2.0 Reasonable Accommodation

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Luna Pier Housing Commission housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Luna Pier Housing Commission will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Luna Pier Housing Commission will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 Communication

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies. Any family required to transfer will be given a 30-day notice.

1.0 FAIR HOUSING

Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The Luna Pier Housing Commission shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Luna Pier Housing Commission's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Luna Pier Housing Commission will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Luna Pier Housing Commission office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Luna Pier Housing Commission will assist any family that believes they have suffered illegal discrimination by providing them copies of the appropriate housing discrimination forms. [24 CFR Part 903.12 (b), 903.7 (b)]

A. Public Housing

Exemptions: PHAs that do not administer public housing are not required to complete subcomponent 3A.

(1) Eligibility

a. When does the PHA verify eligibility for admission to public housing? (select all that apply)

- When families are within a certain number of being offered a unit: (state number)
- When families are within a certain time of being offered a unit: (state time)
- Other: (describe)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information establishing any preferences to which they may be entitled. This first phase results in the family's placement on the waiting list.

Upon receipt of the family's pre-application, the Luna Pier Housing Commission will make a preliminary determination of eligibility. The Luna Pier Housing Commission will notify the family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Luna Pier Housing Commission determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Luna Pier Housing Commission will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Luna Pier Housing Commission will ensure that verification of all preferences,

eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

b. Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing (select all that apply)?

- Criminal or Drug-related activity
- Rental history
- Housekeeping
- Other (describe)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

8.3 Suitability

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing lease. The Luna Pier Housing Commission will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Luna Pier Housing Commission employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The Luna Pier Housing Commission will consider objective and reasonable aspects of the family's background, including the following:
 - 1. History of meeting financial obligations, especially rent and any utility payments;
 - 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
 - 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
 - 4. History of disturbing neighbors or destruction of property;
 - 5. Having committed fraud in connection with any Federal housing

assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and

6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

C. The Luna Pier Housing Commission will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Luna Pier Housing Commission will verify the information provided. Such verification may include but may not be limited to the following:

1. A credit check of the head, spouse, co-head, and any other adult family members;
2. A rental history check of all adult family members;
3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Luna Pier Housing Commission may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Luna Pier Housing Commission.

The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Luna Pier Housing Commission who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Luna Pier Housing Commission's action has expired without a challenge or final disposition of any litigation has occurred;

4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and

5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The Luna Pier Housing Commission will check with our State registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

- c. Yes No: Does the PHA request criminal records from local law enforcement agencies for screening purposes?
- d. Yes No: Does the PHA request criminal records from State law enforcement agencies for screening purposes?
- e. Yes No: Does the PHA access FBI criminal records from the FBI for screening purposes? (either directly or through an NCIC-authorized source)

16.0 Unit Transfers

16.1 Objectives of the Transfer Policy

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by ensuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To eliminate vacancy loss and other expenses due to unnecessary transfers.

16.2 Categories of Transfers

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health

condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Luna Pier Housing Commission occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Luna Pier Housing Commission when a transfer is the only or best way of solving a serious problem.

16.3 Documentation

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 Processing Transfers

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) business days of being informed the unit is ready to rent. The family will be allowed seven (7) calendar days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Luna Pier Housing Commission and the family rejects two offers without good cause, the Luna Pier Housing

Commission will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Luna Pier Housing Commission's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.

- C. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

a. Yes No: Does the PHA have any general occupancy (family) public housing developments covered by the deconcentration rule? If no, this section is complete. If yes, continue to the next question.

b. Yes No: Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments? If no, this section is complete. If yes, list these developments on the following table:

Deconcentration Policy for Covered Developments			
Development Name	Number of Units	Explanation (if any) [see step 4 at §903.2(c)(1)(iv)]	Deconcentration policy (if no explanation) [see step 5 at §903.2(c)(1)(v)]

Criteria

The final rule on Deconcentration (24 CFR Part 903) describes public housing developments not subject to deconcentration. HUD determined that certain developments should be exempt from the requirement to deconcentrate poverty because of the development's resident population, type or types of units, or number of units. Public housing developments that are exempt from application or the requirement to deconcentrate poverty and mix incomes are the following:

Sec 903.2 (b)(2):

- (i): Public housing developments operated by a PHA with fewer than 100 public housing units;
- (ii): Public housing developments operated by a PHA which house only elderly persons or persons with disabilities, or both;
- (iii): Public housing developments operated by a PHA that operates only one general occupancy, family public housing development;
- (iv): Public housing developments approved for demolition or for conversion to tenant-based assistance; and,
- (v): Public housing developments which include public housing units operated in accordance with a HUD-approved mixed-finance plan..

A public housing development includes units or buildings with the same project number. Also, contiguous sites with more than one project number may be considered one development.

Public housing developments that are subject to the requirement to deconcentrate poverty are general occupancy, family public housing developments, excluding those developments, identified above, as being exempt from the requirement, and are referred to as "covered developments."

Documentation:

The Housing Commission owns and operates a total of 102 public housing units. There are two developments. MI098-1 consists of 51 units with 21 units designed for general occupancy and 30 units designed for occupancy by elderly persons or persons with disabilities or both.

MI098-2 consists of 51 units with 21 units designed for general occupancy and 30 units designed for occupancy by elderly persons or persons with disabilities or both.

Based on the criteria outlined above, contiguous sites with more than one project number may be considered one development. MI098-1 and MI098-2 are considered as one

development since they are on one site.

Determination:

The Housing Commission is exempt from the deconcentration and income mixing requirements as provided in:

(iii): Public housing developments operated by a PHA that operates only one general occupancy, family public housing development;

This development meets the definition of a **Mixed population development**: “A public housing development, or portion of a development, that was reserved for elderly and disabled families at its inception (and has retained that character). If the development was not so reserved at its inception, the PHA has obtained HUD approval to give preference in tenant selection for all units in the development (or portion of development) to elderly families and disabled families. These developments were formerly known as elderly projects.”

B. Criteria for Substantial Deviations and Significant Amendments

Consolidated Plan jurisdiction: State of Michigan

a. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply):

- The PHA has based its statement of needs of families on its waiting list on the needs expressed in the Consolidated Plan/s.
 The PHA has participated in any consultation process organized and offered by

- the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)

- The Luna Pier Housing Commission will continue to provide a drug free workplace.
- The Luna Pier Housing Commission will continue to maintain and renovate its public housing units.
- The Luna Pier Housing Commission will continue to meet the special needs of elderly families and families with disabilities by providing appropriate and accessible housing in the public housing program.
- The Luna Pier Housing Commission will continue to market its public housing program to make families and individuals aware of the availability of decent, safe, sanitary and affordable housing in the jurisdiction of the Housing Commission.
- The Luna Pier Housing Commission Admission and Continued Occupancy Policy requirements are established and designed to:
 - (1) Provide improved living conditions for very low and low-income families while maintaining their rent payments at an affordable level.
 - (2) To operate a socially and financially sound public housing agency that is violence and drug-free, decent, safe and sanitary housing with a suitable living environment for residents and their families.
 - (3) To avoid concentrations of economically and socially deprived families in our public housing development.
 - (4) Deny the admission of applicants, or the continued occupancy of residents, whose habits and practices reasonably may be expected to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to our employees.
 - (5) To attempt to house a tenant body that is composed of families with incomes and rent-paying abilities that are representative of the range of incomes of low income families in our jurisdiction.
 - (6) To ensure compliance with Title VI of the Civil Rights Act of 1964 and all other applicable Federal fair housing laws and regulations so that the admissions and continued occupancy are conducted without regard to race, color, religion, creed, sex,

national origin, handicap or familial status.

Our agency is part of the entire effort undertaken by the City of Luna Pier, Monroe County and the State of Michigan to address our jurisdiction's affordable housing needs. While we cannot ourselves meet the entire need identified in the Consolidated Plan, in accordance with our goals and objectives included in this Plan, we will try to address some of the identified need by using appropriate resources to maintain and preserve our existing stock. When appropriate and feasible, we will apply for additional grants and loans from federal, state and local sources, including private sources to enhance the affordable housing available in our community. We intend to continue working with our local partners to try and meet these identified needs.

This year we expect to continue to utilize the funds we receive for our existing programs to house people. We will be focusing on management improvements and modernization of our properties. Priorities and guidelines for programs often change from year to year and our decisions to pursue certain opportunities and resources may change over the coming year if there are program changes beyond our control.

Other: (list below)

- b. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

While the Consolidated Plan does not offer assistance specific to public housing, it evidences a firm commitment to providing as much affordable quality housing to the citizens of Michigan as possible. It's key priorities include supporting rental and owner housing rehabilitation programs, downpayment assistance and homeownership programs, homeless assistance programs, and the development of affordable special need housing. In this way, the State partners with the Housing Commission.

- Other (describe below:)

c. Indicate the number of units and general location of units (e.g. eligible census tracts or smaller areas within eligible census tracts):
