**Troubled Agency Plan**

### **ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Austin HRA, since its inception in 1972 has been a powerful force in the City of Austin's strategy to attack housing issues and urban blight. The Austin HRA has used virtually every financing tool available at the local, state and federal level to create solutions of identified problems. Hence, the Austin HRA has functioned as a Community Development Agency bringing a multifaceted approach to complex urban issues. Since 1972, the Austin HRA has assisted over \$170 million of public and private investments to better the quality of community life. The Austin HRA enjoys the luxury of a staff long experienced in tasks to be encountered resulting in great efficiency.

The Austin HRA's immediate challenges include:

- 1.) Modernization of elevators at Pickett Place.
- 2.) Continue to modernize existing public housing stock (See Capital Fund Program Annual Statements).
- 3.) Maintain high occupancy standards.
- 4.) Provide nutritious hot meals to project residents and support the public bus transportation system.
- 5.) Provide housing for expanding employment housing program in which a hazardous structure is removed and replaced with a new affordable home to be sold.
- 6.) Continue to perform a replacement housing program in which a hazardous structure is removed and is replaced with a new affordable home to be sold.
- 7.) Continue to provide home ownership programs.

### C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

#### (1) Strategies

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

**Strategy 2: Increase the number of affordable housing units by:**

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

**Need: Specific Family Types: Families at or below 30% of median**

**Strategy 1: Target available assistance to families at or below 30 % of AMI**

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)  
The Austin HRA examines the current family waiting list periodically to ensure extremely low income families take priority over very low income families.

**Need: Specific Family Types: Families at or below 50% of median**

**Strategy 1: Target available assistance to families at or below 50% of AMI**

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: (list below)  
The Austin HRA's Public Housing Family Units (56) are an adequate supply for the existing waiting list.

**Need: Specific Family Types: The Elderly**

**Strategy 1: Target available assistance to the elderly:**

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available
- Other: (list below)

There are adequate elderly units available. The elderly needs to accept living with the handicapped/disabled population in our high-rises in order to maintain full occupancy and a higher average unit rental rate, because most of the handicapped/disabled population is employed. There are minimal problems between the two populations and most of the handicapped/disabled people have outreach workers to aid in solving these situations.

**Need: Specific Family Types: Families with Disabilities**

**Strategy 1: Target available assistance to Families with Disabilities:**

Select all that apply

- Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: (list below)

**Need: Specific Family Types: Races or ethnicities with disproportionate housing needs**

**Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:**

Select if applicable

Not Applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

**Strategy 2: Conduct activities to affirmatively further fair housing**

Select all that apply

Not Applicable

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations
- Other: (list below)

**Other Housing Needs & Strategies: (list needs and strategies below)**

**(2) Reasons for Selecting Strategies**

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:

### **AUSTIN HRA DECONCENTRATION POLICY**

The AUSTIN Housing Authority's family housing is spread throughout the city so concentration of any one-income group is not applicable. In the two general occupancy high rises the population of the building is dictated by income limits. Despite the differences in the two income limits for the two buildings, in 2000 the typical rents for both of the buildings were within \$1.00 of each other.

Prior to the beginning of each fiscal year, we will analyze the income level of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

### **DECONCENTRATON INCENTIVES**

The AUSTIN Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

### **PH COMMUNITY SERVICES REQUIREMENTS POLICY**

Each adult resident, other than an exempt individual, must perform 8 hours per month of community service or participate in an economic-self sufficiency program for 8 hours per month. These activities can be combined.

Failure to comply with the community service or economic self-sufficiency policy is cause for non-renewal of the lease at the end of the twelve-month lease term.

The HRA will provide information to residents on organizations that can assist in placement to meet the community service requirements.

The HRA will evaluate which residents are required to participate and those that are exempt during the re-examination interview. Residents will be required to request a change in status from exempt of non-exempt as need arises.

The resident must supply documentation as to the organization and contact person who can verify compliance within 30 days of the determination to comply. The HRA will document by means of a third party verification form for actual performance.

If the HRA determines that there is a family member who is required to fulfill a service requirement, but who has violated this family obligation (non-compliant residents), the HRA will notify the resident of this determination. The HRA notice to the resident will briefly describe the non-compliance and provide an opportunity for correction.

1. The administrative steps taken to implement the Community Service Requirement:

- Change the public housing lease
- Written description of the service requirement
- Written notification to tenants
- HRA of Austin does have a cooperative agreement with the local TANF agency
- The HRA of Austin administers the program

2. The programmatic aspects of the requirement:

- Residents may be required to do the following:
  1. Enroll with the local job service agency and provide proof to the HRA of Austin of such enrollment
  2. Work at the meal site of the Public Housing high-rises
  3. Yard work on the grounds of the Public Housing high-rises
  4. Cleaning in the common areas of the Public Housing high-rises
