A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.

Goal One: Continue to manage the Georgetown Housing Authority's existing public housing program in an efficient and effective manner thereby maintaining high performer status.

Progress:

The Georgetown Housing Authority has been a High Performer each of the previous five years 2004-2005.

Goal Two: Provide a safe and secure environment in the Georgetown Housing Authority's public housing developments.

Progress:

Per the Scott County Sheriff's Department, we are on target to have an overall crime rate that is less than the surrounding neighborhoods.

Goal Three: Enhance the marketability of the Georgetown Housing Authority's public housing units and make public housing the affordable housing of choice for the very low-income residents of our community.

Progress:

We have averaged a 9 on the customer satisfaction portion of the PHAS, indicating very good progress.

We have replaced screen doors, windows, furnaces and added central air to every unit in the housing authority public housing facility. The outside work has greatly enhanced our "curb appeal".

We have also purchased an outdoor vacuum cleaner, allowing us to clean the grounds of the housing authority in a more efficient manor; which helps our marketability.

Goal Four: Maintain the Georgetown Housing Authority's real estate in a decent condition and deliver timely and high quality maintenance service to the residents of the Georgetown Housing Authority.

Progress:

The Georgetown Housing Authority has a progressive preventive maintenance plan in place that allows us to monitor all aspects of our physical properties in a proactive manner.

We have updated many aspects of our development, including central air, new furnaces, new energy efficient windows and screen doors.

Our average response time of 24 hours for emergency work orders has always been at 100% and our response time of 36 hours for routine work orders is half of the projected time we had anticipated in 2000.

Goal Five: The Georgetown Housing Authority shall ensure equal treatment of all applicants, residents, tenant-based participants, employees, and vendors.

Progress:

The Georgetown Housing Authority continues to have a good cross-section of income levels throughout its neighborhoods. All individuals, whether tenant, visitor, vendor, or employee are treated with the utmost respect and dignity whenever they are in contact with our staff.

Goal Six: Ensure full compliance with all applicable standards and regulations including generally accepted accounting practices.

Progress:

The Georgetown Housing Authority is currently in compliance with all standards and regulations, including GAAP, and have had no findings in our last five audits.
