(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 -2004.

1. Fifty-seven (57) of eighty-two (82) or 70% of new admissions were selected from the Extremely low-income applicant pool.
2. Living conditions were improved by painting the unit interiors, renovating the kitchen and bathrooms, providing new sewer drain lines, making site drainage improvements and by providing new and additional sidewalks all at Heritage Place, KY 32-02.
3. Safe and secure housing continues to be very good in HAM's properties as indicated by the CY2002 Resident Survey results (i.e., 86.8%) and as confirmed by the Morehead Chief of Police in June 2004.
4. Unfortunately, one of HAM's housing developments, i.e., Rawcel Heights, KY 32-01, continues to be outside the allowable perimeters of the overall income average for the general occupancy developments owned/operated by HAM. This is due primarily to the limited number of units and turnover (i.e., opportunities to correct) there.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-Year Plan: The HAM has chosen the following:

- 1.) Redirection of more than 20% of its operating budget funds from any budgeted/scheduled activity to another activity or:
- 2.) A major change in program direction (e.g., new or different housing selection preference criterion, new or changes to deductions from income-based rents, additional efforts to enhance deconcentration opportunities, changes in the basis of determining Flat rent amounts, etc.) that requires action on the part of the Board of Commissioners; or
- 3.) Increasing or decreasing the total number of HAM employees by more than 20% from that authorized on the January 1st of each fiscal year.

However, NONE of these changes will be considered a Substantial Deviation IF those changes result from Government (i.e., Federal, State, or Local) actions over which the HAM exercises no control.

B. Significant Amendment or Modification to the Annual Plan:

The HAM has chosen to use the HUD definition of Significant Amendment or Modification. Specifically, it will consider the following to be such modifications/amendments:

- 1.) Changes to rent or admission policies or organization of its waiting list.
- 2.) Additions of non-emergency work items (not included in the current Annual Statement or 5-Year Action Plan) or change in use of the replacement reserve funds under the Capital Grant Funds Program and
- 3.) Any change with regard to demolition or disposition, designation of projects/buildings (for the elderly/disabled or families with disabilities), homeownership programs or conversion activities.

However, NONE of these changes will be considered a Substantial Deviation IF those changes result from Government (i.e., Federal, State, or Local) actions over which the HAM exercises no control.
