(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2002 – 2006.

In 2003, the CCHRA's Public Housing Program became fully operational. All 50 of our MHOP units we acquired and renovated were leased up. This is the first 5 Year Plan we'll have done since that time. We've established HUD recommended admissions/occupancy policies and we've opened our waiting lists again in order to maximize as many families in need as possible. We received an 89 on our PHAAS score, which we were happy with for our first year. Our goal obviously is to become a high performer, but that will take additional time.
