[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.)

HUD Strategic Goal: Increase the availability of decent, safe and affordable housing.

Progress: *During the period July 1, 2000 through January 31, 2005, 11 parcels have been acquired and cleared for development of affordable housing by private developers or local non-profits.*

The PHA's SEMAP score averaged 97% for FY00 through FY03, receiving two perfect scores during the period. SEMAP audit for FY04 will be submitted after June 30, 2005.

The PHA's lease rate for FY00 through FY03 averaged 98.6%. Lease rate for FY04 is anticipated to be greater than 100%.

All units subsidized with HCV funds were inspected prior to lease up and at least once annually thereafter as long as the tenant remained in the program. During the period July 1, 2000 through January 31, 2005, 3,437 inspections were performed for new or recertification tenants, not including followup inspections on

failing units.

During the period July 1, 2000 through December 31, 2004, 613 families ended participation in the HCV program. Thirty-two Informal Hearings were requested and 8 terminations were overturned as a result of the hearing.

The PHA publishes a quarterly Landlord Newsletter, distributed to approximately 200 landlords each quarter. Additionally, program brochures for the Housing Choice Voucher Program, Family Self Sufficiency Program, and the Voucher Homeownership Program have been published and are available in Briefing Packets, Landlord Packets and in the PHA office.

Payment Standards are reviewed annually following publication of HUD's Schedule of Fair Market Rents and analyzed utilizing lease success rates, rent burdens, rent comparable records and market conditions. Success Rate Payment Standards were used during much of the reporting period keep Payment Standards within a range that would enhance successful leasing. Current Payment Standards are set between 90% and 100% of the published FMR.

The PHA implemented a Voucher Homeownership Program in 2000, which currently has two participants. Collaborative efforts with local non-profits and the Housing Authority have been undertaken to increase participation. The PHA offers pre-purchase counseling and participates in local "Yes, You Can Own Your Own Home" workshops. In addition to the Voucher Homeownership program, tenants can move into homeownership via a variety of ways, utilizing a variety of community resources.

HUD Strategic Goal: Promote self sufficiency and asset development of families and individuals.

Progress:

The Family Self Sufficiency Family Counselor position has been funded each year during the period FY00 through FY04. The Family Counselor offers case management and a variety of workshops, including Employability Skills and Money Management, to enhance the client's ability to secure and maintain employment and to manage his/her money effectively. There have been 36 FSS graduates since July 1, 2000 and the current participation rate is 107%, with 60 participants. A total of \$107,802 in escrow has been awarded to participants since July 1,

2000 and there are currently 36 active escrow accounts. Ten families have moved into homeownership during the report period.

Other PHA Goal: **Provide relocation assistance to displaced persons.**

Progress: *Adoption of a Chapter 99 Downtown Redevelopment Plan in 2003, local capital building projects and more pro-active code enforcement increased relocation activity significantly during the report period. Redevelopment and capital project activities resulted in 21 displaced families or businesses being relocated between July 1, 2000 and January 31, 2005. Total cost of these relocations was \$302,836. During the same period, 15 code enforcement displacements were referred to the PHA. Ten of these were relocated with a total cost of \$9,186 and five Section 8 vouchers.*
