberlin Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Oberlin Housing Authority will provide Federal/State/local information to applicants/Residents of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Oberlin Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Oberlin Housing Authority will assist any family that believes they have suffered illegal discrimination by providing the family with copies of the appropriate housing discrimination forms. The Oberlin Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

### **3. PHA Policies Governing Eligibility, Selection, and Admissions**

[24 CFR Part 903.12 (b), 903.7 (b)]

#### **A. Public Housing**

Exemptions: PHAs that do not administer public housing are not required to complete subcomponent 3A.

##### **(1) Eligibility**

- When families are within a certain number of being offered a unit: (state number)
  - When families are within a certain time of being offered a unit: (state time)
  - Other: (describe)

**The following extract from our adopted Admissions and Continued Occupancy Policy describes our process for verification of eligibility to public housing.**

#### **7.0 TAKING APPLICATIONS**

Upon receipt of the family's application, the Oberlin Housing Authority will make a determination of eligibility. The Oberlin Housing Authority will notify the family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Oberlin Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the

opportunity of an informal review of the determination.

b. Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing (select all that apply)?

- Criminal or Drug-related activity
- Rental history
- Housekeeping
- Other (describe)

The following extract from our adopted Admissions and Continued Occupancy Policy describes our suitability requirements.

### 8.3 *SUITABILITY*

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing lease. The Oberlin Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other Residents, Oberlin Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The Oberlin Housing Authority will consider objective and reasonable aspects of the family's background, including the following:
  - 1. History of meeting financial obligations, especially rent and any utility payments;
  - 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other Residents;
  - 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other Residents or staff or cause damage to the property;
  - 4. History of disturbing neighbors or destruction of property;
  - 5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of

information related to their housing application or benefits derived there from; and

6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.
- C. The Oberlin Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Oberlin Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:
1. A credit check of the head, spouse, co-head, and any other adult family members;
  2. A rental history check of all adult family members;
  3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Oberlin Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Oberlin Housing Authority.

The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Oberlin Housing Authority who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Oberlin Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred;

4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
5. A check of the State's lifetime sex offender registration program for each

adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The Oberlin Housing Authority will check with our State registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

- c.  Yes  No: Does the PHA request criminal records from local law enforcement agencies for screening purposes?

## **16.0 UNIT TRANSFERS**

### ***16.1 OBJECTIVES OF THE TRANSFER POLICY***

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by ensuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To eliminate vacancy loss and other expenses due to unnecessary transfers.

### ***16.2 CATEGORIES OF TRANSFERS***

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Oberlin Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Oberlin Housing Authority when a transfer is the only or best way of solving a serious problem.

### **16.3    *DOCUMENTATION***

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

### **16.4    *INCENTIVE TRANSFERS***

Incentive transfers will be encouraged and approved for families as follows:

- A.    Have been a tenant for three years;
- B.    The adult family members are 62 years of age or older or are disabled or are the primary care givers to others with disabilities;
- C.    Adult members who are required to perform community service have been current in these responsibilities since the inception of the requirement or for one year which-ever is less;
- D.    The family is current in the payment of all charges owed to the Oberlin Housing Authority and has not paid late rent for at least one year;
- E.    The family passes a current housekeeping inspection and does not have any record of housekeeping problems during the last year;
- F.    The family has not materially violated the lease over the past two years by disturbing the peaceful enjoyment of their neighbors, by engaging in criminal or drug-related activity, or by threatening the health or safety of tenants or Housing Authority staff.

### **16.5    *PROCESSING TRANSFERS***

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission at a ratio of one transfer for every seven (7) admissions.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) business days of being informed the unit is ready to rent. The family will be allowed seven (7) calendar days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Oberlin Housing Authority and the family rejects two offers without good cause, the Oberlin Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Oberlin Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- C. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

The following extract from our adopted Admissions and Continued Occupancy Policy outlines our criteria that triggers an interim reexamination.

## **15.6 INTERIM REEXAMINATIONS**

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families will not be required to report any increase in income or decrease in allowable expenses between annual reexaminations.

Families are required to report the following changes to the Oberlin Housing Authority between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) calendar days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth, adoption, or court-awarded custody, the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Oberlin Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

A resident requesting a live-in-aide will be required to provide verification of the need for a live-in-aide. In addition, before approval of the live-in-aide, the individual (live-in-aide) must complete an application form for purposes of determining citizenship/eligible immigrant status and the live-in-aide will go through the screening process similar to the process for applicants. The Oberlin Housing Authority will determine the eligibility of the live-in-aide before approval can be granted. If the individual is found to be ineligible or does not pass the screening criteria, the resident will be advised in writing and given the opportunity for an informal review. Under no circumstances will the live-in-aide be added to the lease or be considered the last remaining member of a tenant family.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Oberlin Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

[24 CFR Part 903.15]

#### **Consolidated Plan jurisdiction: (State of Kansas)**

a. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply):

- The PHA has based its statement of needs of families on its waiting list on the needs expressed in the Consolidated Plan/s.
- The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)

- The Housing Authority of the City of Oberlin will continue to maintain and renovate its public housing units.

- The Housing Authority of the City of Oberlin will continue to provide accessible housing in its public housing program to persons with disabilities.
  - The Housing Authority of the City of Oberlin will continue to market its public housing program to make elderly families and individuals aware of the availability of decent, safe, sanitary and affordable housing in the City of Oberlin.
- Other: (list below)

The Housing Authority of the City of Oberlin Admission and Continued Occupancy Policy (ACOP) requirements are established and designed to:

- a. Provide improved living conditions for very low and low income families while maintaining their rent payments at an affordable level.
  - b. To operate a socially and financially sound agency that provides violence and drug-free housing with a suitable living environment for residents.
  - c. To deny admission of applicants, or the continued occupancy of residents, whose habits and practices adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to our employees.
  - d. To ensure compliance with Title VI of the Civil Rights Act of 1964 and all other applicable Federal fair housing laws and regulations so that the admission and continued occupancy policies are conducted without regard to race, color, religion, creed, sex, national origin, handicap or familial status.
- b. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The State of Kansas Consolidated Plan endorses the continuing objectives of national housing policy in the National Affordable Housing Act of 1990, including: ensure that all residents have access to decent shelter; increase the supply of affordable housing; make neighborhoods safe and livable; expand opportunities for home ownership; provide a reliable supply of mortgage finance; and reduce generational poverty in assisted housing.

The Housing Development strategy includes focusing efforts towards providing housing opportunities to Kansans through the development of resources, partnerships and technical assistance. Among the principles of comprehensive development, the Consolidated Plan includes the creation of housing alternatives for the elderly and persons with disabilities which will provide a better quality of life for these residents and will establish the potential for cost savings for the State.

The Housing Development Plan contains the following priorities that relate to resident access to rental housing.

- Small, Related Households – Very Low and Low Income
- Large, Related Households – Very Low and Low Income
- Elderly Households – Very Low and Low Income
- All Other Households – Very Low and Low Income

Strategy objectives include replacement and rehabilitation of deteriorated rental housing stock; make rental housing affordable in higher cost markets. The Consolidated Plan acknowledges that some senior citizen housing has a high vacancy rate. Nevertheless, elderly households have housing problems. A significant percentage of elderly households pay more than 30% of their income on housing. Most elderly households are on fixed incomes, persons over age 65 are mobility impaired, and persons over age 65 have self-care limitations. Attention must be given to elderly households with special needs.

In summary, the Housing Authority of the City of Oberlin, KS Agency Plan is consistent with the Consolidated Plan for the State of Kansas.

- Other (describe below:)

- c. Indicate the number of units and general location of units (e.g. eligible census tracts or smaller areas within eligible census tracts):
