## **9. Additional Information**

[24 CFR Part 903.12 (b), 903.7 (r)]

### **A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan**

*(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2005 - 2009.* This should be for 5-Year Period FY2000-2004, which is:

1. Twenty (20) of the thirty-six (36) or 56% of the new move-ins (residents) between September 4, 2003, and September 3, 2004, were of the Extremely Low-Income range (i.e., 0-30%). HAHC did not achieve its goal of increasing (by at least 2) the number of working families in residency as it had twenty (21) such families in residency on September 4, 2004, compared to 20 working families on September 11, 2000. Further, the percentage of working families dropped from 27.8% on September 11, 2000, to 27.6% on September 4, 2004. Nevertheless, overall this goal/objective is considered achieved, as we've experienced a decline in the economy and jobs for unskilled workers. Moreover, many of those (former) working residents who had or obtained advance knowledge, skills or furthered their education have moved out (thus achieving the overall goal of Public Housing) and into the private market.
2. HAHC has made some progress to improve living conditions during the past year. Federal Fiscal Year (FFY) 2003 funds were used to purchase a site adjacent to Caveland Manor to build a combined Community and Laundry building there. Additionally, architectural plan were being prepared to being site improvements and then construction of this facility within the next 12 months. Finally, a few new ranges (cook stoves) were purchased for Caveland Manor, completing the current need for ranges PHA-wide. As narrated in last years' report significant progress was made toward improving living conditions at both Caveland Manor and Wilson Manor in the three prior Fiscal Years. Thus, HAHC believes that it has made (and continues to make) significant improvement in the living environment of its residents.
3. Safe and secure housing has been achieved, according to both members of the Resident Council (its Resident Advisory Board) and the City Police Chief. Further, Neighborhood Watch (NW) Programs are established and are operating at each site. It is the belief of the HAHC, its Resident Council and the City Police Chief that the annual meetings between Police Department Officials, the PHA staff and residents of each site to discuss, form and now update the NW program has helped in making residents a part of the process and added to their "safe and secure housing" feelings. HAHC scored 86.4% on the latest (i.e., Calendar Year 2003) HUD REAC Customer Services & Satisfaction Survey, which is indicative of the satisfaction of its residents. Further, members of the Resident Council present at the September 29, 2004, meeting with the PHA Executive, Deputy Director and Agency Plans Consultant (and the Chief of Police in a separate meeting on this same date) all stated that they felt safe and secure in both their respective homes and in their neighborhood. Again, HAHC believes that it has met this goal/objective.
4. The HAHC's part-time Resident Coordinator (RC) has provided and/or coordinated a number of programs for residents. Most programs, due to HAHC limited funding capacity, have been directed primarily to the Elderly/Disabled/Handicapped members of its resident body. Some separate activities, such as an Easter Egg Hunt and Halloween party have been conducted for project youth. Other examples of HAHC sponsored activities are health related (e.g., blood pressure checks, cholesterol screenings, weight management, etc.) programs, assistance in completing forms, getting eye glasses, hearing aides, medication and/or health insurance

free or reduced prices, and educational and recreational activities and outings for the youth. A “GED” program is conducted in the HAHC’s Community Room for interested residents. HAHC has a Food Pantry for those residents in need. From the above it appears that HAHC has improved the “self-sufficiency” aspects of its resident body, thus achieving this goal/objective.

## **B. Criteria for Substantial Deviations and Significant Amendments**

### **(1) Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### **a. Substantial Deviation from the 5-Year Plan**

- 1.) Redirection of more than 20% of its operating budget funds from any budgeted/scheduled activity to another activity or:
- 2.) A major change in program direction (e.g., new or different housing selection preference criterion, new or changes to deductions from income-based rents, additional efforts to enhance deconcentration opportunities, changes in the basis of determining Ceil/Flat rent amounts, etc.) that requires action on the part of the Board of Commissioners; or
- 3.) Increasing or decreasing the total number of HAHC employees by more than 25% from that authorized on the April 1st of each fiscal year.

However, NONE of these changes will be considered a Substantial Deviation IF those changes result from Government (i.e., Federal, State, or Local) actions over which the HAHC exercises no control.

#### **b. Significant Amendment or Modification to the Annual Plan**

- 1.) Changes to rent or admission policies or organization of its waiting list, or
- 2.) Additions of non-emergency work items (not included in the current Annual Statement or 5-Year Action Plan) or change in use of the replacement reserve funds under the Capital Grant Funds Program, or
- 3.) Any change with regard to demolition or disposition, designation of projects/buildings (for the elderly/disabled or families with disabilities), homeownership programs or conversion activities.

However, NONE of these changes will be considered Substantial Amendments/Modifications IF those changes result from Government (i.e., Federal, State, of Local) actions over which the HAHC exercises no control.

(list below) The Housing Authority of Horse Cave (HAHC) will continue to make physical improvements in its properties as a part of the HUD funded Capital (Improvements) Funds Programs (CFPs). This is done to offer a better living environment to all its clientele. HAHC will also continue to offer affordable rents by allowing its residents to choose between Income-based Rents and Flat Rents. The Income-based Rents is based on 30% of adjusted gross income OR 10% of total gross income, whichever is greater. HAHC allow deductions, from Income-based Rents for issues mandated by Federal Law (e.g., minor dependents, the elderly), also certain deductions for working families and a deduction for court-ordered child support payments. Flat Rents were established at amounts below the Section 8 Fair Market Rents (FMRs) for Hart County, and are updated annually to reflect the change(s) in FMRs from one year to the next. In any case, all residents must pay at least a (gross) rent of \$50 per month. These actions will provide improved living conditions and housing opportunities for qualified low-income families.

**b. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)**

- Other (describe below:)
