PHA FISCAL YEARS 2005 - 2009

[24 CFR Part 903.12]

A. Mission

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

- The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.
- The PHA's mission is:
The mission of the Housing Authority of Murray (HAM) is to provide drug free, decent, safe and sanitary housing for eligible Families and provide opportunities that promote self-sufficiency and economic independence for residents.

In order to achieve this mission we will recognize residents as our ultimate customer, improve HAM management and service delivery efforts through effective and efficient management of HAM staff, seek problem-solving partnerships with residents, community, and government leadership, and apply limited HAM resources to the effective and efficient management and operation of HAM programs.

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAs ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

The HAM elects to use its own goals and objectives which are as follows:

Goal 1: Promote the overall goal of drug free, decent, safe and sanitary housing.

Objectives:

1. Ensure a social and economic mix of residents within each HAM neighborhood in order to foster social stability and upward mobility by applying a broad range of incomes and adhering to the local preference policy regarding working Families.

2. Ensure the fiscal stability of HAM.
3. Lawfully deny admission or continued occupancy to applicants or residents whose presence in a HAM neighborhood is likely to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood or create a danger to HAM employees.
4. Ensure the elderly families can live in the HAM as long as they are able to live independently and/or have someone to help them live independently as in the case of a live-in aid.

Goal 2: Comply in letter and spirit with the Title VI of the Civil Rights Act of 1964, and all other applicable federal laws and regulations to insure that admission to, and continued occupancy in, the HAM are conducted without regard to race, color, religion, creed, sex, national origin, disability, or familial status.

Objectives:

1. Continue to use a brochure describing these civil rights. The brochure is given to all upon application, initial lease-up, and recertification. It describes what rights the Families have and where to get assistance if they believe their rights have been violated.

Goal 3: Improve the quality of life for residents by continuing established resident services programs, including the ROSS RSDM Program which provides supportive services to our elderly and disabled residents and the ROSS Neighborhood Networks Program which provides educational and job training opportunities to residents through the Computer Learning Center.

Objectives:

1. Even with shrinking federal financial assistance, the HAM will at least maintain these initiatives at their present level.
1. Complete an application under the ROSS NOFA.
2. Provide educational computer classes to residents and job training programs through the Computer Learning Center.

Goal 4: Maximize homeownership opportunities for residents living in housing operated by HAM.

Objectives:

1. Continue non-profit agency initiatives to support homeownership opportunity activities.

Goal 5: Develop assisted-living and/or supportive housing facility and implement supportive services for low-income seniors.

Objectives:

1. Continue training for current rules and regulations governing assisted-living facilities.
2. Continue membership in the Kentucky Housing Association Assisted Living Task Force for updated information on implementing assisted-living programs into Public Housing Authorities in Kentucky.
3. Continue membership in the Kentucky Assisted Living Facility Association for educational opportunities regarding established facilities management and service programs.

Goal 6: Renovate existing structure into Boys and Girls Club to provide after-school activities to the youth of the Housing Authority of Murray.

Objectives:

1. Renovate structure to provide classroom settings as well as areas for physical activity and exercise programs.
2. Apply for foundation and community grants to provide funding for youth center activities.
3. Hire program coordinator to manage existing and apply for additional grant funds and provide program coordination.
