ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Needham Housing Authority seeks to continue to provide safe and desirable affordable rental housing and to expand its housing portfolio and options to include home ownership. The Authority plans to continue as an advocate for its tenants and others in bringing necessary services and programs to the Authority and the community. The Authority continues to support and encourage its tenants and local tenants' organizations by providing information and assistance as well as training at local conferences and workshops.

The Needham Housing Authority has created a non-profit organization that is working in conjunction with the local Increased Housing Opportunities Committee to develop additional affordable housing in the community.

The Needham Housing Authority has adopted a new eligibility policy which broadens the definition of "resident" to include applicants who have immediate family in the community and which favors working families. The eligibility policy continues to give priority to applicants who meet the many definitions of homeless or living in unsafe or unsuitable housing.

The Authority's Section 8 Program is currently being managed by another Authority. Needham Housing Authority plans to build the financial and administrative resources necessary to bring the Section 8 Program back to Needham and expand it by implementing homeownership programs and seeking additional vouchers if they become available.
