[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2005.)

The Housing Authority of Paintsville's mission statement is to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

The Housing Authority of Paintsville provided suitable living environment free from discrimination. There were no discrimination claims made against the authority.

The Housing Authority of Paintsville maintained a high performer status with a score of 93. On PHAS indicator :Resident survey" we received a score of 9 out of the maximum score of 10. No areas in the resident survey fell below 75%.

The PHA's goal is to improve the quality of assisted housing. We believe we have been able to accomplish this in several ways. Our R.I.C. office is still maintaining the after school snack program and the after school home work program/computer lab. We have continued with educational programs for our residents. We continue to renovate our units through the Capital Fund Programs.

The Housing Authority of Paintsville has determined that each of its covered developments fall between 85% and 115% of the PHA wide average income of all residents.

Section 8 is also a high performer in SEMAP. We have been successful in getting new units on the program.

The Housing Authority of Paintsville gave access to assisted housing regardless of race, color, religion, national origin, sex, familial status and disability.

Use this section to provide any additional information requested by HUD.

The Consolidated Plan supports the Housing Authority of Paintsville Plans with both plans commitment to improve housing and provide housing needs. The greatest need for assistance is within the extremely low income to low income families as evidenced by our waiting list analysis. The Consolidated Plan is a statewide plan and indicates a significant statewide need for affordable housing. The need for assisted housing in this jurisdiction is great at this time as indicated by our current waiting list.

The average length of time for a family to receive public housing assistance is 3 months and the average length of time for a family to receive Section 8 assistance is 9-12 months.

The above needs are consistent with Consolidated Plan. We intend to address the housing needs of our community to the maximum extent possible as permitted by funding resources available to the housing authority. We will apply, whenever possible for grants

to assist in maintaining the viability and services to eligible families in our community.
