Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan. The Housing Authority of Owenton (HAO) will increase by \$50, the security deposit requirements for new Family and the Elderly/Disabled leaseholders to \$200 and \$150, respectively. HAO will continue to offer affordable housing to its low-income constituency. This will be accomplished by giving residents the choice of Income-Based Rents or Flat Rents. Income-Based Rents will be set on the highest of 10% of Gross Income, 30% of Adjusted Gross Income or the \$50 Minimum Rent. Flat Rents, established by bedroom sizes, will not exceed rents charged by comparable rental properties in Owen County. The HAO will continue its efforts to improve living conditions for its current and future residents by first dealing with some structural issues, which may consume several years of Capital Program Funding to eliminate. Then HAO plans to provide new HVAC to all units, followed by construction of a new Maintenance and Community Building, including a separate section for a small Laundromat.

9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2005 2009. For this report, the correct period of reporting is for the 5-year period FY2000-2004 and the following report is for that period.

The HAO believes it has fulfilled its mission of providing drug free, decent, safe, and sanitary housing (in good repair) for eligible families. Further, its accomplishments toward the Five-Year goals/objectives are as follows:

1. We have made improvements in the management of the HAO by organizing our files and records (in an earlier year), by computerizing many of our records and policies, establishing set hours of operations and establishing and communicating the basis for residents to communicate their needs for services during and after regular work hours. A HUD Management Review & Occupancy Audit of August 4-8, 2003, revealed a number of problems in the operations of its intake and occupancy functions. Subsequent to that review, the Executive Director worked very diligently on correcting those deficiencies and taking actions to prevent most from recurring. Additionally, the CY2003 HUD REAC Resident Services & Satisfaction Survey (i.e., the latest one available) revealed a passing score (i.e., at or above 75%) on all 5 rated categories, with improvement in 3 of the 5 categories during the past year. HAO's lowest score, i.e., 79.6%, was on "Neighborhood Appearance". Further, during the current (i.e., 5th Annual Plans Year) we have relocated our offices to 105 Gaines Village Drive (formerly a one-bedroom dwelling unit). The former office is now used as our Maintenance Office, which allows us to "house and store" adequately needed maintenance materials and supplies. Further, we hired a part-time Clerk (in July 2004) to augment the efforts of our (also part-time) Executive Director in our administration of the HAO. Additionally, in January 2005, we filled the (one) Maintenance Mechanic vacancy with a new qualified and highly energetic individual, who is already showing progress in making improvements in the delivery of maintenance services/management of this PHA. We believe that improvements are evident of improved management and delivery of services.
2. During the past year the HAO awarded a contract for interior drain (waste) lines and asbestos floor tile replacements in the 8 ground level apartments of buildings 1 and 2 (the all-elderly apartments). Work has been completed and the contract was closed-out during the past year. Due to the actual costs of doing this work, parts of FFY2002 through FFY2004 Capital Fund Program grants and some Operating Funds were used to complete this necessary but highly costly work. The remainder of the FFY2004 CFP grant will likely be used to conduct a "structural deficiency" analysis of our housing complex, where sub floors are buckling in several units and at least one porch is pulling away from the building.
3. Our highest "Services & Satisfaction Survey" score, from the latest (i.e., Calendar Year 2003) REAC survey was in the area of Maintenance & Repair. In this area of the survey we scored an all time high of 94.5%, indicating our residents' satisfaction with both our efforts and achievements in meeting their needs. This was accomplished by the use of our one Maintenance employee, assisted by contract services where and when needed. As stated above, we believe that with our new Maintenance employee, who joined us in January 2005, we will be able to deliver an even higher level of overall maintenance service to our residents.
4. The Housing Authority of Owenton is an Equal Opportunity Housing Agency and its programs and units are open to all ethnicities, races and low-income eligible applicants. No one is turned away or denied service based on race, ethnicity or eligible low-income status. Comments received in the HUD Occupancy Management Review & Occupancy Audit of August 2003, confirm these statements.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

The Housing Authority (HA) of Owenton has chosen the following as its definition of Substantial Deviation:

- 1.) Redirection of more than 20% of its operating budget funds from any budgeted/scheduled activity to another activity or:
- 2.) A major change in program direction (e.g., new or different housing selection preference criterion, new or changes to deductions from income-based rents, additional efforts to enhance deconcentration opportunities, changes in the basis of determining Ceiling/Flat rent amounts, etc.) that requires action on the part of the Board of Commissioners; or
- 3.) Increasing or decreasing the total number of HA employees by more than 50% from that authorized on the July 1st of each fiscal year.

However, NONE of these changes will be considered a Substantial Deviation IF those changes result from Government (i.e., Federal, State, or Local) actions over which the HA exercises no control.

b. Significant Amendment or Modification to the Annual Plan

The HA has chosen to use the HUD definition of Significant Amendment or Modification. Specifically, it will consider the following to be such modifications/amendments:

- 1.) Changes to rent or admission policies or organization of its waiting list.
- 2.) Additions of non-emergency work items (not included in the current Annual Statement or 5-Year Action Plan) or change in use of the replacement reserve funds under the Capital Grant Funds Program and,
- 3.) Any change with regard to demolition or disposition, designation of projects/buildings (for the elderly/disabled or families with disabilities), homeownership programs or conversion activities.

However, NONE of these changes will be considered Substantial Amendments/Modifications IF those changes result from Government (i.e., Federal, State, of Local) actions over which the HA exercises no control.
