ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Hamtramck Housing Commission is a PHAS troubled agency located in Wayne County, Michigan. The HHC manages 450 units of public housing at two developments.

The mission of the HHC is:

To promote adequate and affordable housing, economic opportunity and a suitable living environment without discrimination for low-income, very low-income families, persons with disabilities or the elderly.

The HHC will be a vehicle of social mobility by giving qualified applicants the opportunity to reside in a subsidized public housing for a period of time, so that they may secure the necessary schooling or training they may need, which may consist of, but not limited to, obtaining a high school diploma or GED, college degree vocational training and/or marketable skills to obtain gainful employment.

The HHC will accomplish its mission ideals through its goals and objectives:

1. Providing decent, safe and affordable housing in our community.
2. Ensuring equal opportunity in housing for everyone.
3. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.
4. Improving community quality of life and economic vitality.
5. To provide timely response to resident request for maintenance problems.
6. To continue to enforce our "One Strike" policies for resident and applicants.
7. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The HHC's financial resources include an operating fund, capital fund and dwelling rental income which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The HHC has assessed the housing needs of Hamtramck and surrounding Wayne County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a mid-sized agency. The HHC has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The HHC has determined that its housing strategy complies with the Wayne County's Consolidated Plan.

The HHC has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The HHC has established a minimum rent of \$25.00 and has conducted a survey to determine flat market rents.

The HHC has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The HHC has no plans to demolish or dispose of any of its properties, but it has submitted an application to HUD to renew its designation of it's high rise facility for only the elderly.

The HHC has no plans to convert any of it's public housing units to Section 8 Vouchers, nor does it have or plan to develop a Homeownership program in the near future.

The HHC has identified compliance with the Community Service requirements by rewriting its Admission and Continued Occupancy Plan and Dwelling Lease to address those adult members of any family that must perform community service activities annually. In addition, the HHC has developed a self-certification form that is enclosed.

The HHC has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents. The HHC has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The HHC will strive this year to improve real and perceived attitudes and opinions of our residents regarding the latest RASS survey in which we scored below 75% on communications and neighborhood appearance. HHC submitted its follow-up plan on 3/14/05 and will incorporate our efforts to address these discrepancies with both CFP and operating funds.

The HHC has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the HHC has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of HHC's Agency Plan to HUD.

The HHC has developed a very effective Asset Management plan to maintain its properties and manage its. Operation through the proper utilization of the following Annual Plan components:

1. Financial Resources
2. Operations and Management
3. Capital Improvements

Attachment A Deconcentration Policy

Deconcentration Policy

It is the policy of the Housing Commission of Hamtramck (HHC) to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the HHC is to house no less than 40% of its inventory with families that have income at or below 30% of the area median income by public housing development. Also the HHC will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the HHC does not concentrate families with higher income levels, it is the goal of the HHC not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The HHC will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the HHC.

To accomplish the deconcentration goals the HHC will take the following actions:

- A. At the beginning of each fiscal year, the HHC will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
 1. Housing not less than 40% of its inventory on an annual basis with families that have incomes at or below 30% of area median income, and
 2. Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living the development with incomes that exceed 30% of the area median income, the HHC's Tenant Selection and Assignment Plan, which is a part of this policy, provides for the utilization of local preferences with regards to applicant selection from its waiting list.

HAMTRAMCK HOUSING COMMISSION

Attachment E – Definition of Substantial Definition & Significant Amendment or Modification

The Hamtramck Housing Commission’s (HHC) definition of Substantial Deviation and Significant Amendment or Modification are as follows:

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

The Public Housing Authority’s (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- ⊕ changes to rent or admissions policies or organization of the waiting list;
- ⊕ additions of non-emergency work items (items not intended in the current 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund; and
- ⊕ any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

B. Significant Amendment or Modification to the Annual Plan:

The Public Housing Authority’s (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- ⊕ changes to rent or admissions policies or organization of the waiting list;
- ⊕ additions of non-emergency work items (items not intended in the current Annual Statement) or change in use of replacement reserve funds under the Capital Fund; and
- ⊕ any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

Attachment F – Summary of Policy and Program Changes

Summary of Policy and Program Changes

The HHC has not made nor intends to make any major policy or program changes in 2005. Local preferences were established and will not change, rent policies remain the same, community service policy parameters were included in our lease and ACOP, and our family development pet policy has been implemented.

Attachment I – Progress in meeting the 5-Year Plan Mission and Goals

The HHC has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of previous Capital Funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2005 application will continue that effort.

HHC has implemented local preferences to improve the living environment by addressing deconcentration, promoting income mixing and improving security throughout our development.

The HHC hopes to create and facilitate self-sufficiency programs to improve resident employability as well as solicit support services for the elderly and families with disabilities. The HHC has long desired to implement a program for resident training and self improvement. Action already taken in this area is the hiring of residents as HHC personnel (1 receptionist and 3 custodial workers). The HHC has developed a modern, efficient facility to provide self-sufficiency programs for our residents. Additional programs contemplated include adult education classes, GED programs, computer training for employment opportunities, and daycare for working parents. Appropriate staff has not yet been recruited to develop and administer these programs. The current timetable to have proper staff for these programs is Fall 2006.

The HHC will strive this year to improve real and perceived attitudes and opinions of our residents regarding the latest RASS survey in which we scored below 75% on safety, communication and neighborhood appearance. HHC submitted its follow-up plan on 3/14/2005, and will incorporate our efforts to address these discrepancies with both CFP and operating funds.

We are confident that the HHC will be able to continue to meet and accommodate all our goals and objectives for FY 2005.

Attachment J – Implementation of Public Resident Community Service Program

The Hamtramck Housing Commission's policy is designed to identify which adult family members are subject to or exempt from the service requirements; to explain how the PHA will administer its program; to identify PHA and/or third party certification opportunities available to eligible adult family members; and to assure resident compliance with identified work activities with fair and equitable actions.

PHA Responsibilities

1. Eligibility Determination

The PHA will review every existing resident file to determine each Adult member's status regarding community service per the following guidelines.

- d. As family status is determined a registered letter or other certifiable document of receipt will be sent to each adult member of that family to notify them of their status (exempt or non-exempt) and explaining the steps they should immediately proceed with through their housing representative.
- e. The PHA will include a copy of the general information section of its Community Service Policy and a listing of PHA and/or third party work activities that are eligible for certification of the community service requirement.
- f. At the scheduled meeting with each non-exempt adult family member, not only will the parameters of the community service requirement be reviewed but also the PHA and/or third party work activities will be identified and selected for compliance with the annual obligation for certification at their annual lease renewal date.

2. Work Activity Opportunities

The Hamtramck Housing Commission has elected to provide to those adult family members that must perform community service activities the opportunity to select either PHA sanctioned work activities or Third Party certifiable work items. The administration of the certification process would be:

1. PHA Provided Activities.

When qualifying activities are provided by the Authority directly, designated Authority employee(s) shall provide signed certification that the family member has performed the proper number of hours for the selected service activities.

2. Third Party Certification

When qualifying activities are administered by any organization other than PHA, the family member must provide signed certification (see III A (c)) to the Authority by such third party organization that said family member has performed appropriate service activities for the required hours.

3. Verification of Compliance.

The Authority is required to review family compliance with service requirement, and must verify such compliance annually at least thirty (30) days before the end of the twelve (12) month lease term (annual re-certification time). Evidence of service performance and/or exemption must be maintained in the participant files.

4. Notice of Noncompliance.

If the Authority determines that a family member who is subject to fulfilling a service requirement, but who has violated the family's obligation (a noncompliant resident) the Authority must notify the specific family member of this determination.

The Notice of Noncompliance must:

- a. Briefly, describe the noncompliance (inadequate number of hours).

Attachment J – Implementation of Public Resident Community Service Program

- b. State that the Authority will not renew the lease at the end of the twelve (12) month lease term unless:
The resident or any other noncompliant adult family member enters into a written agreement with the Authority to cure the noncompliance and in fact perform to the letter of agreement.

- Or -

The family provides written assurance satisfactory, to the PHA that the resident or other noncompliant adult family member no longer resides in the unit.
This Notice of Noncompliance must also state that the resident may request a grievance hearing and that the resident may exercise any available judicial remedy to seek timely redress for the Authority's non-renewal of the lease because of a noncompliance determination.

5. Resident agreement to comply with the service requirement.

The written agreement entered into with the Authority to cure the service requirement noncompliance by the resident and any other adult family member must:

- a. Agree to complete additional service hours needed to make up the total number of hours required over the twelve (12) month term of the new lease.
- b. State that all other members of the family subject to the service requirement are in current compliance with the service requirement or are no longer residing in the unit.
6. The Hamtramck Housing Commission has developed the following list of Agency certifiable and/or third party work activities of which each non-exempt adult family member can select to perform their individual service requirement.

The Authority has identified the following PHA certifiable activities, which are available to meet the requirements:

Neighborhood Watch
Daily Phone Monitor for elderly
Daily Phone Monitor for disabled
Welcome Wagon Attendant
Playground Monitor
Or other certifiable activities

Third party entities that have entered into agreement with the Authority to provide activities available to satisfy the Community Service activities will be listed by Entity, work activity and contact person. If an adult individual elected to utilize a third party entity, they must notify the HHC.

 3. Pets other than a dog or cat shall be confined to an appropriate cage or container. Such a pet may be removed from its cage while inside the owner’s apartment for the purpose of handling, but shall not generally be unrestrained.
 4. Only one dog or one cat is allowed per household. **NO PIT BULLS WILL BE PERMITTED.** At the family site, all dogs and cats will need to be on a leash, tied up, or otherwise restrained at all times when they are outside.  5. No pet shall be left unattended outside at any time on the HHC’s property.
 6. No cat or dog houses will be allowed on the HHC’s property.
 7. Pet owners shall maintain their pet in such a manner as to prevent any damage to their unit, yard or common areas of the community in which they live. The animal shall be maintained so as not to be a nuisance or a threat to the health or safety of neighbors, HHC employees, or the public, by reason of noise, unpleasant odors or other objectionable situations.

Attachment K– PHA’s Policy on Pet Ownership in Public Housing Family Development

If determined by the HHC that there is a problem, to insure that the pet is taken care of, the apartment is kept in a safe, decent, and sanitary manner, and to prevent bug/flea infestation, the apartment will be subject to random inspections.

If a problem is not resolved, the HHC will instruct the tenant to remove the pet from the apartment permanently. The HHC reserves the right to take whatever action is necessary to protect the other residents as well as HHC property.

If the tenant fails to take corrective action to alleviate the nuisance (e.g., excessive barking or whining), the tenant will be required to remove the pet from the premises within seven (7) days upon notification by the HHC.

If the tenant fails to remove the pet from the apartment, the HHC reserves the right to terminate the tenant’s lease.

8. Each pet owner shall be fully responsible for the care of the pet, including proper disposal of pet wastes in a safe and sanitary manner. Specific instructions for pet waste shall be available in the management office. Improper disposal of pet waste is a lease violation and may be grounds for termination.

Pet waste must be immediately picked up and placed in a disposable container. The container must be tied securely before being placed in the garbage can or dumpster. Improper disposal of pet waste is a lease violation and may be grounds for termination.

Tenants owning a cat must provide a litter box for their cat which must be cleaned as needed. Cat litter and waste must be disposed of in a proper manner.

AT NO TIME SHOULD PET WASTE BE PLACED AND/OR DROPPED IN TRASH CHUTES.

9. All pets shall be inoculated and licensed in accordance with applicable state and local laws. Every dog and cat must have and wear a valid City of Hamtramck animal license and a tag bearing the owner’s name and address. All cats or dogs shall be neutered or spayed, unless a veterinarian certifies that the spaying or neutering would be inappropriate or unnecessary (because of health, age, etc.) All fur-bearing pets must wear a flea collar at all times. The owner is responsible for changing this flea collar every four (4) months to prevent flea infestation. This rule must be adhered to for the protection of non-pet owning residents.
10. Visiting pets may be allowed as long as they conform to the guidelines expressed in this policy, except that: (1) no pet deposit shall be required of the resident with whom the pet is visiting (unless the visit is in excess of 72 hours) and two (2) verified complaints shall be grounds for excluding the pet from further visits.
11. All pets shall be registered with the Management Office immediately or no longer than ten (10) days following their introduction to the community. Registration shall consist of providing:
 - a. Basic information about the pet (type, age, description, name, etc.)
 - b. Proof of inoculation and licensing.
 - c. Proof of neutering or spaying. All female dogs over the age of six (6) months and female cats over the age of five (5) months must be spayed. All male dogs over the age of eight (8) months and all male cats over the age of ten (10) months must be neutered. If health problems prevent such spaying or neutering, a veterinarian’s certificate will be necessary to allow the pet to become or continue to be a resident of the community.
 - d. Payment of a pet deposit of \$200.00 (to be paid in full) plus a nominal monthly fee \$10.00 (**\$120.00 total**) paid in advance at time of re-certification to defray the cost of potential damage done by the pet to the unit or to common areas of the community. There shall be no pet deposit for pets other than dogs or cats. The pet deposit shall not preclude charges to a resident for repair of damages done on an ongoing basis by a pet. The resident is responsible for all damages caused by

the pet and will reimburse the Commission for all costs it incurs in repairing such damages. This fee is non-refundable.

Type of Pet	Pets Name	Inoculations (type and date)

- e. If a resident cannot care for their pet due to an illness, absence, or death, and no other person can be found to care for the pet, after 24-hours have elapsed, the tenant hereby gives permission for the pet to be released to the Humane Society/Animal Control, in accordance with their procedures. In no case shall HHC incur any costs or liability for the care of a pet placed in the care of another individual or agency under this procedure.

Provide the name, address and phone number of one or more persons who will care for the pet if you are unable to do so. This information will be updated annually.
