Streamlined Five-Year PHA Plan **PHA FISCAL YEARS 2005 - 2009**

[24 CFR Part 903.12]

A. Mission

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

- The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.
- The PHA's mission is: (state mission here)

The mission of South Central MN Multi-County H.R.A. (SCMMCHRA) is to promote adequate, affordable housing in a safe environment. SCMMCHRA will assist families and individuals to achieve economic self-sufficiency through effective collaboration with community agencies, residents and property owners.

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAs ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

Management and Administration:

Goal 1: To improve the quality of assistance provided to clients.

Objective A: Obtain SEMAP reporting percentages of 100 percent each year.

In 2001, South Central MN Multi-County H.R.A. was informed that their reporting percentage had reached 100%. As of 2004, that percentage is still at a very respectable 98%.

Objective B: Conduct mail survey to measure customer satisfaction.

Staff has begun the discussion process necessary in order to implement this project, however, no recent progress as of yet.

Objective C: Achieve and sustain a utilization rate of 100 percent at all times.

The HRA achieved a 100 percent utilization rate in early 2004; however due to the

change in the manner in which the Section 8 Program is now funded, the HRA has been unable to continue adding new clients to the program. Therefore, the utilization rate is currently less than 100%. The HRA will lease vouchers aggressively, and expects to be at 100% leased as soon as there is no longer a housing assistance payment (HAP) shortfall.

Objective D: Provide outreach to area social service organizations regarding the housing authority and all existing programs.

South Central MN Multi-County H.R.A. continues, on an ongoing basis, to provide outreach to area social service organizations regarding the housing authority and all existing programs.

Objective E: Concentrate on efforts to improve specific management functions related to quality housing.

South Central MN Multi-County H.R.A. will continue to improve the voucher unit inspection process so that they can provide decent and safe housing to their clients. The newly hired inspector has received HQS training and is a certified inspector.

Goal 2: To manage the South Central MN Multi County H.R.A. Programs in an efficient and effective manner.

Objective A: Increase Board of Director involvement on an ongoing basis.

Board of Director involvement has increased due to the HRA Board of Commissioners meeting monthly (due to an increase in “special” meetings, outside of the regular meetings being held every other month) and due to the fact that there are many new HRA Commissioners on the Board who have become very active in the projects of the HRA.

Objective B: Return to Committee structure (i.e. Section 8, Budget, Policy, Personnel, By-Laws).

Discussions are being held regarding this topic. Currently, the Board of Commissioners hold “special” meetings that make the committee structure largely unnecessary. However, there is one committee to oversee bond-funded rental housing projects.

Fiscal Responsibility:

Goal 1: Ensure full compliance with all applicable accounting standards and regulations.

Objective A: The South Central MN Multi County H.R.A. will operate so that income exceeds expenses every year.

The HRA is currently operating so that income exceeds expenses every year; however, cost-saving measures are being discussed in light of the funding shortfall for the Section 8 Program.

Goal 2: Reduce dependency on federal funding.

Objective A: The South Central MN Multi County H.R.A. will raise funds from four (4) non-HUD sources.

In the past several years, the South Central MN Multi-County H.R.A. has raised funds from more than four non-HUD sources. They are: the South Eastern Minnesota Initiative Fund, to develop multi-family units; Minnesota Housing Finance Agency, to administer Rental Assistance for Family Stabilization (RAFS) Vouchers; Partners for Affordable Housing, to provide grant writing services and staff oversight; and Minnesota Housing Finance Agency, to administer Housing Trust Fund Rental Assistance. South Central MN Multi-County H.R.A. will continue to seek non-HUD sources as a means of raising funds.

Objective B: The South Central MN Multi County HRA will reduce its dependence on HUD by raising \$20,000 from non-HUD sources.

Since 2000, the HRA raised \$20,000 for each year by contracting with Partners for Affordable Housing to do grant writing and oversee staff. In addition, in 2001, the South Eastern Minnesota Initiative Fund provided a grant of \$16,000 to develop multi-family units. In 2003, the Minnesota Housing Finance Agency awarded a grant of \$208,800 to manage the Housing Trust Fund Rental Assistance Program. Efforts will be continued in this area of raising funds from non-HUD sources, as a result of the Section 8 budget shortfall.

Equal Opportunity:

Goal 1: The South Central MN Multi County H.R.A. shall ensure equal opportunity and affirmatively further fair housing.

Objective A: Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status and/or disability.

The South Central MN Multi-County H.R.A. continues to undertake these affirmative measures on an ongoing basis.

Objective B: Undertake affirmative measures to ensure accessible housing to persons with all kinds of disabilities, regardless of unit size required.

The South Central MN Multi-County H.R.A. continues to undertake these affirmative measures on an ongoing basis.

Self-Sufficiency and Asset Development:

Goal 1: Promote self-sufficiency and asset development of assisted households.

Objective A: Maintain the number of Section 8 recipients participating on the Family Self Sufficiency Program (FSS) at 70 participants by May 1, 2005.

Effective July 1, 2004, there are 90 participants on the Family Self Sufficiency Program.

Objective B: Admit 5 homeownership clients onto the homeownership program by December 31, 2009.

Since May 1, 2003, the Homeownership Program has been in place and South Central MN Multi-County H.R.A. is currently recruiting participants.

Objective C: Co-sponsor topical workshops for participants to encourage asset development and self-sufficiency.

Rent Wise training recently began and Preparing for Homeownership Workshops continue to be provided to Section 8 clients.

Objective D: Collaborate or connect with existing job fair(s) in South Central Minnesota to help with participant employability and increase the percentage of employed persons receiving housing assistance.

Not completed as of yet.

Objective E: Provide and/or attract support services to increase independence for the elderly or families with disabilities by obtaining current listing of independent living facilities and providing it to appropriate renters.

Not completed as of yet.

Community Collaboration and Support Service:

Goal 1: Improve client access to services that support economic opportunity and quality of life.

Objective A: The South Central MN Multi County H.R.A. will participate in or develop and nurture four (4) new partnerships in order to enhance self-sufficiency services to South Central Minnesota residents.

Thus far, the HRA has formed partnerships with four other organizations to provide self-sufficiency services. They are: 1) First Call for Help (developing the Multi-County Landlord Directory); 2) Partners for Affordable Housing (providing grant writing services and oversight); 3) Resource Connections (Home Stretch classes); 4) City of

Mankato/Blue Earth County (FSS Project Coordinating Committee).

Objective B: Apply to at least two (2) appropriate foundations for grant funds.

In 2001, the HRA applied to one foundation, South Eastern Minnesota Initiative Fund, for a grant to develop multi-family housing. The application was approved and the HRA received funding to develop multi-family units in cooperation with regional nonprofit organizations.

Objective C: The South Central MN Multi County H.R.A. will continue efforts to host an annual meeting of residents for the purpose of receiving feedback on the PHA Agency and Annual Plan.

Each year, one meeting will be held in the Main office of the HRA and other meetings will be held in sites within the five-county service area.

Objective D: Provide or attract supportive services to improve assistance recipients' employability.

The HRA meets regularly with a variety of human service agencies to improve employability of program participants. These include Community Assistance for Refugees, Partners for Affordable Housing, and other area nonprofit agencies.

Objective E: Provide or attract supportive services to increase independence for the elderly or families with disabilities.

Keith Luebke, Executive Director of the HRA, participated in a Region Nine initiative to improve supportive services for seniors. The focus was increasing meal sites and other services as needed. Similar activities are planned for the coming year.

Availability of Housing Assistance:

Goal 1: To increase the availability of housing assistance in the five-county region.

Objective A: Continue in efforts to implement aggressive outreach to attract new landlords to participate in agency programs.

In 2001, South Central MN Multi-County H.R.A. implemented an outreach program by contacting all current and past landlords, providing them with information about the Section 8 Program and the agency and asking if they would like to be listed in the Multi-County Housing Directory of Landlords. In addition, the HRA has attempted to make contact with all rental property owners who are listed on the county tax rolls to notify them of the benefits of working with the Section 8 Program. In each of the past several years, approximately 60 to 75 new landlords per year have been involved with the Section 8 Program.

Objective B: Participate in Housing Conversion Actions to provide affordable housing to very low and low income clients.

Since 2001, South Central MN Multi-County H.R.A. has received 216 additional Section 8 Vouchers as part of Preservation Voucher projects. The South Central MN Multi-County H.R.A. is currently involved in one more housing conversion, which will increase the total number of vouchers allocated to the HRA to approximately 667.

Objective C: Request additional Housing Trust Fund RAP vouchers at the time of the next Request for Proposal.

Currently, the South Central MN Multi-County H.R.A. administers 33 Housing Trust Fund Rental Assistance Program Vouchers through the Minnesota Housing Finance Agency.

Objective D: Leverage private or other public funds to create additional housing opportunities.

In 2001, South Central HRA received funding from South Eastern MN Initiative Fund to develop multi-family units in cooperation with regional non-profit organizations.

Marketing and Community Outreach:

Goal 1: Enhance the image of public housing assistance in the service area of South Central MN Multi-County H.R.A.

Objective A: The South Central MN Multi-County H.R.A. leadership shall speak to at least eight (8) civic, community service, religious or fraternal groups a year to explain how important housing assistance is in our region.

HRA leadership and staff continue to speak to civic, community service, and other groups on an ongoing basis to promote housing assistance. Recent speaking engagements include the North Mankato Rotary Club, the local ministerial association and the Hilltop Kiwanis regarding affordable housing and South Central Plus regarding agency program updates. In addition, staff participates in the local Continuum of Care.

Objective B: Participate on community boards, committees and meetings as a South Central MN Multi-County H.R.A. representative.

HRA leadership and staff continue to participate on community boards, committees and meetings on an ongoing basis to promote housing assistance. HRA leadership routinely participates in the following groups: South Central Plus, Local and Regional Continuum of Care, Rent Wise, and the Institute for Renewing Community Leadership.

Objective C: Utilize the mass media in featuring program highlights, human interest stories and general information about South Central MN Multi-County H.R.A.

South Central MN Multi-County H.R.A. continues to utilize the mass media to promote housing assistance and promote awareness about the agency.

Objective D: Meet once per year with county human service agency staff and administrators in Nicollet, Sibley, Waseca, Watonwan, Martin and Blue Earth Counties.

Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The South Central MN Multi-County H.R.A. has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements. Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- We maintain preferences on our waiting list for families or individuals who are Involuntarily Displaced, as well as for individuals and families who Lease in Place, are Elderly or Disabled Individuals and Veterans.
- Applicants will be selected from the waiting list by preference and in order of the date and time they applied.
- We have established a minimum rent of \$50.
- We have adopted "hardship exception" policies for exceptions to the minimum rent.
- We utilize 100 percent of the published FMR's as our payment standard for the Section 8 Program.
- We implemented a Homeownership Program in May of 2003.

The South Central MN Multi-County HRA is making steady progress in meeting the mission and goals described in the 5-Year Plan.

We will continue to promote adequate, affordable housing in South Central Minnesota. We are leasing families onto the program at an aggressive rate. In January 2000, we served 345 families, and we have steadily progressed to serving 603 families as of June 2004.

Over the past five years, we have increased our total allocated vouchers by providing tenant-based assistance to families as part of housing conversion actions. Our agency expects at least one more preservation effort in 2004, which will increase our total allocated vouchers to 667.

Our goal is to continue to achieve and sustain a utilization rate of 100 percent; however due to the current budget funding shortfalls for the Section 8 Program, we have put a freeze on voucher issuances. We will, however, continue in our marketing efforts, which include outreach to other service organizations, tenants and landlords. Within the next year, we will provide outreach to area social service organizations regarding the housing authority and all existing programs; speak to civic, community service, religious or fraternal groups to explain how important housing assistance is in our region; distribute our agency brochure; promote the HRA web site; and continue to distribute Multi-County Directory of Housing booklets.

In addition, our Family Self Sufficiency Coordinator has enhanced self-sufficiency services to South Central Minnesota residents by making available to our clients the First Call for Help reference and software, which is an up-to-date database of resources in the region. In addition, she developed a homeownership program for tenants in each of our five counties. The South Central MN Multi-County H.R.A. is ready to serve interested and qualified families/individuals.

The HRA has also formed partnerships with several other organizations to provide self-sufficiency services and to encourage asset development: Partners for Affordable Housing, Life-Work Planning Center and Resource Connections.

As an agency, we also have worked to reduce our dependence on HUD by raising funds from organizations other than HUD. Each year, we raise \$20,000 through a partnership with Partners for Affordable Housing (PAH), a Mankato-based organization that provides transitional housing to homeless individuals and families. In addition, we presently administer 5 Vouchers for the Rental Assistance for Family Stabilization (RAFS) Program, 33 Vouchers for the Housing Trust Rental Assistance Program (RAP), programs funded by Minnesota Housing Finance Agency (MHFA). In 2001, the South Eastern Minnesota Initiative Fund provided a grant of \$20,000 to develop single-family units. In summary, we are on course to improve and advance our programs and the availability of affordable housing in South Central Minnesota.
