A hardship exists in the following circumstances:

- When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State or local assistance program;
- When the family would be evicted as a result of the imposition of the minimum rent requirement;
- When the income of the family has decreased because of changed circumstances, for medical costs, childcare, transportation, education, or similar items;
- When a death has occurred in the family.

If the HA determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.

If the HA reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 days from the date of the family's request. At the end of the 90 day period, the minimum rent will be imposed retroactively to the time of suspension. The HA will offer a repayment agreement in accordance with the Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the HA will not evict the family for nonpayment of the amount of the tenant rent owed for the suspension period.

If the HA determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
