- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies

9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.)

ECHA has received 87 additional vouchers since the 2000-2004 was submitted. Through training and working with landlords, the overall quality of available rentals has improved, but more needs to be done, possibly through lobbying for local HQS standards in some of our communities. Portability of vouchers is discussed during our initial meetings with applicants. We have had numerous families take advantage of this benefit. We have always taken maximum advantage of HUD increases in Payment Standards. We were unable to initiate and sustain voucher homeownership or Self Sufficiency programs due to the lack of funds and staff. We have been successful in housing disabled and elderly families, with 81 disabled and 9 elderly families out of 143 currently leased vouchers.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it

defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. **Substantial Deviation from the 5-Year Plan:** Should HUD change the current Section 8 Housing Choice Voucher Program to a grant based system controlled by the State of Kansas, the loss of funds to ECHA will require significant modifications to how we do business and how we establish the level of FMRs used in our area. Lower FMRs may also affect the quality of housing available. Other than severe changes in funding or major changes by HUD there should be little reason for substantial deviations.

b. **Significant Amendment or Modification to the Annual Plan:** If additional long term funding becomes available we would explore hiring additional staff and initiating self-sufficiency and home ownership programs. This would involve modificationsto our plans.

C. Other Information

[24 CFR Part 903.13, 903.15]

(1) Resident Advisory Board Recommendations

a. Yes No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?

If yes, provide the comments below:
