In both the Kingswood apartments and the family apartments, smoke detectors are tested during unit inspections and unit turnovers. Many of our apartments also have methane detectors.

* We have an entry telephone system and a security camera with a tape system at the front entrance of the Kingswood apartment building. The entry doors are locked through the night. If someone comes to visit a Resident after the building is locked, they can call the Resident's apartment from the entry phone. The Resident can view this area on their t.v. If the Resident is sure who the person is and wants to let them into the building, they can unlock the entry door from their apartment by dialing a certain number on their telephone. The telephone system has an emergency code set so if emergency personnel need to enter the building when locked, they enter the code into the telephone and the door lock releases.

* We continue to aggressively screen applicants prior to admission to avoid offering housing to people with a criminal background

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.

Goal 1. Improve the quality of assisted housing. We continue to renovate and modernize our existing public housing units, common areas and grounds using money from the Capital Fund Programs. Through the years, many work items to improve the safety and security of our Residents and our buildings have been accomplished.

Goal 2. Provide an improved living environment. We continue to conduct monthly fire alarm testing and monthly checks of the fire extinguishers, test the emergency call system once every three months, and test apartment smoke detectors at every inspection and unit turnover. We continue to aggressively screen applicants prior to admission to avoid offering housing to people with a criminal background. We have maintained a very low crime rate.

Goal 3. Promote self-sufficiency and asset development of assisted households. We continue to encourage non-working families to seek employment by posting the classified job ads on the office bulletin board, talking with them, and, we encouraging them to further their education. We also work with local supportive service agencies such as UPCAP, home health care agencies, senior citizen centers, etc. to provide informational programs for Residents and help provide many with in-home care and services so they can continue to live independently. We recently hired a family Resident to work part-time as a housekeeper.

Goal 4. Ensure equal opportunity and affirmatively further fair housing. We offer housing to families regardless of race, color, religion, national origin, sex, familial status and disability. We provide a suitable living environment for families living in our housing, regardless of race, color, religion, national origin, sex familial status, and disability. We offer accessible housing to people with disabilities. We make every effort possible to provide reasonable accommodations allowing a Resident to live independently. We have three wheelchair accessible units and plan to provide one to two more units through a future Capital Fund Program.

Goal 5. Improve and preserve the existing housing stock. Throughout the years, we used money from the Capital Fund Programs to renovate and modernize our public housing apartment, common areas, property, and grounds. We made progress in areas of safety and security for our Residents and our buildings.

Goal 6. Continue to develop linkages between housing and service sectors to provide greater housing opportunities for household with special needs. We work with local supportive service agencies such as UPCAP, home health care agencies, senior citizen centers, etc. who provide our Residents with information and services. Many of our Residents benefit from their programs and are able to live independently in their apartment for a longer period of time.
